SENATOR CHANDLER.

Resolutions Offered by Senators Terry and Bayard—The Senators Will Wear a Grief Badge for Thirty Days.

Washington, Jan. 28.—The vice president announced that this day had been set apart for the delivery of commentaries upon the life and character of the late Senator Chandler. Mr. Terry submitted the following resolution:

Resolved, That the senate has received with profound sorrow the announcement of the death of Zachariah Chandler, late a senator of the United States from the state of Michigan, for nearly 19 years. The members of this body resolved to express some estimate of his many services in his long public career, rendered conspicuous by fearless patriotic devotion; that the business of the senate be now suspended; that the associates of the departed senator may pay fitting tribute to his public and private virtues.

The resolutions were unanimously agreed to.

Mr. Terry also submitted the following:

Resolved: That the loss the country sustained in the death of Mr. Chandler, was manifest by the expressions of public sorrow throughout the land.

Resolved: That as a mark of respect for the memory of the dead senator, the members of the senate will wear a badge upon the left arm for thirty days.

Resolved: That the secretary of the senate inform the house of representatives of this action.

Resolved: As an additional mark of respect the senate do now adjourn.

Upon the above resolutions Mr. Ferry spoke. He reviewed the well known public and private career of his late colleague, whom he regarded as no ordinary man.

Mr. Bayard was the next speaker, and after speaking highly of Mr. Chandler's personal character, he said for the rest: I fear we are too near his active political life to express positive judgments on it, and justly measure of a vigorous and influential character as his. It must be viewed at a distance, to be correctly estimated. Time will mellow, and reflection will soften asperities and animosities, caused by the recent heated conflict which may obscure present judgments.

Messrs. Hamlin, Blaine, Logan and Morrill followed Mr. Bayard, all speaking highly of Chandler's personal integrity and vigor and the serenity of his character.
