Local Intelligence.

Large Country. Orders were filled yesterday by our wholesale merchants. We noticed. Large receipts of hides yesterday. The prices are still good. Cotton. Sold on a basis of 10 1/2c. to 11c. gold, for good ordinary.

The Open Air. Juveniles had a little row yesterday. One of our Waco gamblers supplanted a former athlete of the "Open Air Store," and the supplanter took exception to the arrangement, and cursed and abused No. 2 until forbearance ceased to be a virtue, upon which same No. 2 seized a piece of rough plank and went to phrenologizing upon No. 1's head in a way that was peculiar, to say the least of it.

Personal. Yesterday we had the pleasure of meeting in our city Mr. W. T. Claunch and Mr. Wm. Snell, of Hamilton county. Mr. Claunch states that many new settlers have come in this winter, and that much new land is being planted. Also that the wheat crop is exceedingly promising.

Mr. D. A. Hynum, of Washington, Ind., is at present in this city, and is very much pleased with appearances. We are informed that it is his intention to settle among us.

A Shooting Affray. Occurred yesterday about ten miles from this city, on the Dallas road, in which two brothers named respectively Bud and Crawford Weaver and a man named A. M. Davis were concerned. Davis received a painful, though not a dangerous wound in the leg.

Many People. Have inquired of us the nature and use of that large piece of machinery being erected in the courthouse yard, supposing it to be a gallow, or something of the kind. It is a "specimen number" of Leonard's new improved cotton press, and perfectly harmless.

Conductor Murphy. Took out a large train load of Mardi Gras people Monday morning, as "green as grass." We saw the good natured prizes of Waldron and Bob Ross, thrust through the windows, and concluded that mischief was in the wind.

KEROSENE OIL. Pratt's Radiant Oil in quantities to suit purchasers, at wholesale or retail, at MARSHALL & EARLY'S.

THROW NOT PEOPLE'S FAULTS. In their teeth, for there are few teeth that have not faults of their own. There is but one way to preserve them without spot or blemish, and that is by the daily use of the best dentifrice in existence, fragrant, Sodont, cool, refreshing and agreeable.

CHOICE SEED POTATOES. Early Rose, Early Goodrich, Peerless, Russels, Jackson Whites. Two hundred barrels of the above varieties now arriving at MARSHALL & EARLY'S, Cor. 3d & Franklin Sts.

PATRONIZE. Home manufacture, especially when it is cheaper and better.

Pratt's Astral Oil. Absolutely safe. Perfectly odorless. Always uniform. Illuminating qualities superior to gas. Burns in any lamp without danger of exploding or taking fire.

Millions of gallons have been sold and no accident—directly or indirectly—has ever occurred from burning, storing or handling it. The immense yearly loss to life and property, resulting from the use of cheap and dangerous oils in the United States is appalling.

The Insurance Companies and Fire Commissioners throughout the country recommend ASTRAL as the best safeguard when lamps are used. Send for circular. For sale at retail by the trade generally, and at wholesale by the proprietors, CHAS. PRATT & CO., 108 Fulton Street, New York, aug27d&w6m.
