DR. MOFFETT'S TEETHINA (TEETHING POWDERS)

Rev. J. W. Berry (of Arkansas Methodist Conference, writes): "Enclosed find five cents for which please mail me two packages of 'TEETHINA.' We wonder how we have raised children without it. The other day a lady in Missouri sent us a package and it came at a most opportune time; our babe was in a serious condition; his bowels had been in bad condition for days, and nothing that we gave did any good; the second dose of 'TEETHINA' gave perfect relief and he has had no further trouble. Other members of the family have used it and every dose has been a perfect success."

The splendor falls on castle walls And snowy summits old in story; The long lightshakes across the lakes, And the wild cataract leaps in glory,

Blow, bugle, blow, set the wild echoes flying, Blow, bugle! answer, echoes, dying, dying, dying.

O hark, O hear! how thin and clear, And thinner, clearer, farther going! O sweet and far from cliff and scar The horns of Elfland faintly blowing!

Blow, let us hear the purple glens replying: Blow, bugle! answer, echoes, dying, dying, dying.

O love, they die in you rich sky, They faint on hill or field or river; Our echoes roll from soul to soul, And grow forever and forever.

Blow bugle, blow, set the wild echoes dying; And answer, echoes, answer, dying, dying, dying.

THE PRISONER

Who escapes from jail is by no means free. He is under the ban of the law and punishment is written over against his name.

Soon or late he will be caught again and bear added punishment for his short escape from his cell.

Those who by the use of palliative powders and tablets escape for a time from the sufferings of dyspepsia are in the same condition as the escaped prisoner. Soon or late they will go back to the old condition and pay an added penalty for temporary release.

Dr. Pierce's Golden Medical Discovery cures dyspepsia and other diseases of the stomach and organs of digestion and nutrition. Its cures are lasting.

"I suffered from a very obstinate case of dyspepsia," writes E. E. Seccord, M.D., of 13 Eastern Ave., Toronto, Ontario. "I tried a great number of remedies without success. I finally lost faith in them all. I was so far gone that I could not bear any solid food on my stomach for a long time; felt melancholy and depressed. Could not sleep or follow my occupation (tinsmith). Some four months ago a friend recommended your 'Golden Medical Discovery.' After a week's treatment I had derived so much benefit that I continued the medicine. I have taken three bottles and am convinced it has in my case accomplished a permanent cure. I can conscientiously recommend it to the thousands of dyspeptics throughout the land."

Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for diseases of the stomach, blood and lungs.

'OH THE FOLLY OF IT ALL'

This man actually made himself lame by walking all over the country looking for suitable material with which to build a house. He wanted good lumber, good brick, and good shingles; but his means were limited, and the prices at the mills were beyond his reach until he found A. T. GRIFFIN, who at once proved to him the folly of walking all over the face of the earth trying to find what he desired at reasonable prices. The man got what he wanted and went away wiser, and declared he would know where to go next time.

Mr. Griffin's Brick plant is situated just outside of the city limits, on the Southern Railroad, and his Lumber and Shingle plant is on the banks of Neuse river, near the mouth of Little river. When you need anything in his line, call on him or write your wants to
