

WHERE TEACHER HAS TO USE NERVE

Backwoods Districts of Indian Territory Are Fiercest on Earth.

Muskogee, I. T., Nov. 12.—Is it more than the law should permit to allow a well bred, well educated girl to teach school in the rugged sections of Indian territory, where she has to live in a house with two rooms occupied by a large family and teach children, half of whom are Indians and cannot understand English until she teaches them?

For pure grit the girls who have come from Missouri and Kansas to Indian territory and taken positions as teachers of some of the day schools for the government, have given striking example. It is the policy of the government to extend its educational system into the back woods sections as much as possible. This means that schools are sometimes thirty miles from a railroad and in a section where there has been practically no development. Half of the people in the district contiguous to the school are Indians. The white residents are pioneers in the back woods sense.

This week a girl named Out, Down in the Chickasaw nation a girl was assigned a school to teach. The authorities had been petitioned to establish a school and the patron had built a log schoolhouse. The petition showed that there were nearly forty children within reach of the school. The teacher arrived and commenced looking for a place to board. She spent two days and the only house she could find where they would take a teacher to board was a 2-room house in which a large family lived. There were two beds, both in the same room. The children were put in a pallet on the floor and the teacher given their bed. She remained one night and the next morning she sent word to the school authorities that she would not teach the school. In one of the rooms of the Creek nation a girl was assigned a school and when she arrived she found that the only place in the district where she could get board was in a dugout.

A government school was established in the Seminole nation and an unusually large number of pupils were scheduled. When the teacher arrived she could not find a place at which she could board. Supervisor Falwell was notified of the situation. He promptly went to that district and the teacher's parents did not want a school and he would rescind the order to establish one unless they provided a place for the teacher to board. This got the desired result.

The pay is small too. The average salary received by these teachers is from \$35 to \$50 a month. They pay for their board, two dollars a week for room and board, though in some instances they get it as low as \$6.00 a month. The hardships of some of these teachers endure would appall anyone with less grit and never-give-up spirit. When they come to Indian territory they usually do so because they need the money. And when they get there they usually do not come prepared to go back immediately. The result is they are determined to make it go. They have every three months and they must teach that long before they get their first pay check. By the time three months have elapsed they usually have adjusted themselves to their surroundings and they will not give up then until the school term closes. Many of the teachers are from colleges in Kansas and Missouri.

A Reliable Remedy for Croup.

With the dry, cold weather of the early winter months, parents of croupy children should be on the alert for ominous symptoms. There is no cause for anxiety, however, when Chamberlain's Cough Remedy is kept in the home. If this medicine is given as soon as child becomes hoarse or even after the croupy cough has appeared, the danger will be ward off. Mrs. S. Rosenthal, of Turner, Michigan, says: "We have used Chamberlain's Cough Remedy for ourselves and children for several years and like it very much. I think it is the only remedy for croup and can highly recommend it." For sale by all druggists.

"WILD GIRL" IS BITTEN BY SNAKE

Supposed Female Freak Proves to be Man. He May Die.

Tucson, Ariz., Nov. 12.—John Pike, the "Australian wild girl," who has been the star performer in an exhibition given on Lower Congress street in a small tent, was bitten in the tongue last night about 9 o'clock by a moccasin snake, and he now lies at St. Mary's hospital in a serious condition as a result of the poison from the fangs of the deadly reptile.

Ten minutes after he had been bitten, Pike was a horrible sight. His face was swollen out of all proportions. His tongue, black from the poison and several times its normal size protruded from his mouth, and the glands stood out strong on his neck.

Was a Man Disguised.

Pike had been advertised as a "wild girl." He was announced as having been captured in the wilds of Australia and the only one of his race in captivity. The enticing speller who "barked" for the show was graphic in his description of the "wild girl" who in every day life is a fairly good looking young man, picked up a moccasin snake and was holding its head close to his mouth when suddenly the snake struck. The fangs penetrated the "wild girl's" tongue and he dropped the reptile hastily. Several persons in the crowd that was watching the performance let out shrieks when they saw the accident. The crowd was quickly dispersed and the "wild girl" was pushed to the Windsor hotel, as it was quickly seen he was poisoned.

When his disguise was shed and it was found that he was a young man whose name is John Pike, and no wilder than the average citizen.

A Significant Prayer.

"May the lord help you make Bucklen's Arnica Save known to all," writes J. C. Jenkins, of Chapel Hill, N. C. It quickly took the pain out of a felon for me and cured it in a wonderful short time. Beside on earth for sores, burns and wounds. 25c at all druggists.

SYNOPSIS OF THE HOMESTEAD LAWS

What Uncle Sam Requires of Residents on His Free Land.

All men and women over 21 years of age, widows, deserted wives, and persons under 21 years who are the heads of families, and are not the owners of more than 160 acres of land, who are citizens or have declared their intention to become citizens of the United States are qualified to make a homestead entry.

Not later than six months from date of entry the homestead claimant must establish his residence upon the land and after fourteen months of actual settlement, if he has resided upon and cultivated the land for the last eight months, can commute or pay for the land at the rate of \$1.25 per acre, when claimant will receive a patent to the land from the government. If claimant does not wish to commute he can reside continuously upon the land for five years, and upon filing proof that he has done so, will receive a patent to the land.

Any homesteader, who, by reason of failure of crops, sickness or any other unavoidable casualty is unable to make a living for himself and family on his claim, can secure a leave of absence not exceeding one year. When a leave of absence is granted, the time the settler is absent must be made up at the end of the five years' residence and cultivation as required by law.

The Cost.

The government fee for filing upon 160 acres of public land is \$18.10. The fee for showing the land to the prospective settler, surveying it and marking the corners is \$10 to \$15. Distance the locator travels makes the difference in his costs. This makes the total cost vary from \$28.10 to \$33.10.

He Fought at Gettysburg.

David Parker, of Fayette, N. Y., who lost a foot at Gettysburg, writes: "Electric Bitters have done me more good than any medicine I ever took. For several years I had stomach trouble, and paid out much money for medicine to little purpose, until I began taking Electric Bitters. I would not take \$500 for what they have done for me." Grand tonic for the aged and for female weakness. Great alterative and body builder; sure cure for lame back and weak kidneys. Guaranteed by all druggists. 50c.

BORN--AN IDEA

ABOUT THE RAREST THING THAT EVER HAPPENS IN THIS OLD WORLD OF OURS, IS THE BIRTH OF A NEW IDEA, AND THE FORTUNATE POSSESSOR OF A FINE LARGE ONE IS WORTH MORE TO HIMSELF AND MORE TO THE WORLD THAN THE SANTA FE RAILROAD.

PSYCHOLOGISTS, WHO MAKE A BUSINESS OF SORTING OUT IDEAS AND SPRING INTO THE WAYS THEY ARE BORN, SAY THAT AFTER YOU PASS THE AGE OF ABOUT TWENTY, YOUR IDEA-BEARING DAYS ARE ETERNALLY OVER. IF YOU ARE STILL ON THE TENDER SIDE OF THIS AGE--AND ARE WISE--YOU MAY WISH TO READ THIS STATEMENT AGAIN.

NOW THE ALBUQUERQUE CITIZEN CARRIES IDEAS IN STOCK, WHERE THEY CAME FROM AND WHO THEIR PARENTS ARE IS NEITHER HERE NOR THERE. SOME OF THEM RUN ALONG THE LINES OF BUSINESS BUILDING AND TRADE GETTING. THESE IDEAS WILL BE SOLD, LEASED OR RENTED TO THE PUBLIC, FOR CASH OR ON THE INSTALLMENT PLAN.

THEY KEEP A YOUNG FELLOW AROUND THE OFFICE, AND PAY HIM EVERY WEEK, TO DO NOTHING BUT LOOK AFTER THE ADVERTISING. THERE IS NOTHING HE LIKES BETTER THAN TO SEE SOME ONE COME IN AND SAY: "HERE I WANT TO SPEND \$50.00 EVERY MONTH IN ADVERTISING. I WISH YOU WOULD TAKE THE WHOLE THING OFF MY HANDS, AND RUN IT AS YOU THINK BEST. I HAVE OTHER MATTERS TO CARE FOR, AND YOU PROBABLY KNOW MORE ABOUT IT THAN I, ANYWAY."

A NUMBER OF ALBUQUERQUE BUSINESS MEN HAVE ALREADY MADE SUCH ARRANGEMENTS--MORE ARE DOING IT EVERY DAY. ONE WISE MERCHANT, WHO ATTEMPTS TO DRAW A LINE DIVIDING THE PATRONAGE HE RECEIVES FROM ADVERTISING, FROM THAT COMING THROUGH OTHER CHANNELS, INFORMED US ONLY YESTERDAY THAT HIS ADVERTISEMENT IN THE ALBUQUERQUE CITIZEN DURING THE TWO MONTHS IT HAS RUN, HAS NETTED HIM SUFFICIENT TO PAY FOR THE ADVERTISEMENT FOR SIX MONTHS. ANY ADVERTISEMENT THAT PAYS FOR ITSELF IN DIRECT, IMMEDIATE RETURNS, IS A GOOD INVESTMENT, BECAUSE YOU GET YOUR MONEY BACK, AND THE EXTENDED PUBLICITY TO BOOT. BUT WHEN RESULTS ARE SUCH AS THIS MAN EXPERIENCED YOU ARE GETTING LITTLE LESS THAN A GOLD MINE.

THE FIRST MAN IN THE ADVERTISING FIELD REAPS THE FINEST OF THE WHEAT. THE LATE-COMERS GLEAN THE STUBBLES. DUKE, THE TOBACCO KING, IN CONVERSATION WITH THE WRITER ONCE SAID: "I BEGAN LIFE ON A STONE PATCH, WITH A WIFE, A BLIND MULE AND TEN DOLLARS. I AM NOW WORTH THIRTY TWO MILLION DOLLARS. BUT I HATE TO SPEND MONEY IN ADVERTISING." PROBABLY NO MAN IN ALBUQUERQUE HAS HAD A MORE MODEST BEGINNING THAN MR. DUKE, AND THERE IS NO REASON WHY ANY MAN WITH EQUAL BUSINESS ABILITY, AND POSSESSED OF THE SAME BUSINESS FORESIGHT, SHOULD NOT SUCCEED AS WELL. IF THERE IS STATE IT TO YOURSELF, AND BE CONSOLED. IT IS AN OLD SAW, BUT A KEEN CUTTER, THAT SAYS: "IT PAYS TO ADVERTISE."

ALWAYS THE SAME GOOD OLD BLATZ Remember the Triangular Label You can tell a Blatz Bottle a block away.

Beer "body" is predetermined by the Quality of the Malt. Blatz Malt is produced by trained Malsters--years in service. "Not only how much malt, but how good" is the inviolable rule. By the Blatz method the vital ingredients of the malt and the aromatic properties of the hops are successfully and uniformly brought out and retained. These are basic factors, ever important in the brewing of good beer. This Blatz achievement is at once manifest to all judges of beer quality by whom it is so obviously appreciated.

SUCCESS

THEY SAY NOTHING SUCCEEDS LIKE SUCCESS. I SUPPOSE THIS IS TRUE. BUT IN ORDER TO HAVE SOME SUCCESS WITH WHICH TO SUCCEED IT IS NECESSARY TO HAVE SOME OTHER THINGS.
