TO DANCE AND YET BE PRUDENT.

Be very careful not to pull down your shirt sleeves, or up your collar, or, in fact, do anything to your costume as you enter the ball-room. It implies a want of neatness and with yourself to do so, and your one great endeavor in all societies should be to appear thoroughly at your ease, and satisfied, without vanity or coyness, with your dress and appearance. Do not stand idle, but do not be too much of a show. Be in good company, and with your friends, and keep that constant look out all around you, and you will not be disappointed. There is no necessity to advertise to bystanders that you did not know them before. Never talk much to a woman you have only just made the acquaintance of, nor eagerly. She may be allowed to suppose you wished to know her, but not that her acquaintance is any particular acquisition to you. Above all things, dear boy, I entreat you, not to start in the doorway, nor bawl with other men upon the landing. It is simply advertising yourself a failure. To yourself to the varied walk-dance, gossip with the dowdiest mother, dance with the most disappointed of the maidenhood, rather than sink to the level of the commoners comprises a very large subject, rather array of subjects. To know how to sit in corners well and prudently requires a vast experience and a steady hand; so, until you have much extended your knowledge of humanity, I would recommend you to avoid that most agreeable of half-going. It is not for a novice at once to penetrate to the inner depths of the conversation, and I shall therefore put off my advice on this subject until I come in a future letter to the great subject of flirting, which, of course, comprises the art of sitting in corners.—London Society.

Walker House.
HAVING THIS DAY PURCHASED THE two best hotels in Salt Lake City, of the Walker House, we deem it unnecessary to say anything in its behalf, its splendid design and elegant equipment being so well known to the public.
The CLIFT HOUSE, though not so well known as the Walker House—having been open but a few weeks—its first-class in all its appointments, the building being new and the furniture of the most fashionable and elegant style. The location of this house is central and commands a splendid view of the lake and ever snow-capped mountains and surrounding country. Its local reputation is superior to that of any other house in the city.
With the above facilities at our command we feel assured of guaranteeing satisfaction to all. Respectfully, etc.,

To the Unfortunate.
NEW REMEDIES! NEW REMEDIES!
DR. GIBBON'S DISPENSARY,
No. 623 Kearny Street, Col-
NEB COMMERCIAL, SAN FRANCISCO.
Private citizens on consultation agree.
Established in 1854, for the treatment of Sexual and Seminal Disease, such as Gonorrhoea, Gleet, Stricture, Syphilis in all its forms, Seminal Weakness, Impotency, etc., etc. Skin diseases of years standing, and Ulcerated Legs, etc., successfully treated.
DR. GIBBON has the pleasure of announcing that he has returned from visiting the principal Hospitals of Europe, and has resumed practice. The Doctor has spared neither time nor money in seeking out new remedies, and has returned with increased facilities for alleviating human suffering.
Seminal Weakness.
Seminal emission is a consequence of self-abuse. This morbid, vice, or depraved sexual indulgence, is practiced by the youth of both sexes to an almost unlimited extent, producing with certainty the following train of morbid symptoms, unless counteracted by scientific medical measures, viz: Sallow countenance, dark spots under the eyes, pain in the head, ringing in the ears, noise like the rustling of leaves or rattling of chariots, uneasiness about the loins, weakness of the limbs, confused vision, blunted intellect, loss of confidence, diffidence in approaching strangers, a dislike to form new acquaintances, a disposition to shun society, loss of memory, pimples and various eruptions about the face, hectic fevers, hurried language, fond broods, cough, consumption, night sweats, monomania and frequently insanity. If relief be not obtained, you should apply immediately, either in person, by letter, and have a cure effected by his new and scientific mode of treating disease, which never fails of effecting a quick and radical cure.
Cured at Home.
Persons at a distance may be CURED AT HOME, by addressing a letter to Dr. Gibbon, stating case, symptoms, length of time the disease has continued, and have medicine promptly forwarded, free from damage and curiosity, to any part of the country, with full and plain directions for use.
Persons writing to the Doctor will please state the name of the paper they see this advertisement in.
By enclosing \$10 in coin in a registered letter through the Post-Office, containing Wells, Fargo & Co.'s package of medicine will be forwarded to you immediately.
All communications strictly confidential.
Address, DR. J. F. GIBBON,
623-11, Kearny Street, San Francisco, Cal.
