Letter to Rev. M. Bradshaw, Goldsboro, N. C.

Dear Sir: Three churches in Baldwinville, have had their first lesson in Devos.

Messrs. Osterhout & Lockwood painted the Presbyterian parsonage; estimated 30 gallons; took 22.

Messrs. Slingerland & Shutter painted the Episcopal church; estimated 40 gallons; took 28.

Some painters painted the Catholic church; estimated 50 gallons; took 39.

Of course, they estimated from what they had been using. The saving in paint and work is about \$4 or \$5 a gallon. Total saving on three jobs \$125 to \$150 - the painting costs two or three times as much as the paint, you know.

Yours truly,
F. W. DEVOR & Co.,

Letters from Women

Cured by the use of Kodol are received daily. Their troubles nearly all begin with indigestion or other stomach disorder.

If the food you eat fails to give strength to your body, it is because the juices secreted by the stomach and digestive organs are inadequate to transform the nutrient properties of the food into blood. That is indigestion. The system is deprived of the amount of nourishment required to keep up the strength, and the result is that one or more of the delicate organs gradually grows weak, and then weaker, until finally it is diseased. Here a great mistake is made. That of treating the diseased organ. The best doctors in the land make this very mistake. Why should they? It is so easy to see that the trouble is not there.

Kodol Cures

This famous remedy puts the stomach and digestive organs in a healthy condition so that rich, red blood is sent coursing through the veins and arteries of every muscle, tissue and fiber throughout every organ of the entire body, and by Nature's law of health, full strength and vigor is soon restored to each.

Kodol cures indigestion, dyspepsia and all stomach disorders.

I have taken Kodol for nearly two months after each meal and it is the only remedy that gave relief from the terrible pains I endured. After a time I would take it but once a day, and now, while I keep a bottle handy, I seldom need it, as it has cured me. Mrs. J. W. Cogswell, Milo Center, N. Y.

'OH THE POLLY OF IT ALL'

This man actually made himself lame by walking all over the country looking for suitable material with which to build a house. He wanted good lumber, good brick, and good shingles; but his means were limited, and the prices at the mills were beyond his reach until he found A. T. GRIFFIN, who at once proved to him the folly of walking all over the face of the earth trying to find what he desired at reasonable prices. The man got what he wanted and went away wiser, and declared he would know where to go next time.

Mr. Griffin's Brick plant is situated just outside of the city limits, on the Southern Railroad, and his Lumber and Shingle plant is on the banks of Neuse river, near the mouth of Little river. When you need anything in his line, call on him or write your wants to

TEETHINA

(TEETHING POWDERS)

Rev. J. W. Berry (of Arkansas Methodist Conference, writes): "Enclosed find fifty cents for which please mail me two packages of 'TEETHINA.' I wonder how we have raised children without it. The other day a lady in Missouri sent me a package and it came at a most opportune time; our babe was in a serious condition. The teething had been in bad condition for days, and nothing that we gave did any good; the second dose of 'TEETHINA' gave perfect relief, and in ten days had no further trouble. Other members of the family have used it and every dose has been a perfect success."
