WHOLESALE PASS FRAUDS DISCOVERED

Stenographer in President Ripley's Office Sold Transportation to Outsiders.

LOSS TO ROAD ABOUT \$20,000

A conspiracy whereby the railroads centering in Chicago have been defrauded of transportation estimated at \$20,000 has just been made public by the discharge of an office clerk from the employ of the Santa Fe railroad. He was a stenographer in the office of President E. P. Ripley, and among other duties he took care of the issuing of passes and the requests made by the road upon other lines for transportation. By a free use of the request blanks left in his charge and previously signed by President Ripley and by a similar use of the pass books signed by W. B. Jansen, assistant to the president, the young man secured transportation and disposed of it to outsiders. Those known to have dealt with him are chiefly treasurers of local theaters. Detectives who have been at work on the case declare that one man alone handled over \$2,700 worth of passes.

HUNTER PROMOTED TO GENERAL PURCHASING AGENT.

Superintendent Hunter, of the western division of the El Paso & Southwestern will leave his present position some time about the first of the month, probably as soon as he returns from the coast, and will become purchasing agent for the entire Southwestern system, says the El Paso News. His headquarters will be in El Paso.

General Manager Simmons stated that Mr. Hunter's successor had not been selected, and that he himself, had not canvassed the situation thoroughly enough to form any idea of who would be the new superintendent. Trainmaster Charles Brown, of Biebee, who has been with the Southwestern for many years, has been mentioned for the place. Superintendent Morris, of the Rio Grande division of the Santa Fe, it has also been rumored, might go to the Southwestern.

CONDUCTOR'S FAMILY IS DRUGGED AND ROBBED.

Chloroformed and robbed was the fate of the family of Henry Biggers, a conductor on the Northern division of the Southwestern railroad last evening, at their home, 602 North Campbell street, says the El Paso Herald. The family attended the concert in the park and then went home, arriving there about 10:30. When they awoke this morning all were sick and weak, every member having a severe attack of nausea. There was a strong smell of ether or chloroform in the room and the family grew suspicious. The investigation revealed the fact that the house had been robbed and then it dawned on Mrs. Biggers that she and her children had been chloroformed by the burglars. A physician was sent for and the family received medical attention. The robbers secured close to \$150 in cash and silverware valued at between \$50 and \$75.

MACHINISTS DISCHARGED FOR DRUNKENNESS.

Twenty-three men were let out at the El Paso & Southwestern shops in Alamosa this week, drunkenness being the charge against them. Ma-

ter Mechanic F. L. Carson is determined to get rid of the habitual drunkards and gamblers. He says that the men who blow in their pay checks over the bar or at the gaming tables each month and then take ten days in which to sober up, cannot work for him.

E. R. Wells, who returned Thursday night from a trip to the Portland fair, has resumed his old position at the Santa Fe station as depot master. G. H. Gray has gone back to his position as yards officer and J. A. Montoya will return to Las Vegas where he will resume his old position.

George Stont, the cook at the railroad construction camp on the Santa Fe's new line at Tolar, Roosevelt county, who killed a colored laborer there on August 6, was given a preliminary hearing at Portales and bound over to the grand jury in the sum of \$1,000.

Marcus P. Kelly, of the local stores department of the Santa Fe, left last night for London and Montreal, Canada, where he will spend two weeks visiting with relatives. He will bring back Mrs. Kelly and the family, who have been on a visit for the past two months.

Angel Cienega, a section hand who was struck by a train near Socorro, N. M., and badly hurt about the breast and head, has been taken to Las Vegas to the railroad hospital.

J. W. Gibson, son of E. J. Gibson, division superintendent, has been promoted to the position of secretary to Superintendent John Denair in Los Angeles.

H. C. Thompson is the new proprietor of the eating house at Kennedy, at the junction of the Santa Fe and the Santa Fe Central railways.

Herman Switzer, of the Alvarado curio department in this city, left last night for a short business trip to El Paso and Old Mexico.

I. J. Custer, storekeeper for the coast lines of the Santa Fe, has returned from an official visit to Topeka.

HAY FEVER ABOLISHED.

Medical Science Discovers a Cure for This Malady by Breathing Hyomel.

Stomach dosing cannot cure hay fever. A change of climate is the only treatment that gives any relief, and Hyomel, which mediates the air you breathe, acts upon this principle, giving in your own home a climate as healthy as that of the White Mountains or other health resorts.

The complete Hyomel outfit costs but \$1, extra bottles, 50 cents. J. H. O'Reilly & Co. have seen the good effects following the use of Hyomel in so many cases of hay fever that they are willing to sell the treatment with the understanding that if it does not give satisfaction, the money will be refunded to you.

T. B. CATRON ELECTED TO COUNCIL OF BAR

The Associated Press dispatch to the Denver Post dated August 24th from Narragansett Pier, R. I., where the American Bar association is holding its annual session, gives a list of the western members elected to the general council of the association. The list contains the names of Thos. B. Catron, of Santa Fe, and J. G. Hawkins, of Tucson, Arizona.

Low Rates to Denver.

The Santa Fe railway has arranged for a round trip rate of \$12.55 to Denver on account of the G. A. R. meeting in September. This rate is for the benefit of members of the G. A. R. and their wives, as in case of the members of the Woman's Relief Corps and Ladies of the G. A. R., and for members only.

This rate will only be granted on certificates issued by the post commander, and will not apply to the general public, for which a one fare rate for the round trip has been authorized.
