IN THE THROES OF DEFEAT.

THE REPUBLICAN COUNTY COMBINE HOLD FORTH AT PIKEVILLE.

This Has Been Claimed as One of Their Strongholds. But the Small Crowd that Greeted Them There Tuesday Shows How Their Cause is Waning in This County: Free Silver and Democracy Will Prevail.

The Populist and Republican county candidates assembled Tuesday at Pikeville, and had mustered all their forces from this city in contemplation of a grand rally. Ever since last Friday at Pinkney this mixed delegation had been roaming the county and speaking at Fremont and Sauls' X Roads, at all of which places there was no crowd and no enthusiasm, and from every source the professed followers of that peculiar political faith had been urged to be present and make some sort of a showing at Pikeville. Secret meetings had been held at night with the colored people and nothing had been left unsaid or undone that would bring the crowd together. The bright rays of the October sun burst forth from over the Eastern horizon, dispelling the gloom of the previous night and tempering the frosty air, and no doubt each candidate was filled with joyous anticipation, until they reached Pikeville. Here they were doomed to disappointment, as had been the case at the precincts where they had appeared on previous days. Notwithstanding the great efforts that had been made to bring the populace together here, at Dr. Person's own home and ranging ground, there had assembled at the principal street corner only a few of the residents in the village (a greater number of whom were Democrats) and a still smaller number from the rural district round about, besides the candidates and Populists and Republicans from this city.

Among the latter was Judge A. T. Grady, a political sumneralist for office, lately a Republican, but who of late years has been consorting in the ranks of the Populist party, and who aspired to secure their nomination as candidate for clerk of the Superior court two years ago, but who only received the magisterial emble by the last Legislature for his vigorous campaign work. In all probability the Populists now have him on probation, and if they see that he can command the votes that he has said he can, they may knock him down a "pim" two years

hence. Be this as it may, Mr. Grady was on hand Tuesday and about half past twelve o'clock mounted a bench in front of a school house some distance down the road from the depot, after several leaders had called quite a while for the crowd to come and "hear some good speaking," but the bulk of the crowd never did go until Mr. M. P. Johnson, Sheriff Scott and other Democrats started in that direction. Mr. Grady mounted the bench, as stated above, and said that he "was the same old coon," only with a Populist ring around his tail. He said he came to thank the people of that precinct for twice giving him handsome majorities when he was running on the Republican ticket for clerk of the Superior Court. He then told the people of the different national parties that were in the field. He called over the Republican, the "GoldBug," Democratic party, the Prohibition party, and the "Free Will Democratic party," as he termed it, but never once mentioned the Populist party, the one he now claims membership with. He said he called the Democrats "Free Wills" because they were in favor of more free things than any party he had ever heard of. He had with him several copies of the old and new election laws and a number of newspaper clippings that he read and read to the crowd until they got tired and sleepy. He read clippings from the DAILY ARGUS about the St. Louis Convention, the Cost of the new Election Law and the Need of a Brass Band for Goldsboro. After delivering himself of his load of hatred and abuse for the Democratic party he begged the people to stand by the Democrats and the Republicans and let the Bryan electors alone.

Mr. W. C. O'Berry, the Republican candidate for the Legislature, announced himself and tried very hard to impress the people with his sincerity. Mr. E. J. Best, the spokesman of Frank Dobson, the candidate for County Commissioner, was on hand again after an absence of two days. In his school boy style he charged the courts with being corrupt. Said that no Populist or Republican had received justice in the courts in ten years when in contest with a Democrat, and yet the oldest Populist in Wayne county is not half ten years old. He said he had seen his colored clients sent to the penitentiary with not a scintilla of evidence against them. Said that Henry King was refused work on the street because he turned traitor to the Democratic party and voted the R-P-Pop ticket and that somebody was discharged from the poor house for doing the same thing. He asked the Populists to support D. L. Russell for Governor, because Gathie could not be elected, and told the truth by a slip of the tongue when he said that Russell would wipe out the institutions of North Carolina. He presented McKinney's claims and told the populists not to vote at all unless they voted for McKinney.

Mr. John L. Mozingo was the next to entertain the crowd. He commenced by preaching the resurrection of "Pat" Exum from the grave into which he was buried by an avalanche of Democratic votes in the year 1892. He quoted from the Scriptures and tried to assume a more dignified manner than is his usual pine stump declamatory style when he spoke of the monument erected to Pat Exum's memory in the shape of a billy goat. His principal theme is "honest" elections and on this he "harps" continually. Dr. "Fox" Person was prevented from using his vile epithets on the leaders of the Democratic party by a gentleman in the audience, by the name of John Forehand, being seized with violent convulsions just as the doctor was beginning his speech. Mr. Forehand was in a critical condition at first, but was soon able to be moved to a neighboring house. Thus ended the R-P-Pop speaking at Pikeville, which the Populists and Republicans have claimed as their strong hold in the county, but which was a show yes-day, with all their previous efforts to insure a crowd. We have endeavored to give as exact a report of this speaking as possible, in order that the people might see just what kind of a flimsy, senseless campaign this fusion combine are carrying on in Wayne county, headed by Frank Dobson, the "old coon" Grady, E. J. Best, Mozingo etc, who are all gold bugs, going to vote for White, a negro for Congress, and yet expect the white people to vote for them.

WORTHY YOUR CONFIDENCE.
The success of Hood's Sarsaparilla in conquering scrofula in whatever way it may manifest itself is vouched for by thousands who were severely afflicted by this prevalent disease, but who now rejoice over a permanent cure by Hood's Sarsaparilla. Scrofula may appear as a humor, or it may attack the glands of the neck, or break out in dreadful running sores on the body or limbs. Attacking the mucous membrane, it may develop into catarrh or lodging in the lungs lead to consumption. Come as it may, a faithful course of treatment with Hood's Sarsaparilla will overcome it, for working upon the foundation of all diseases, impure blood, the system is purified and vitalized, and vigor, strength and health restored to the body.
Rheumatism is a foe which gives no quarter. It torments its victims day and night. Hood's Sarsaparilla purifies the blood and cures the aches and pains of rheumatism.
Hood's Pills are easy to take, easy to take, easy to operate and never induce nausea, headache, etc.

THE LEADING CLOTHING HOUSE OF EASTERN CAROLINA.

Seasonable Dress Goods:

Our entire Fall and Winter stock is now, and has been for several weeks, ready for inspection, criticisms, and purchases of our friends. To those people of Goldsboro who do not consider themselves as friends, we extend an urgent invitation to come and see our new goods. LOOK at them. Don't feel under any obligations to buy. We are glad to have you look.

In Dress Patterns
we have not a single unhand-drawn suit. A few have been sold; but our stock is nearly complete. The variety is bewildering, so have an idea of what you want when you come, so as not to be confused.

In Goods by the Yard
our stock is overflowing. See our Silk and Wool Plaids at 65c and 75c. Plaids and Checks in rough goods, 45c. Home-spuns, Bouclés, in all colors. Plaids are worn more this year than last; and our handsomest piece of dress goods is a bouclé effect, red, blue and black, very wide, at \$1.10.

In Cheap Mixed Goods
we challenge all comers to match our Broadcloths at 25c; and their counterparts at 20c and 10c. Cashmeres in colors are a specialty with us, but we point the bargain seeker to our
All-wool Serges, 36 inch, 25 cents.
This line of Serges represents a lucky purchase of our buyer, who is alive. They represent last year's 50c value, and this year's 37 1/2c value. We have them in most any colors, but an early call is suggested to avoid disappointment. We brag on our Serges.

In Gingham
we carry a full line, and beautiful patterns, especially dark plaids for school children, at 7c and 10c. We can suit everybody in Calico. Good as you want and pretty for 5c. Exquisite patterns at 6c. Lovely patterns of Figured Satines for \$1-2c.

We have tried to outline, roughly, for you our Dress Goods' attractions, but a mere reading of these descriptions will not give a proper idea of the goods described. We would have to have a poet or writer of dreams and visions to do them justice. Be mindful of our honest attempt to please and give you an honest trial.
We have what you want!

Respectfully,
H. Weil & Bros.,
