## BLACK HILLS NOTES.

### Deadwood Pioneer, Oct. 18th.

Captain Stanton, with Lieutenants Swigert and Senton, were in the city yesterday. They left in the afternoon with a detachment of soldiers, for Custer City. They expect to strike the Platte at Bridger's Ferry.

Frank Norton & Co., have recently sold No. 6 below discovery on Deadwood, for \$1,500. The company have, within the past two seasons, taken out \$45,000 from this claim, and Mr. Norton tells us that there can be \$10,000 taken from the ground yet.

Father DeSmet.—This mine is proving to be a veritable "bonanza." Developments are showing well defined walls, with a

pitch of about forty-five degrees. The last clean up, after a run of eight days with ten stamps and four arrastras, returned over four thousand dollars.

Two stoppages of coaches on the Cheyenne road have occurred within the last thirty-six hours. A brief account of the first can be seen in our telegraphic report. The up coach which arrived here yesterday evening was also stopped. The passengers were Mr. John H. Bowman of Hat creek, a lady and two children. One of the road agents ordered Mr. Bowman to alight. He did not do so, but accosted the robber by name, as he recognized him as Blackburn saying, "Hallo, Dunc." The agent asked "Mr. B. if there was any money on board that had any money. He told him there was but one lady passenger, but said he had some money, and asked the robber if he wanted it. He replied in the negative saying "We do not want your money." He offered Bowman a bottle of whiskey, which he bragged of taking from the French girls on the down coach. Before leaving he removed his mask, showing himself to be Blackburn.

E. Chap Sen Ta. (The Whip, the Sioux Indian now residing under an indictment for the murder of a private soldier named Francis A. Hayes, at the Cheyenne agency, 1872, is now in the Deadwood jail, awaiting trial at the May term of court. E. Chap Sen-Ta is about 26 years old, of average stature and size, and belongs to the Minneconjou tribe of Sioux. During his transit under charge of Lieutenant Gates and escort, the party were followed by a large number of agency Indians, under the leadership of White Robe, his brother-in-law, to within three hundred yards of the town of Sheridan, where they remained secreted in the hills for one day and two nights awaiting the result of the trial. They were informed by the interpret Mr. Fielder, that the case had been continued, and that their companion was being fairly treated, and was in no immediate danger, whereat was supposed White Robe and his followers returned to the agency, as they were not afterwards seen. Col. Parker was appointed by the court attorney for the prisoner, and did his full duty on the matter.
