Republican Territorial Convention.

HEADQUARTERS REPUBLICAN TERRITORIAL CENTRAL COMMITTEE.

TUCSON, ARIZONA, August 22, 1900.

TO THE REPUBLICAN PARTY OF ARIZONA:

A convention of delegates of the Republican party of the Territory of Arizona is hereby called to meet in the City of Phoenix, at 10 o'clock a. m., on September 24, 1900, for the following purposes:

1st. The nomination of a delegate to Congress.

2d. The selection of a Territorial Republican Central Committee.

3d. The transaction of such other business as may properly come before it.

The basis of representation will be one delegate for each fifty votes and for every fraction of votes over twenty five cast for Hon. Alex. O. Brodie for Delegate to Congress in November, 1898; therefore, the representation will be as follows:

All railroads have been asked to make a reduced rate for this convention and if no such rate is in force when delegates leave for the convention they should take receipts for money paid and the matter can probably be arranged at Phoenix for returning free.

A full attendance of delegates is earnestly desired, as well as the presence of representative Republicans from every part of the Territory.

CHAS. R. DRAKE,

J. KNOX CORBETT, Chairman.
Secretary.

The election board for the primaries last Saturday are dubbed "The Priest Monte" Election Board.

The fine work of the new political boss, the Mark Hanna of Yuma—in other words, the smooth and smiling Ira Smith, was very much in evidence at the primaries last Saturday.

The suggestion made by the SENTINEL regarding territorial officials meddling in local politics does not appear to have curbed the activity of said

officials in that line, judging by scenes and incidents at the primaries last Saturday.

During the month of August the highest temperature reached in Yuma was 106, on the 1st. That was the hottest day in Phoenix also—being one degree higher there than in Yuma. The mean temperature for the month in Yuma was 85.2; in Phoenix, 86.2. The SENTINEL gives this information for the benefit of the Phoenix humorists who are wont to designate Yuma and Hades as synonymous terms.

Has Left the Old Party.

Col. Geo. W. Norton was once a democrat; that was prior to the Kansas city convention. The Colonel couldn't "go" the platform. He couldn't stand for Bryanism, and so, he is now a Republican from top to bottom. He says he is, in plain terms, and those who know him will know that he means what he says, and generally says what he means. Col. Norton was complimented last Saturday by his fellow Republicans electing him a delegate to the county convention.

DEMOCRATIC CONVENTION.

Split in Two—Smith and Wilson Both Nominated for Delegate to Congress.

The assemblage of Arizona Democracy, which gathered at Phoenix last Wednesday for the purpose of nominating a delegate to Congress resulted in a complete and irreparable division of the party, and the nomination of two candidates—Smith and Wilson.

It could hardly be called a convention. A mob of excited and crazed men wrangling, quarrelling, and split into factions, each striving for supremacy, and the whole in charge of the sheriff and city police force, who tried in vain to preserve order and decency could not be properly termed a convention.

No claret was shed, but tons of "bad blood" was engendered, rendering the election of a democratic delegate among the impossibilities.

The decision as to which is the regular democratic nominee—Mark Smith or Col. Wilson—will be rendered by the courts.

This rending of the party of Bryan leaves a clear and open way for republicans to elect their candidate for delegate; but members of the party should not take any chances to lose though over confidence. A good, clean, able man, is sure to be elected.

With the next issue, Sept. 26, the SENTINEL will resume its normal size and shape, and from that date on we will not be compelled to abbreviate news and other matters of more or less importance, which has been necessary since the fire which destroyed the SENTINEL plant. We now have a complete new plant, the very best printing material, and in a short time will be able to do up-to-date job work at satisfactory prices. The presses are now on the road and will be here next week, when we will be in the field for your job work.

Republican Primaries.

The Republicans of Yuma held their primaries to elect delegates to the county convention, last Saturday.

There was considerable good-natured "scrapping" between the two factions, each having a ticket in the field. The "prison" ticket under the good generalship of Assistant Supt. Ira Smith, won by a healthy majority.

The delegates elected are as follows: D. C. Rose, C. C. Dyer, V. R. Lantz, Andy Greer, Cash Smith, James Graham, Paul Moretti, Robert Tapia, W. H. Lyon, Miles, Archibald, L. C. Stahl,

B. L. Meeden, Geo. M. Thurlow, Ira P. Smith, Alex. Balsz, Geo. Bean, R. S. Hatch.

HON. JOHN DOAN.

One of the ablest (and one of the few honest) members of the last legislature, as well as one of the best known men throughout the territory, is the Hon. John Doan of Fortuna. Mr. Doan is a candidate for re-election, and the announcement of his candidacy for the nomination as assemblyman appears elsewhere. He is a man of unblemished reputation and character. Although a member of the most corrupt and incompetent legislature ever convened in Arizona, the name of Mr. Doan escaped untarnished, and his bitter fight against the iniquitous poll tax law, proved his interest and desire for equal rights and welfare of the common people. If nominated he will be elected, and will serve his constituents well and honorably.

Geo. Martin came over from Tucson to participate in the celebration.

Jim Redondo has gone to Magdalena and Altare, Sonora, on business connected with his father's estate.

Mrs. L. J. F. Jaeger, wife of the proprietor of the famous S. P. hotel, returned from a visit to Los Angeles last Sunday night.

Sheriff Speese started on a trip yesterday up the Gila, across the Harqua Hala and around by Tyson's Wells, to summon jurors and witnesses for the term of district court which convenes October 5.

Mrs. Mead arrived Sunday night from San Francisco to oversee the finishing touches on her new building being put up on the site of the one destroyed by fire. The new building will be larger and better than the old one.

The Arizona Bakery is now located at the corner of Gila and First streets. Edward Nelson, the proprietor, is a good practical baker and the products of his bakery are of the choicest quality, consequently deservedly popular. Mr. Edwards' corrected advertisement will appear next week.

Hon. M. J. Nugent returned from Phoenix Sunday morning. He was a delegate to the democratic convention. Mike says it was about the warmest one he ever attended. He was a Smith delegate, and of course thinks his man will be decided the legal nominee and get the place on the regular democratic ballot.

A Mexican named E. Ortiz went to Judge Thurlow Monday morning and endeavored to have a warrant issued for some party that had cut him with a knife the night before. He was down in the tenderloin district, drunk, and got cut in the arm, but by whom he couldn't tell. The wound is not serious. No arrest was made.

We notice by the San Francisco papers that Mrs. Alice M. Farmer, with a number of other lady teachers, has gone to the Philippine Islands to take charge of schools there. Mrs. Farmer is well known in Yuma, having lived here when a little girl. She will be better remembered by the older residents as little May Cofer. She taught a term of school at Mohawk three years ago.

The large mercantile establishment of E. F. Sanguinetti will in a short time move from the present quarters—which have become cramped and inadequate for the large and increasing business—to the splendid new Gandolfo building, corner of 2nd and Main streets. The room to be occupied is one of the finest and largest in Arizona. It is 128x150 feet in dimensions, finished in a first-class manner, and will doubtless meet the requirements of the big store for many prosperous years to come.

THE ROCK ISLAND

Will Extend Its Line to Yuma and on to the Coast.

From what seems to be good and reliable authority comes the news that the Rock Island railroad company will most likely extend its line to the coast, with San Diego as the southern terminal, in the near future.

The main line of the Rock Island now stops at Liberal, in the southwest corner of Kansas. Last year a new line of road was completed from El Paso northward to El Capitan, in the coal fields of New Mexico. The Rock Island is now extending from Liberal to El Capitan in order to make connections with this new line and so reach the growing city of El Paso, junction of the great through lines of Mexico. This is the first link toward bringing the road coastward. The next link is the line now being constructed from Bisbee to El Paso.

These lines completed will bring the Rock Island System to Arizona. From Bisbee the line will be extended westward to Yuma, and then, sooner or later, on to San Diego.

The above information comes from high authority in railroad matters, and if the plans as outlined, are carried out will be of very great importance to Arizona as well as to southern California.

\$50.00 Reward.

Sheriff Speese has offered a personal reward of \$50.00 for the apprehension of Guillermo Lisalda, the Mexican who murdered his mistress in the Rincon district last Wednesday, but up to date the reward has not been claimed. Several clues have been investigated by the sheriff, but none to a successful conclusion, although there is not much doubt of his eventual capture—as the sheriff and deputies are making an intelligent and determined effort to bring Lisalda to justice for his terrible crime.

Deputy McPhaul Sunday night went to a Mexican camp down the river seven or eight miles, as a report had reached the sheriff's office that a man answering Lisalda's description had got something to eat there and soon after disappeared.

The Citizen, published at Flint, Mich. publishes from time to time extracts from its files of thirty-five years ago. In an issue of recent date is a mention of some of the army experiences of our city marshal, George Miles, written evidently by a comrade in the service, who tells of George having been taken prisoner at Lafayette, Ga., in 1864. The item calls up some unpleasant recollections to Mr. Miles of time served in Andersonville prison.

The SENTINEL was honored yesterday by a call from Mrs. Ada B. Millican, one of the teachers at the Yuma Indian school. Mrs. Millican is an able correspondent of several eastern newspapers and magazines and is a bright and intelligent lady.
