Free transportation has been offered by the railroads, and it is expected that the first contingent of settlers will arrive from the east this fall.

### ROYAL PRINCE IS

**ARRESTED AS SPY**  
Berlin, Aug. 7.—Prince Henry, eldest son of Prince Albrecht of Prussia, was arrested as a spy by guards at the east battery in Schweinmünde Pomerania, when photographing environs. He said he was Prince Frederick Henry, but the guards told him they were not to be fooled. The sentries have been especially on the alert because of the arrest last week of an Austrian accused of spying.

### TORRES WAS LIBERATED

**INSTEAD OF BEING SHOT**  
MURDERER OF LATIMER AND WAY WAS SET FREE BY MEXICAN AUTHORITIES THE DAY SET FOR HIS EXECUTION.

The news now comes from Puerto Sinaloa, Mexico, to the effect that Judge Ferdinand Torres, who was to have been shot recently for being implicated in the murder of Clarence Way and Edward Latimer, former residents of El Paso, was released from prison on the day he was to have been executed.

Ferdinando Torres is the justice of the peace at Aguascalientes, near Puerto Sinaloa, who, it is claimed, was responsible for the killing of Clarence Way and Edward Latimer at a mesquite hacienda near the former place.

It will be remembered that Torres was very angry because Way did not touch his hat to him and sent a policeman to arrest the former and bring him to his office, the officer's instructions being to bring him in "dead or alive."

In making the arrest the officer shot both men. At the preliminary hearing Torres was released, but the people, particularly the Americans, from all over the republic, made such a strong protest that he was rearrested. Then the report was sent out that he was to be shot. However, this appears to have been an entire mistake, as he was given his liberty instead.

It is now pretty certain that Torres and his tools will escape punishment entirely.

### CHINESE CONSPIRE

The Chinese conspiracy of contravening this agreement will be heavily fined.

**LOCAL BICYCLIST MAKES RECORD RIDE TO TIJERAS CANYON ON A WAGER.**

On Saturday last, Joe Ducatelli, rode from the New York saloon in this city to Silva's place in Tijeras canyon, a distance of twelve miles, in exactly 33 minutes. The record breaking trip was the result of a wager that Ducatelli could not ride that distance in 35 minutes. This establishes a new record for that distance and is very good, considering the fact that the entire distance is an up-hill climb. E. Gradi was the gentleman who lost the bet.

### WHAT TO DO WITH THE CONVICTS ON SAKHALIN
