Volume 3.

YANKTON, DAKOTA TERRITORY, WEDNESDAY EVENING, OCTOBER 3, 1877.

Number 136.

PROSPECTUS FOR 1878.

THE WEEKLY Press and Dakotian

FIFTEEN MONTHS FOR \$2.00.

The WEEKLY PRESS and DAKOTIAN, published at Yankton, Dakota, by Bowen & Kingsbury, is the largest and oldest newspaper in the territory. It furnishes to readers an average of THIRTY COLUMNS OF READING MATTER in each issue, making an aggregate of FIFTEEN HUNDRED AND SIXTY COLUMNS in one year, all of which will be furnished to subscribers for TWO DOLLARS.

Its news columns contain the freshest information from all parts of the world, being made up from the telegraphic dispatches published in the Daily Press and Dakotian.

Its miscellaneous department contains carefully selected articles upon current topics, always interesting and full of instruction.

The Press and Dakotian makes a specialty of LOCAL AND TERRITORIAL information, and in this particular is the best news medium in the whole northwest. This feature, besides making it of great interest to our own people, renders it an exceedingly valuable source of information for people residing in the States.

Recognizing the fact that the people of the east are in search of all the information they can obtain regarding the resources of the new west, the publishers of the Press and Dakotian make a specialty of gathering together and putting in presentable shape everything pertaining to the territory of Dakota.

With these for its prominent features, and with all the lesser requirements of journalism faithfully observed, we feel that we can recommend our paper as a representative journal of the capital of the most important agricultural and mineral territory in the west.

For the purpose of still further extending the circulation of our weekly edition we make this offer: To every subscriber paying two dollars in advance, we will send a copy of the Weekly Press and Dakotian during the balance of the year 1877, and during the whole of the year 1878—FIFTEEN MONTHS FOR TWO DOLLARS, which is the usual price for a year's subscription.

Insurrectionists are Bothing the Russian Forces in Asia.

Basha Bazouks Concentrating to Recapture Montenegrin Territory.

A Magnificent Railroad Swindle Develops in London.

London, Oct. 3.—The inaction of the Russian armies in Asia is explained by an official dispatch from St. Petersburg, announcing that an insurrection started in the central districts of Daghestan, about the 12th of September. It gradually spread until all central and southern Daghestan, including the coast districts were involved.

On the 23d and 24th the Russians attacked the main body of the insurgents, 6,000 strong, and defeated and dispersed them. It is now believed that the insurgents will not give further trouble.

Ragusa, Oct. 3.—Two thousand Bashi Bazouks and 2,000 cavalry have arrived at Mostar, Herzegovina, where a force of 10,000 is concentrating to recover the territory conquered by the Montenegrins.

A DISHONEST SPECULATION.
London, Oct. 3.—A correspondent writes that the Midland railroad has been defrauded in a gigantic and astonishing manner by some of its officers holding positions of responsibility in whom the utmost confidence was placed. The principal means by which the company has been defrauded was by persons erecting private dwellings and other buildings, both for themselves and others, with material and men belonging to the company. Several delinquents are, it is said, in prison and others will be arrested shortly.

OBITUARY.
London, Oct. 3.—Madame Teresa Titiens was attacked last evening with difficult breathing and faintness. She rallied and appeared better until 2 o'clock this morning, when she died peacefully.

AN UNSUCCESSFUL OPERATION.
Paris, Oct. 3.—Jules Simon is suffering from a carbuncle operation which resulted unfavorably. His condition is precarious.

FOR THE UNITED STATES.
London, Sept. 3.—One hundred and seventy thousand of 500,000 pounds withdrawn from the bank of England, is for the United States.

The Hartford, Conn., democrats elected their entire ticket Monday by majorities ranging from 250 to 500. There are charges of extensive fraud in several wards. The vote in the state on the two constitutional amendments was light, but both were probably carried. The first prohibits extra compensation for public officers and the second prohibits town aid to railroads.

POLITICAL.

AT ALBANY.

Albany, N. Y., Oct. 3.—The democratic state convention met today, D. B. Hill, temporary chairman.

A long and hot debate took place upon the question whether the chairman or the convention should appoint a committee on claims of contesting delegates. The chairman is understood to favor the old ticket, and be adverse to the tammany, which advocates the new ticket, hence the struggle.

New York, Oct. 3.—The republican state committee elected Jno. F. Smythe, of Albany, chairman.

AT DENVER.

Denver, Oct. 3.—Returns from yesterday's election of this state are very tardy and meagre. Stone, for judge of the supreme court, the nominee of both parties, was elected without opposition. No other nominees on the state ticket. The woman suffrage arrangement was defeated in Denver. The republicans elected Styles, mayor, by thirty-one majority, and all else excepting one alderman in the fifth ward, and coroners.

AT ST. LOUIS.

St. Louis, Oct. 3.—Returns of the election of yesterday for members of the public school board is not yet completed. But indications are that six democrats, eleven republicans, six independents and five workmen are elected.

St. Louis, Oct. 3.—The state greenback convention met at Washington Hall this noon, and after listening to a speech by Britton Hill of this city, adjourned till 2 o'clock.

MISCELLANEOUS.

THE KEOKUK CANAL.

Keokuk, October, 3.—A conference was held here to-day by the leading members of the St. Louis chamber of commerce, and Mayor Stickney, engineer in charge of the Keokuk canal to see if some arrangements could be made to avoid the closing of the canal on account of the mitresill of the lower gates of the lower lock. Commodore Davidson, president of the Keokuk Northern line packet company wished to run his boats from above in the lower lock, and transfer from there over the banks of the canal to the steamers in the river. Mayor Stickney demonstrated the impracticability of this course and the navigation of the upper river may be considered closed for the season.

OBITUARY.

Newark, N. J., October, 3.—Arch Bishop Bayley died at ten fifty o'clock to-day. A solemn mass of requiem will be celebrated in the cathedral Friday morning by Bishop Corrigan, after which the remains will be taken to Baltimore in a special car. In that city, the funeral services will take place Tuesday next. Bishop Foley, of Chicago, will preach the sermon.

PORK PACKERS CONVENTION.

Keokuk, Oct. 3.—The national pork packers convention assembled here this morning. Thirty delegates, representing some of the largest firms in the union were present. In addition to Keokuk packers, the representation considered an average of one and as large as at Indianapolis last year. The morning session was taken up by an address of welcome delivered by Mayor Hon. John N. Ervin and the appointment of commissions on permanent organization, adjourned till 2:30 p. m.

ACCIDENT.

Boston, Oct. 3.—Louis Liberty, William Price and two of his brothers drowned by the capsizing of a boat.

THE EPISCOPAL CONVENTION.

The triennial convention of the Episcopal Church of the United States opened this morning at Trinity Church. Four clergymen and four laymen from each of the forty-five dioceses of the country were present. Mr. Bishop Williams, of the convention, preached the sermon. There are two bodies in the convention, the house of bishops, 58 in number, Bishop Smith presiding, and the house of clerical and lay. The deputies of the former meet in the Trinity Chapel and the sessions are to be private; the latter in Emmanuel Church and are to be public.

FOREIGN MISSIONS.

Providence, Oct. 3.—The American board of foreign missions met in annual session to-day. After religious services, Rev. Dr. Alden, home secretary of the board, read a paper on the question: "Shall we have missionary revival," urging the dissemination of the gospel in unevangelical lands. The

LATEST BY MAIL.

The recent patent office fire has rendered it necessary for Secretary Schurz to make arrangements for outside quarters for the clerks of some of the bureaus of his department.

Next week Thursday, the president having accepted an invitation, will attend the agricultural fair at Frederick, Md. He will be accompanied by several members of the cabinet, all of whom have been invited.

The following is a statement of the coinage at the mint of the United States for the month of September, 1877: Double eagles, \$4,492,200; trade dollars, \$1,677,000; half dollars, \$408,400; quarter dollars, \$349,600; dimes, \$129,000. Total, \$7,056,200.

Forgeries on Canadian banks similar to those in the western states have come to light. The bank of Montreal lost \$4,000 and the Union bank of Lower Canada \$5,000. The Merchants' bank and the bank of Ontario are also said to have been victimized.

A convention of Massachusetts workmen met at Boston, Monday, Richard Silsby presiding. The committee on nomination of state officers reported the following: Governor, Wendell Phillips; lieutenant governor, Wm. Earl; secretary of state, W. H. Gass.

The five dollar circulating notes of the First National bank of Tamsqua, Pa., are being retired on account of the issue of the late dangerous counterfeit of that denomination, and no more five dollar notes will be issued to that bank.

Assistant Secretary Sawyer, of the treasury department, has been convicted in connection with other parties of defrauding the government by paying the notorious Roddy claim. The trial, which has continued some time, was concluded Saturday, and a verdict announced by the jury.

An enthusiastic workmen's demonstration occurred at Wilkesbarre, Pa., Monday afternoon, the occasion being the release from prison under bail of Peavy and Harrison, leaders of the mob during the recent riots, who have been imprisoned at Pittsburg. They were escorted through the streets by 1,200 workmen.

Camp Robinson, Neb., advises state that it is not definitely known how many lodges of Indians left Spotted Tail on the 23d, but it is supposed nearly all of them have returned. There is a good deal of excitement among the Indians at different agencies in regard to their removal to the Missouri, and it is doubtful if this will be accomplished without force.

The executive order forbidding government employes from taking part in politics has had the effect of cutting off the principal stipend of campaign funds. It is said that thus far the Ohio state committee has been able to raise but \$100 among all the federal local officeholders in Ohio, and as a consequence the committee is much cramped for money.

In a circular from the executive mansion, sent to every federal official in the country, the following sentence occurs: "No assessment for political purposes on officers or subordinates will be allowed." Last week a man by the name of McCord, an agent of the republican committee, collected \$1,500 for campaign purposes, mainly from Ohio clerks in the several departments in Washington.

For some weeks the inspector general of the war department has been examining into the alleged frauds in the disbursement of money in improving Buffalo, Erie, and Cleveland harbors by Col. Blount, of the engineer corps. His report was received at the war department Saturday and is of such a character that Col. Blount will be relieved from duty and placed under arrest to await court-martial.
