

COMMITTEE FAVORS SINGLE STATEHOOD Adopted Separate Statehood Resolution at Meeting at Santa Fe. RODEY REFUSED A HEARING

The meeting of the territorial republican central committee which was held yesterday afternoon at Santa Fe pursuant to a call issued on October 31, resulted in the committee adopting the following resolution declaring for separate statehood for the territories by a vote of 29 to 6: "This committee representing the sentiment of the republican party of this territory renews its declaration in favor of single statehood. The proposition of joint statehood never emanated from the people of either this territory or the territory of Arizona, and the majority sentiment of the people of both territories is decidedly against it. We look upon the joint statehood measure, so far as it affects this territory as an attempt at legislative coercion. We again invite the attention of the national congress to the repeatedly expressed sentiment in our national and territorial conventions of the two great political parties in favor of single statehood for this territory, and express the hope that our territory will get a "square deal" and be honored with an early admission as a state within its present boundaries."

The above resolution was introduced by Attorney General George W. Prichard, a member of the central committee from Lincoln county, in which the attorney general delivered a lengthy address in support of the resolution. Hon. F. A. Hubbell, a member of the committee from Bernalillo county, replied to Mr. Prichard's address, and in a forcible speech opposed the adoption of the resolution on the ground that it did not represent the sentiments of the people of New Mexico at large on the statehood question. Mr. Hubbell offered to cite the members of the committee that 99 percent of the residents of Bernalillo county were in favor of the joint measure.

Rodey Refused a Hearing. At this juncture former delegate to congress, R. S. Rodey, asked permission to address the committee, but several of the members immediately objected. The roll call on a motion by Mr. Hubbell to allow Mr. Rodey to address the meeting was voted down by a vote of 27 to 7. Mr. Hubbell declared that if the committee would not allow Mr. Rodey to speak it was because they were afraid to hear him.

Chairman Bursum then put the vote on the resolution, which was carried as above stated, by a vote of 29 to 6. After appointing several new members to fill vacancies existing on the committee from one or two counties the meeting adjourned.

Did Not Endorse Candidates. It was rumored that perhaps the committee would endorse the administration or candidates for offices soon to expire, but no such action was taken by the committee. Nothing was done at the meeting outside of the passage of the resolution declaring in favor of single statehood.

Sargent, proxy for T. D. Burns, Rio Arriba county; Daniel H. McMillan, proxy for W. E. Martin of Socorro county.

As per the roll call, fifteen counties were represented and twelve members of the executive committee were present, making a total of forty-one out of a total membership of sixty-seven. Chairman Bursum presided and Secretary Charles V. Safford was at the desk.

The Official Call for Meeting. Santa Fe, N. M., Oct. 31. Owing to the sentiments that were expressed by several members of the congressional party headed by Hon. James G. Tawney of Minnesota, as well as reports of the changing condition of the sentiment at Washington, relative to the statehood situation, it has been deemed advisable to call a special meeting of the republican central committee of the territory to be held at republican headquarters in Santa Fe at 3 o'clock p. m., November 10, 1905.

It is of special importance that every member of the central committee and of its executive committee be present at this meeting, in order that the subject matter may be discussed fully and that such expressions and resolutions may be entered of record as the committee shall decide best meets the exigencies of the situation. Trusting that you will appreciate the importance of the occasion and make every effort to be present, or if that is not possible advise me upon the enclosed postal card, as to your plans in the matter, stating at the same time, the name of the person to whom you will give your proxy. I am, yours truly, H. O. BURSUM, Chairman.

ROUGH RIDERS TO BE REMEMBERED

A special dispatch from Washington dated Nov. 8, says: Capt. Frank Frantz, agent for the Osage Indians in Oklahoma, is to become governor of Oklahoma on the expiration of Governor Ferguson's term, January 13, 1906. The president today announced that he would appoint Capt. Frantz, who was a captain in his Rough Rider regiment, and who has received two appointments previously at his hands. The first was that of postmaster at Enid, Okla., and the other was an agent of the Osages, to succeed O. A. Mischeer, the latter appointment having been made about one year ago. Capt. Frantz is a member of a pioneer Oklahoma family and brother of Walter Frantz, the baseball pitcher and third baseman, who was recently signed by the St. Louis National League club for next year, and also of "Old Man Frantz" of Harvard baseball fame.

Another rough rider captain who gets a good place is Capt. Joseph L. D. Alexander of Phoenix, Ariz. He has been made United States attorney for Arizona, to succeed Frederick S. Nave, the present United States attorney. Mr. Nave has been appointed associate justice of the supreme court of Arizona in place of Judge Tucker, who recently resigned under pressure, in the case of Mr. Nave and Capt. Alexander their appointments were recommended by the judges and bar of Arizona.

WHY NOT? Will the city turn attention to the streets, which are almost impassable, and injurious to the health record, which is prejudicial to all sections of the United States? The writer can't see any excuse for such, as he is certain there is an abundance of rock in close touch and a first-class crusher. Furthermore, there is lots of labor in the city seeking work, and some of it is in a main need of maintenance for their families or themselves, hence by macadamizing, we would be helping the poor and those who pay their taxes for comfort and health, and advancing the city 50 per cent in the eyes of home-seekers. The work would be small, compared to the damage such streets are to the city. Be progressive and repair the streets as soon as they dry off, taking the public thoroughfares first, and the writer is satisfied a plaudit will be echoed by the entire community. A STRANGER.

MUST OBEY LAW REGARDING CARRYING OF DEADLY WEAPON

SHERIFF ARMJO SAYS HE DOES NOT AUTHORIZE HIS DEPUTIES TO CARRY GUNS UNLESS IN DISCHARGE OF THEIR DUTY. Sheriff Perfecto Armijo returned last night from Santa Fe where he spent Thursday and Friday attending to official business. Mr. Armijo was seen today regarding the arrest yesterday of one Eugene Johnson, for carrying a deadly weapon. Johnson, it will be remembered, held a commission under Sheriff Armijo as a deputy sheriff.

In talking of the arrest of Johnson, Sheriff Armijo stated emphatically, that he did not authorize his deputies to carry deadly weapons. The sheriff said he, himself, never carried a gun. "I expect my deputies to strictly observe the law regarding the carrying of concealed weapons," said Mr. Armijo, "and that is, a deputy has no right to carry a revolver unless he is in the actual discharge of his duty and in the pursuit of a dangerous criminal. Otherwise, in my opinion, he has no right to 'tote' a gun just because he holds a commission as a deputy sheriff."

Johnson spent yesterday in the city jail, where he had been committed in default of a \$50 fine for carrying a deadly weapon. Last evening his attorney filed notice of appeal to the district court and the prisoner furnished bonds in the sum of \$100. The bonds were signed by Joe Badaracco and M. Azario.
