WOMAN CARRIED A FLAMING STOVE

She Was Seriously Burned But Danger Was Over When Firemen Got There.

Miss Esther Marin, who has an apartment at 524 Kehler avenue, had a narrow escape from serious injury at 8:30 o'clock this morning, when a gasline stove on which she was cooking, exploded. Miss Marin left the stove to attend to some washing outside just a moment before it exploded. When she returned the room was filled with fire and smoke. Showing more than unusual courage Miss Marin ran into the burning room and, picking up the stove, threw it out of the house. When the firemen arrived a few minutes later, the smoking stove was in the back yard of the house and the woman was nursing two badly burned ankles. She had walked through oil burning on the floor.

The firemen put out the blaze in the room with a small chemical engine. A hole was burned in the floor of the house and the door casings were scorched, but the damage can be repaired with a few dollars.

COMIC PICTURES AT THE COLOMBO

Popular Theatre is Giving Pleasing Programs and Draws Big Crowds.

The new film service at the Colombo has resulted in drawing big crowds to the popular theatre and the programs are generally of worth. Two comedy films, which will be shown tonight, are of unusual merit as fun-makers and the management desires to warn anyone not caring to laugh to stay away. "The Bridegroom's Dilemma" and "Casey's Jumping Toothache" are the two funny films, while a drama "The Convict's Sacrifice" is one of the best pictures yet shown here.

THE GAME SUNDAY SHOULD BE GOOD

Santa Fe and Grays Are Out for Blood and Money All the Way Through.

Albuquerque fans may look forward to next Sunday's ball game with a great deal of pleasure. It is bound to be a hard fought contest. The opposing aggregations have about as much love for each other as the Democratic party has for William Jennings Bryan. The several games they have previously played have been close and won on very small margins.

After the game with Santa Fe, Padilla, manager for the Grays, says that he is going to bring to Albuquerque any ball team in the country that is willing to play for the money. He is going to begin strengthening the Grays for the fair tournament, so that by the time the fair arrives he will have a team capable of coping with the best.

Girls can have a splendid time at a matinee unless the show is any good.
