YANKTON, DAKOTA TERRITORY, THURSDAY EVENING, JANUARY 8, 1880.

No. 216

THE NEWS.

A Quiet Day in the Maine Legislature.

The Republican Members Apply to be Qualified and will Doubtless be Admitted To-Morrow.

Probability that the Republicans will Obtain Control of the House.

ROBBERY AT CANTON.

The County Treasurer's Safe Opened and Five Thousand Dollars Stolen.

Canton, Jan. 8.—The county treasurer's safe of Lincoln county was opened here last night by some person who understood the combination, and it is stated that five thousand dollars were stolen. No clue as yet to the robbers. The county commissioners have offered a reward of two hundred dollars for the capture of the thieves and five hundred dollars for the capture of the robbers and return of the stolen funds.

FROM MAINE.

Augusta, Me., Jan. 8.—Both branches assembled quietly. There was no comparison between the crowd and that of yesterday. Sentinels were stationed at the door, the police force continuing under the control of the sheriff and mayor.

Immediately on opening the senate, Senator Hobson of Lincoln offered the following:

Ordered that a joint select committee of three on the part of the senate be appointed by the chair to investigate the charges of bribery and intimidation alleged to have been attempted on members of the legislature since they received their certificates, with power to send for persons and papers, and that the committee be instructed to commence their investigation to-day on adjournment of the session, and report as soon as may be.

This order was opposed by Senators Locke, Harris, Berry and other republicans on the ground that there was not even a street rumor, if so, they would gladly admit it. If members of the house had been bribed or intimidated then the investigation should begin there.

The order passed. On opening the house the speaker invoked good order and intimated that the scenes enacted yesterday by outsiders would not be repeated. He had scarcely finished speaking when the doors were opened and windows thrown up and an impatient crowd rushed in. After the people entered quiet was again restored, but at one time trouble seemed imminent.

Records of yesterday were read and showed the fact that not more than seventy-two votes were thrown for any candidate voted for.

Mr. Hale announced the presence of sixty certified members, being republicans, who withdrew yesterday, who were ready to be qualified. They were conducted to the council chamber, but Acting-Governor Linslow declined to qualify them at present, as he did not exactly know the extent of his power in that direction, but should inform himself.

The house quietly adjourned. The members will undoubtedly be qualified to-morrow.

Spodul, of Veazie, is among the number who will act with the republicans, giving the republicans a majority in the house should the members from the five cities be admitted.

CONGRESSIONAL.

SENATE.

Washington, Jan. 8.—The sergeant at arms brought to the bar of the senate E. L. Smith, Levi Wilson and E. B. Purcell to answer the charge of contempt in not obeying a summons to testify in the Ingalls case. Smith made a statement to the effect that he sent a telegram to the committee saying that he knew nothing about the election of Ingalls.

Mr. Saubrey, chairman of the committee, favored discharging the witness on his appearing before the committee and testifying.

Mr. McMillan and others objected to keeping the witness in custody, claiming that no lawful summons had been served on him.

After considerable debate three witnesses at the bar were discharged from the rule, having purged themselves of the contempt. After an executive session, adjourned.

HOUSE.

Washington, Jan. 8.—A resolution was adopted directing the committee on appropriations to inquire into the cause and probable extent of the deficiency in the postal car service for the fiscal years 1879 and 1880.

The house considered in committee of the whole the report of the committee on revision of rules.

Mr. Regan, chairman of the committee on commerce, attacked the new rule that proposes to deprive that committee of the duty of preparing the river and harbor appropriation bill, and to assign it to the committee on appropriations.

RAILROAD STOCKS.

New York, Jan. 8.—Kansas Pacific stock has advanced to 93 1/2, regular and 94, from 88 1/2 last sale. The Post says there are reports afloat which, however, we cannot verify, that a scrip dividend of 40 to 50 per cent on that stock is contemplated in the not remote future. Milwaukee & St. Paul has advanced on the report that the next dividend is to be four per cent, making a total for the year of seven per cent.

CRIMES AND CASUALTIES.

Boston, Jan. 8.—While five children were amusing themselves on the cotton mill pond at Reaville yesterday the ice gave way and Maggie Mahon and Frank Mulvey were drowned.

Toronto, Jan. 8.—George Ernst, a farm laborer in Markham township, fatally shot Mrs. Mary Prebs and was arrested here.

Cincinnati, Jan. 8.—The tow boat Gauffry struck the Newport bridge pier at 10:30 this morning. Three of her loaded barges sunk.

FIRE.

Quincy, Ill., Jan. 8.—A fire this morning at Lagrange, Mo., destroyed the best business houses in the city, one belonging to ex-Congressman Glover. Loss on all, \$10,000; insurance small.

FOREIGN.

GROWLING OF THE WAR DOGS.

London, Jan. 7.—The Augsburg Allgemeine Zeitung has an article going to show that Germany, in case of hostilities, would be able to mass an army and cross the Polish frontier sooner than Russia.

The Cologne Gazette has an article remarkable for its threatening tone towards France and hostility to Russia. It criticises sharply the speech of Hohenlohe, German ambassador, at President New Year's reception of the diplomatic corps New Year's day, and declares Russia alone threatens the peace of Europe, and Germany and Austria are bound to hold Russia in check.

AN INSURGENT'S SURRENDER.

Havana, Jan. 8.—It is officially announced that the insurgent Colonel Cuabre surrendered with sixteen officers and 27 men, 20 muskets, sixes and 12 stand of arms and a quantity of munition.

THE MINORITY.

Madrid, Jan. 8.—The minority of the cortes will meet on the 9th and decide whether they will continue the policy of abstention from participation in the coming sessions.

RIGHTS OF CORRESPONDENTS.

Calcutta, Jan. 8.—The Indian government decided that the rules respecting war correspondents should no longer be enforced but military commanders will be allowed to impose such restrictions as may be deemed necessary.

DIPHTHERIA IN RUSSIA.

St. Petersburg, Jan. 8.—The local Red Cross society of Kharkoff in view of the terrible distress prevailing in the province through the ravages of diphtheria have formed three medical and sanitary detachments to assist the government to combat the epidemic.

INCITERS TO STRIFE.

London, Jan. 8.—A Jellalabad correspondent reports that the Mollahs are unceasing in their attempts to incite the Mohmuds to rise.

A FUNERAL EXPLAINED.

A Vienna dispatch says the Italian government has sent circulars to all its ambassadors abroad giving full explanations of events attending the funeral of General Auzzana.

RUSSIAN DESERTERS.

Russia has asked the Prussian government to grant extradition of thirty-six deserters from the Russian army who recently crossed into Germany, but no steps as yet have been taken to comply.

GREVEY'S RECEPTION.

Berlin, Jan. 8.—The semi-official newspaper, the Post, says President Grevey's reception to the diplomatic and representative in Paris on New Year's day has given rise to conjectures that the German government through preliminary inquiries ascertained the intentions of the Freycinet cabinet. We consider supposition as well as the idea that there were any doubt on the subject are necessarily incorrect. We rather think Prince Hohenlohe, German ambassador to France, without asking for instructions from Berlin, expressed the belief held by the German government that the present French ministry will continue the foreign policy of its predecessor. Such instructions would scarcely have been necessary since the German government neither had nor will have doubts on the subject so long as there are no positive reasons for them. We know at least that a partial change in the French cabinet has been remarked.

INQUIRY ABOUT A RIFLE CONTRACT.

Bucharest, Jan. 8.—The Roumanian chamber of deputies has asked the government for all the papers relating to the recent

award of a contract for 20,000 Henry rifles to an Austrian establishment, which never made any of those weapons, whereas the Providence Tool company of Rhode Island offered to deliver them for a franc less per rifle. Some remarkable disclosures are looked for should the matter be thoroughly investigated.

MEMORIAL TO THE PRINCE IMPERIAL.

Paris, Jan. 8.—Subscriptions for a memorial to the prince imperial have closed, the amount subscribed being 200,000 francs. The memorial committee propose to erect a chapel on an elevated point between the Arcade Triomph and Hotel des Invalides.

THE QUEEN HAS FITS.

It is stated in medical circles that the health of the queen of Spain has received a severe shock, owing to the attempted assassination of Alfonso. She has been attacked with epileptic fits to which she was not previously subject.

LATEST BY MAIL.

Jacksonville, Fla., Jan. 6.—Grant and party arrived this afternoon. The reception was a success.

New York, Jan. 6.—The veteran corps of the Sixty-ninth regiment presented an address to-day to Parnell and Dillon. Several delegations from eastern cities who received invitations to visit them accepted.

City of Mexico, Dec. 30.—Gen. Trevino telegraphs Dec. 22, that the Apache Indians had defeated 200 American troops near the Mexican line, and that an expedition had marched from the city of Chihuahua against the American Indians who had invaded the state of Chihuahua.

Boston, Jan. 6.—The funeral of Bishop Haven took place to-day after a short service at his late residence. The remains were taken to the Pleasant M. E. church. Nearly every minister of the Methodist denomination in New England was present. The services were very impressive.

Richmond, Va., Jan. 6.—A grand mass meeting of citizens of Richmond and Manchester was held to-night at Mozart hall in the interest of the suffering people of Ireland. The gathering was comprised of representative people of every nationality, creed and political affiliation. Many ladies graced the meeting with their presence.

Newark, N. J., Jan. 6.—There was a monster reception to Parnell and Dillon this evening by the Irishmen of Newark. They were met at the depot by Irish societies and military organizations and escorted to the Grand opera house, where a mass meeting was held. Fully 2,000 people were present.

Galesburg, Ill., Jan. 5.—A terrible railroad collision took place last evening in what is known as Gales Hollow, three miles from this city, on the Burlington branch of the Chicago, Burlington and Quincy railroad. Two stock men are known to have been killed, and several others believed to be in the ruins injured.

Cincinnati, Jan. 6.—A Union county special says a wreck occurred on the Cleveland, Columbus, Cincinnati and Indianapolis road, six miles east of that place. A bridge over a swollen stream gave way at 5 o'clock this morning, precipitating the engine and eleven cars of a freight train into a stream. John Martin, the engineer, was fatally injured; Joseph Archer, fireman, killed, and H. W. Davis, a brakeman, has not yet been found.

Milwaukee, Jan. 6.—At a meeting of the Honest Money league of this city, held at the Newhall house to-night, speeches were made by leading men in the city in favor of maintaining the league organization and continuing its work. A set of resolutions were unanimously adopted and a committee of five, consisting of Alexander Mitchell, Geo. W. Allen, Edwin Sanderson, James Kneeland and B. Lerdersdorf will be appointed to represent the views of the meeting before the financial committee of the senate and house of representatives. The committee will visit Washington at an early day.

San Francisco, Jan. 6.—About 8 o'clock this morning a fire broke out in a two-story frame dwelling on Union, between Powell and Mason streets, occupied by Daniel Hoskins, wife and five children. Hoskins and his eldest son had gone to their work and Mrs. Hoskins, after breakfast, went to her rooms on the second floor front and lay down with Eddy, aged 4, her daughter Annie, aged 19 and a baby sister, still sleeping in a back chamber. Thomas, the second son, who was in the lower part of the house, heard his mother cry help! fire! and running upstairs found the way barred by the flames. The alarm was instantly given but before the engines arrived the house was almost entirely consumed and the bodies of Mrs. Hoskins, Annie, Eddy and the infant were found in the ruins.

ARREST OF A ROAD AGENT.

Chicago Times telegram.
Fort Robinson, Neb., Jan. 5.—A notorious desperado, named William Johnson, a recent importation from the Lone Star state, is confined in the post guard house here, awaiting the arrival of Deputy Marshal Ball from Omaha. This desperado was arrested about two months ago on the Running-water by Deputy Marshal Hamley, of Denver, on suspicion of having murdered a man named Hayward Cole. Johnson was taken to Denver and discharged soon after for lack of evidence. Some few days ago he turned up here, and was again arrested, charged with stopping a Black Hill's stage-coach early this summer and robbing the passengers and United States mails. Through the kindness of Col. Van Vliet, commanding the post, the Times correspondent had an interview with the robber this morning. He said he was much-abused man, and did not know for what crime he was now arrested. On being informed his face assumed a picture of innocence, nonchalantly remarking, while he toyed with the manacles on his feet: "This is all nonsense! I never stopped coaches or 'held up' a man in my life." The reporter asked: "Are you acquainted with any of the stage-robbers now serving sentences for robbing coaches in the Lincoln or Detroit penitentiary?" Johnson: "No, why?" (This in a very excited manner.) Reporter:—"Because I understand that some of your pals informed on you." Johnson:—"How did you learn that?" becoming excited and ashen faced. Reporter:—"That I am powerless to tell you." The
