

PATRONS OF HUSBANDRY.

The Executive Committee Re-elected - Action in Regard to Grangers' Wives - A Co-operative System Adopted - Transportation Tariffs, Education discussed.

EIGHTH DAY - MORNING SESSION.

The Grange was called to order at 9 o'clock, the Worthy Overseer in the chair. The opening exercises, reading the journal, etc., consumed the time until 9:50, the hour fixed on yesterday for the election of a member of the Executive Committee.

Mr. Chase, from the Committee on Constitution and By-Laws, reported that the committee had carefully considered all the proposed amendments referred to them, and deemed it inexpedient at this time to legislate upon the subject.

Mr. Lang, of Texas, moved as a substitute for the report the resolutions offered by him, as follows: "Sixth degree (Flora), composed of representatives and their wives who have taken the degree of Pomona, and who have been elected by their several State Granges, and the officers and members of the Executive Committee of the National Grange."

A SPEECH OF FORCE

and power, full of argument and illustration, he urged the adoption of his resolution. Other speeches were made, and the vote taken on the substitute by yeas and nays. It was defeated by the following vote: Nays, 32; yeas, 15.

COOPERATION.

Dr. Blanton, from the committee on this subject, made report. The committee state that this is one of the most important questions now affecting the Patrons of the country. In order to succeed it requires the aid of all.
