### FOREIGN.

#### FINANCIAL TROUBLES.

LONDON, May 19.—Private telegrams from Buenos Ayres announce that the national bank known here as the provincial bank of Buenos Ayres has suspended specie payments and numerous failures, including that of a private bank, have occurred. Argentine bonds fell heavily in consequence.

#### HIS ROYAL HIGHNESS.

To-day having been named by prince of Wales for his visit to the city of London after his return from India, the most elaborate preparations have been made for his entertainment. Stock exchange is closed and a banquet will take place this evening. There will be five hundred guests at the banquet. Five thousand at the ball at Guild hall, which is to be the scene of the festivities has been magnificently decorated. Nearly all the princes and princesses of the royal family, Disraeli and the other ministers of the government, and all great officers of the state, will be present.

#### SUSPENDED.

LIVERPOOL, May 19.—M. and A. Fachrie's large Greek cotton house has suspended. Liabilities unknown.

### WASHINGTON.

WASHINGTON, May 19.—B. H. Campbell, U. S. marshal for the northern district of Illinois, testified before the civil service committee to-day. His testimony was almost precisely the same as his recent letter to Miss Sweet.

#### NOT WORTHY OF SPECIAL NOTICE.

Senator Booth says he will pay no attention to his nomination for Vice President, not considering it worthy of special notice. The only points of accord with the convention which nominated him are that U. S. legal tender notes should be a substitute for all national bank notes, and that the easiest way to bring them up to the gold standard and provide for the redemption of the same is through the interconvertible 3 65 bond system.

#### IMPROPER AND INCOMPATIBLE.

The house committee on foreign affairs have not yet finally acted on the report of the sub-committee affecting Gen. Schenck, but the members are agreed that while he was not himself guilty of intentional wrong, he was a party with others in a speculative enterprise which resulted in great loss to British subjects, and that his becoming a director in the Emma Mine Co. was altogether improper and incompatible with his position as American minister.

#### FRAUDULENT PAY ROLLS.

In the Louisiana custom house investigation to-day, G. W. Ferguson refused to testify about fraudulent pay rolls, lest he criminate himself, but subsequently admitted seeing money drawn on fraudulent pay rolls.

#### FREEDMEN'S BANK.

The committee investigating the affairs of the Freedmen's Bank, in the report, set forth the evil doings of those, who, in effect, robbed the bank, and recommend they be indicted, and punished to the full extent of the law.

#### FOREIGN COMPLICATIONS.

A private telegram was read in the cabinet to-day, stating that Matamo-

ras had been turned over to the German and American consuls.

The Derby note was read and discussed considerably. Secretary Fish will make a reply.

The conversation to-day indicated very clearly that the duty of this government lies in the abrogation of our extradition treaty with Great Britain. This depends upon the British note in reply to the next dispatch from secretary of state to Earl Derby.

A telegram was read from General Augur to Gen. Sheridan mentioning the report of the instructions of Gen. Sherman and further saying that troops are already instructed to prevent open violence and as far as possible to afford protection to all requiring it.

Bacon, at Bayou Sara, telegraphs this morning that disturbances are over. They were mostly in Mississippi.

Secretary Bristow was detained at home by sickness and the treasury department was represented at the meeting by assistant secretary Conant. With this exception all the members were present.

#### Indians and Indian Expeditions.

FT. LARAMIE, May 19.—General Crook left Ft. Laramie Thursday afternoon for Ft. Fetterman, where the troops rendezvous a week from tomorrow. A part of the expedition at Ft. Russell leaves to-morrow morning for the north.

BISMARCK, D. T. May 19.—General Terry left Thursday morning with the expedition against Sitting Bull. He will proceed up the Yellowstone river, and will probably meet General Crook's expedition, which leaves Ft. Fetterman in a few days.

FT. LARAMIE, May 19.—Eighty lodges in all have left Red Cloud on the war path. Ten lodges left a few days ago, right in the face of the agent and in spite of his remonstrance. Two of the principal chiefs, No Water and Little Big Man, went with these guerrillas. All of the horses and mules belonging to the government that were in charge of the agent have been run off. General Crook had several talks with the Indians at both Red Cloud and Spotted Tail agencies, but met with no success in engaging any as scouts. They positively refused.

CHEYENNE, W. T. May 19.—General Crook's visit to Red Cloud agency to secure the services of Ogalalla scouts for field duty in the coming campaign against Sitting Bull has been unsuccessful. The Indians were at first apparently willing to act as scouts and guides, but finally refused.

Highly Interesting About Lard.  
NEW YORK, May 19.—The committee on information and statistics of the Produce Exchange have investigated the circumstances attending the posting of the stock of lard on the bulletin of the exchange, May 12th, over the signature of Goulard, Perse Boatwiche, and report that that firm were not the compilers of the report of the stock of lard, or responsible for its publication, but that Samuel Wallace gave the figures to Wm. Walker, statistician of the exchange, who is censurable for posting on the bulletin boards the report, without ascertaining its genuineness. The report also censures Mr. Walker for not suppressing the statement in the Produce Exchange weekly and for not promptly notifying the Cincinnati chamber of commerce that he had covered that the report of the stock was incorrect. The account of the stock of lard in New York May 12th, shows 53,900 tierce, and not 70,000 as posted.

False and Malicious.  
CHICAGO, May 19.—To the editor of the Chicago Journal: Charges and insinuations in different forms having been made in some of the newspapers of the state implicating me in some manner with the alleged defalcation of John T. Harper, and also with the whisky frauds at Pekin, I desire to brand all such charges and insinuations as false and calumnious, and to assure my friends that they need have no apprehensions that any creditable evidence can or ever will be produced showing any culpable connection in my part with any of these transactions.

S. M. CULLOM.

Munn's Case.  
CHICAGO, May 19.—In the Munn whisky trial to-day several witnesses were introduced, who contradicted Rhem in several particulars, and testified to the good character of the defendant. The defense rested its case, and the court took a recess till afternoon.

Base Ball.  
CHICAGO, May 19.—Base ball: St. Louis, 4; Chicago, 1.  
HARTFORD, May 19.—Base ball: Hartford, 12; Boston, 2.

### CRIME.

#### FATALEY SHOT.

OMAHA, May 19.—David Anderson, one of the oldest settlers, near Columbus, Neb., was shot this morning on his farm by a neighbor, John McPherson. The shot lodged in his bowels. There are no hopes of his recovery. There appears to be an old grudge between these men.

#### TEXAS HIGHWAYMEN.

GALVESTON, May 19.—Another daring stage robbery has occurred on the El Paso line. One stage and two hacks full of passengers were stopped by three highwaymen on the open prairie, 16 miles west of Dallas. Before finishing their work another hack full of passengers came up. On being ordered to stop the driver put the whip to his horses and escaped. Several shots were fired by the robbers, and one of them followed the hack some distance. The fire was returned by the passengers, but no one was hurt. As soon as the robbers secured the booty, which amounted to \$7,000, they shot their own horses, mounted the best ones on the stage, and rode toward the Indian stage.

### Religious.

#### THE METHODISTS.

BALTIMORE, May 19.—In the Methodist conference to-day Gen. Fisk, from the committee to which was referred the communication from the Methodist church of the south, presented a resolution that in order to remove all obstacles to forward fraternity between the two churches the board of bishops be directed to appoint a committee of three ministers and two laymen to meet a similar committee authorized by the M. E. church south and adjust all difficulties. Adopted.

J. W. Reid, of Mich., was elected corresponding missionary secretary. Bishop Cummings of the Reformed Episcopal church, was warmly welcomed and delivered an eloquent address, saying all he was, he owed to Methodism. At the conclusion of his address there was prolonged applause and a resolution was adopted that a fraternal messenger be sent to the Reformed church.

#### THE PRESBYTERIANS IN COUNCIL.

NEW YORK, May 19.—In the Presbyterian general assembly routine business was transacted. Rev. Dr. Prince offered a resolution approving the cause of the Philadelphia exhibition managers in closing its gates on Sunday. It was adopted and a committee of thirteen was appointed to go to Philadelphia and present them to the commissioners.  
Rev. Dr. Adams read a report from the reform church. A committee was appointed at the last assembly to confer with a similar committee of the general synod of the reformed church in regard to the union of the two churches. He said they had come to no conclusion, although they were friendly disposed. The committee was therefore discharged.

### MISCELLANEOUS.

#### POLITICAL.

CHICAGO, May 19.—At a caucus of the city delegates to the republican county convention to-morrow, it was decided to send the delegation to the state convention uninstructed as to whom they should support for governor.

#### ANSWER FILED.

Osterbury to day filed his answer to the suits of Miss Jessie M. Hooper and others in the U. S. court here against him as bondholder's trustee of the Rockford, Rock Island and St. Louis railroad.

CINCINNATI, May 19.—The Enquirer Carlisle, Ky., special says: The north bound train on the Mayaville and Lexington railroad broke through a bridge near Miller-burg to-day, wrecking one passenger car and baggage car. Fourteen passengers were injured, some severely.

#### WHISKY SUITS.

ST. LOUIS, May 19.—Two civil suits against the sureties of James Busby, one of the whisky ring distillers, were concluded to-day in the U. S. district court, the jury bringing in a verdict in each case for the full amount of the bonds, \$70,000.

### CONGRESSIONAL.

#### An Effort to Get Singleton on the Record.

#### Mr. Willis Proposes to Abolish All the Navy Yards But Three.

#### Mr. Whitehorn Also Has a Spell of Economy.

#### Secret Impeachment Session in the Senate.

#### A Resolution for the Final Adjournment of Congress.

WASHINGTON, May 19.—After the introduction of several bills and petitions, the senate closed its doors and resumed the impeachment trial.

At 4:15 the doors re-opened and legislative business was resumed. The chair laid before the senate a communication from the secretary of treasury enclosing the report of the directors of the mint, in answer to the senate resolution, showing the annual production of gold and silver in the U. S. from 1845 to 1875 inclusive, and an estimate of the product of other countries. Ordered printed and to lie on the table.

After a brief executive session the senate adjourned.

#### House.

An effort was made to have inserted in the record a personal allusion of Singleton to General Garfield on Wednesday in the debate, which had been stricken out at the instance of Mr. Lamar. A motion of Mr. Raudall to lay the matter over on the table was carried.

This house then went into committee of the whole, Mr. Clymer in the chair, on the naval appropriation bill and was addressed by Mr. Willis on the navy yard system and in favor of abolishing all navy yards, except those of Brooklyn, Norfolk and Mare Island.

Mr. Whitehorn, chairman of the naval committee, addressed the committee in favor of various measures of reform and economy reported from that committee.

Mr. Blunt, the member of the committee on appropriation, who has charge of the bill, congratulated the house on the fact that this measure of the committee had met with the sanction of every member of the committee and he complimented the secretary of the navy on his cooperation with the committee. This bill made a reduction of about 44 millions as compared with the naval appropriations for the current year and he gave notice that he would ask for a still further reductions in the bill. The committee rose and the house took a recess till 7:30, the evening session to be for debate on the naval appropriation bill, with the understanding that all general debate on the bill shall be closed this evening.

#### EVENING SESSION.

At the evening session of the house, several speeches were made in reference to abolishing the navy yards and Wallace of Pennsylvania spoke upon financial questions.

#### Adjourned.

#### FINAL ADJOURNMENT.

The chairman of the committee on ways and means offered a resolution for final adjournment of this session of congress at four o'clock June 12th. Referred.
