THE NEWS.

Re-Assembling of Congress After the Holiday Recess.

Mutterings from Maine Preceding the meeting of the Legislature To-Morrow.

Meeting and Organization of the New York Legislature by the Election of Republican Officers.

CONGRESSIONAL.

SENATE.

Washington, Jan. 6.—Among the bills introduced were the following:

By Mr. Davis, of Illinois, to establish a court of appeals.

By Mr. Cockerell, to repeal section 4,724 of the revised statutes, and to provide that no person on the retired list of the army, navy or marine corps shall draw a pension; a bill to transfer certain claims from the executive departments to the court of claims for adjudication.

Mr. Logan presented a very large number of petitions of soldiers for equalization of bounties.

Adjourned in respect to the memory of the late Senator Morgan.

HOUSE.

Washington, Jan. 6.—Mr. Scales, chairman of the committee on Indian affairs, reported the resolution directing the committee to investigate and report upon the origin of the recent outbreak of the Ute Indians. The resolution was adopted.

The house went into committee of the whole on the report of the committee on rules, but without taking action rose and adjourned as a mark of respect to the memory of Senator Houston.

FROM MAINE.

Some of the Council in Members Refuse to Take Certificates, etc.

Augusta, Me., Jan. 6.—Petitions to admit the twelve counted out members from Rockland, Bath, Saco, Portland and Lewiston were presented to the governor and council this morning and a hearing appointed for this afternoon. An attempt was made to influence Mr. Voter, of Farmington, counted in, to abandon his position of refusing a certificate. He declines to participate in the proceedings in the legislature.

Mr. Sprout, of Veasee, was labored with Monday, but still adheres to his determination to keep away from the legislature.

Other fusion members are known positively to refuse certificates, and one or two are detained at home by sickness. The remainder are here participating in various caucuses, but it is not known whether all will take part in the organization. Hobson, the counted in senator from Lincoln, says he intends to do what is right and follow the greenback party; that he should take his seat and immediately move for a committee to investigate the returns in Lincoln county. While he thought the votes thrown for Andrew R. G. were for the same person, he was satisfied that he (Hobson) was entitled to his seat on the ground of fraud, intimidation and bribery. Fifty extra men were paced in the state house this morning at about ten o'clock. It is stated that 100 more armed men will be placed there to-night.

ANTI-GRANT BOOM.

It is Being Groomed by Ex-Senator Henderson, of Missouri.

New York, Jan. 5.—A Washington special says Ex-Senator Henderson, of Missouri, who is spending a fortnight here, is interesting himself in an anti-Grant movement and he and others who took part in the Fifth avenue conference four years ago, are going to try to initiate another scheme for opposing Grant within the republican party. Strong efforts are making to induce Bristol and Schurz to come out squarely in a public manner in opposition to the re-nomination of Grant. Henderson, like Schurz and Husted, is in favor of the nomination of Sherman, and thinks that if the Grant men can be convinced that Grant will lose the entire German vote, if nominated, they will not insist on his nomination. Henderson's views will soon be given to the public.

WASHINGTON.

MRS. O'RAY GOES TO WASHINGTON.

Washington, Jan. 1.—Secretary Schurz to-day received a telegram from Gen. Hatch saying O'ray desired to bring his wife with him to Washington, and inquiring whether the request would be granted. The secretary replied in the affirmative.

INTER-STATE COMMERCE.

The house committee on commerce this morning agreed to re-open the discussion on the inter-state commerce bill, and at the request of several railroads will give a hearing commencing Tuesday next.

CRIMES AND CASUALTIES.

Harrisburg, Jan. 6.—W. C. Killer, an attaché of the post office, has been arrested on a charge of opening letters and abstracting the contents.

Memphis, Jan. 6.—At Sardis, Miss., last Saturday night John Harris, deputy sheriff of Panola county, while seated in his office, was shot and mortally wounded by an unknown party. A scandal is said to be at the bottom of the affair.

Buffalo, Jan. 6.—Two unsuccessful attempts have been made to wreck a train on the New York Central railroad, between Niagara Falls and Tonawanda by placing rails and ties on the track. The locomotive brushed aside one obstruction and the train was brought to a stand still as it reached the other.

New York, Jan. 6.—Receiver White, of the Grocers' bank, says \$125,000 worth of forged paper has been discovered. The receiver did not believe that business would ever be resumed by the institution. He said a compromise will be accepted. The case is in the people's hands now, and

Haigh will be vigorously prosecuted. The board of directors met this afternoon.

Mrs. Margaret Gerb and Rose Long, terribly injured during the fire in Turner hall yesterday morning, have died. The deaths bring the list up to six. It is feared it is still uncompleted.

Cincinnati, Jan. 6.—Lloyd S. Brown, ex-member of the legislature of Ohio, dropped dead in a street car this morning while on his way to attend a meeting of an insurance company.

About four o'clock this morning Judy Moore, of the common pleas court, heard a noise in his house. Procuring a revolver he started for the head of the stairs where he met a burglar, and fired straight at him, when the man fell back down stairs, where he was seized and dragged from the house and across the yard by his accomplices who succeeded in carrying him off. The judge thinks he shot the man mortally.

Newark, Jan. 6.—Horace O. Pierce and Edward C. Bloom, injured by the celluloid works yesterday, have died. The insurance on building and contents was \$87,000.

New York, Jan. 6.—The explosion of a shell in Lombard & Ayers works foot of 66th street, North river, set the building on fire, fatally burning James Reilly, a workman, and seriously burning another, James Egan.

Elizabeth, N. J.—The locomotive and four freight cars of a train on the Long Branch railroad fell through a fifty feet draw at Wood bridge this morning, and the cars burned. The engineer was slightly hurt. The draw had been left open.

TELEGRAPHIC BRIEVITIES.

A MAINE RUMOR.

Boston, Jan. 6.—A Herald special from Augusta, Me., mentions rumors that the republicans intend to capture the state senate by arresting five senators.

FUNERAL OF COUNT JOHANNES.

New York, Jan. 5.—The funeral of Count Johannes took place to-day from the Little-Church-around-the-corner, the expenses being born by Lester Wallack and Theo. Moss. A vonia Fairbank's the count's pupil, and his father and mother were the chief mourners.

SPECIE IN THE COUNTRY.

New York, Jan. 5.—The specie importations for the week ending on the 2d inst. are \$407,997. Weekly returns make a total of over \$84,260,494 for the year 1879, against \$19,120,973 officially reported for 1878. Taking into account the specie imported and the products of mines there is in the country probably fully one hundred and twenty-five million dollars more coin than a year ago.

A LATE DEPARTURE.

Boston, Jan. 6.—Old Aunt Mosen, colored, died at North Adams yesterday, aged 115.

NEW YORK LEGISLATURE.

Albany, Jan. 6.—The legislature was organized to-day. The senate choose Jno. W. Vrooman, republican, clerk. The house elected Gen. Geo. H. Sharpe, republican, for speaker.

ANOTHER LAME BANK.

Elizabeth, N. J., Jan. 6.—The directors of the Dime Savings bank have applied to the chancellor for an order prohibiting payments to depositors, and to take charge of the bank.

AIDING IRELAND.

Philadelphia, Jan. 6.—Arch Bishop Wood orders collections in Catholic churches for the suffering poor of Ireland, and will receive contributions himself for the same purpose.

New York, Jan. 5.—The proceeds of last night's meeting at Madison Square Garden are twenty-five hundred dollars, and will be given for the relief of distress in Ireland. Parnell to-day received a telegram from the secretary of the relief committee of Virginia City, Nev., stating that \$1,500 for the suffering poor of Ireland had been forwarded him, and giving the agitators a pressing invitation to visit that city.

SALE OF A RAILROAD.

Akron, Jan. 1.—The Atlantic and Great Western railroad was sold at noon to-day by General J. H. Devereux, of Cleveland, special master commissioner, under foreclosure proceedings in Summit county court of common pleas, and similar courts in Pennsylvania and New Jersey. The road was bid off by R. G. Rolston and S. A. Strong, of New Jersey, purchasing committee for the English bondholders, under an organization scheme, for six million dollars, its minimum appraisalment. The road has been reduced to the standard gauge.

FOREIGN.

ORDER FOR VINES.

Montreal, Jan. 6.—New Orleans orders from a vineyard here 8,000 grape vines.

COUNTED OUT.

Christie, liberal member of parliament for Argenteuil, has been unseated by Justice Belanger for bribery by agents.

RUSSIA'S WARLIKE PREPARATIONS.

London, Jan. 6.—The Daily Telegraph vouches for the trustworthiness of a communication dated Koenigsburg, Dec. 31, asserting that the distribution of the Russian army shows a striking conveyance toward the western portion of the empire, and that Russia's effective forces are being increased in a far greater proportion than can be justified by the object of filling up the vacancies left by the late Russo-Turkish war. Within the past few weeks the strong force already quartered in the western provinces has been increased by four divisions of infantry and one of cavalry. This raises the force along the western frontier to nearly one half the entire Russian army on a peace footing. Extensive measures of organization and improvement in all the departments of the service are being pushed forward. The greatest activity also prevails in increasing the means of communication and providing a halting place. Military railways are being constructed, deliveries of supplies for arsenals, building material, uniforms, etc., are being made on a vast scale, with scarcely an attempt at concealment, the arrival of the frontier fortresses being affected with the utmost promptitude. A Berlin correspondent says it is remarkable that Russian troops are again permitted to speak of impending war against Austria and Germany. The cam-

paign is the day talk in the military coffee houses of Kief, Kamiatiec, Podolek, Zehitomer and other garrison towns near the Austrian frontier.

CUBAN AFFAIRS.

Havana, Jan. 6.—Insurrectionary chiefs Belasaria, Peralto and Remiges Almaguill, who recently surrendered, departed for Spain yesterday. A heavy detachment of troops has been sent to San Diego De Cuba to operate against the mulatto chief Guillerman, now the only chief of any importance remaining in arms. Yoz De Cuba emphatically denies the rumor that Maco and Vicente Garcea have landed on the island.

SUBSTANTIAL AID.

London, Jan. 6.—The fund instituted by the lord mayor for the relief of distress in Ireland amounts to 5,000 pounds.

THE RICK EMPRESS.

London, Jan. 6.—The latest official bulletin from Cannes, Jan. 4, announces that all symptoms in the case of the empress of Russia are increasing unfavorably.

SEAMEN SENTENCED.

London, Jan. 6.—Sixteen of the crew of the ship G. W. Wolf from Belfast, Dec. 24th, for New York, and put back, have been sentenced to six weeks imprisonment for refusing to perform duty.

MORE GOLD COMING.

London, Jan. 6.—An exceptional transaction in the purchase of gold for exportation to America was recorded yesterday, thirty-five thousand pounds having been taken from the open market for America. The transaction is not regarded as initiating any considerable influx. At present it is understood that arrangements are in progress for the transmission of considerable amounts of bonds in partial liquidation of liabilities on account of grain.

RELIEF FOR IRELAND.

Birmingham, Jan. 6.—A fund has been opened here for the relief of distress in Ireland.

FIRE.

Toledo, Jan. 6.—A fire this morning destroyed the coffee, spice and licorice mills of C. C. Warren & Co., involving a loss of \$13,000 on the machinery and fixtures, valued at \$20,000. Insured.

THE PERFECT
Lung and Chest
PROTECTOR.

THE GREAT
PRESERVER OF HEALTH

They are the most comfortable, healthy and economical garment worn, giving more protection and warmth, with less weight and bulk, of any garment ever invented. A preventive and cure for rheumatism, sore throat, lung diseases, and many ills caused by colds. They are highly recommended by the leading physicians.

They are made of heavy, fine, all wool goods, covered with chamois skin front and back, giving perfect protection to the vital organs. Unlike garments made of all skin, they do not retain the moisture of the body. They do not roll up and get out of place, as is the case with the old style of protectors.
