DOWNS' ELIXIR

The following attrement from Francia Meader, a well known citizen at Industry, I rank in Co. Maine is worth; the confidence the affirsed. By reterence to the dates of will be seen that at the time he commenced taking the Ellar eighteen wonths had possed since he commenced bleeling at the lungs, ten of which he had been unable to dress homself or to speak with his voice.

Let all who are suffering from Long Com-plants read the following. And to afferd a better knowledge of the case, we first give an actuact from article, in the Farmington broniele, dated April 13th, 1845, in which

"I perceived a slight emigh in Sep tember 1843, which gave no allow at first but to a few weeks I commenced raising blood while coughing violently. on a few days while others labored, and then began to work again; and in about four weeks from the first turn of bleeding I had souther, and so continued till the 21st of A-pril 1844, when, while hammering, the blood started, and I taid down the hammer. I suppose for the the last time, I took my bed bout the middle of May, and since that time have not been able to dress myself, neither have I been while in speak with my voice."

Again, towards the close of his communication he wave

As to present health; my regular turns but I raise blood for days afterwards. rough is severe and grinve more frequent .-I sit up a part of the day and walk about a bulle; but I suppose it is in vain for me to ringuite. Who can show me any good ?

Downs Elizir, he sent to the Chronicle a the comine Balsam. gratuitous recommendation of the medicine, i from which we extract the following

"At the date of my communication, in A pril I received a four ounce bottle of Downs' Elizir: I commenced taking it, and found immediate relief, to say the least have been abundantly more comforable since, than for for weeks previous, and judging from feelngs and appearances, my health is on the

On the 31st of the past month, we visited him, and obtained from him a farther statement of his case in which, after giving an account of the presions state of his health. with which the reader is already acquainted

Very shortly after commencing with Downs' Elizir, my lowels became regular, the first time since taking my bed in May of the previous year. Mr appearse returned, my cough greatly abated, and my bleeding torns have ceased-having gone three and a half months without a regular turn of bleeding I now sleep sweetly, est moderately, cough lightly, and visit my neighbors fre-Of course I have great faith in the above medicine.

FRANCIS MEADER. Industry, July 31st, 1845. In a letter under date of September 3d, he

I am now as well as usual, and am pleased to bear testimony in favor of a medicine which is to me preferable to all others. I have a cousin who some time ago comment ed raising blood, with a dry hollow rough I gave him my advice, and he bought a four nance buttle of the Elixir. He is now better and has commenced work again. 15 30

bout three and a balf mries east of Rutland, on the turnpike leading to Montand which they can afford at prices pelier or Woodstock, connected with which 20 or 30 per cent less than they have hereto- is a most valuable farm, containing about two hundred acres, one bendred and fifty general assortment of Romae. Antiqe, Goth. cres of which is under improvement, and in ic. Tuscan, Italian, &c., plate, shaded, ornathe inghest state of cultivation, well fenced, mented, and condensed, of various sizes mostly stone wall, and most beautifully and concemently situated for farming purposes His tavern house is mostly new, covering 3y 63 feet of ground, two stories, and finishtaked from top to bottom and painted, with a large and commodious horse barn, and other necessary out buildings, with two frem couses conveniently actuated to accommoprohibite appendage. He will also sell a Clarendon. erge quantity of household furniture such as beds, bedding, bedsteads, &c., &c. and all the necessary "fixins' " for keeping tavern, aren his stock consisting of two valuable boeses. 4 cows, 130 sheep, hogs, pigs and poultry. &c. The whole will be sold and a credit of five years will be given for one half the porchase money. It is altogether the most descrable situation in this part of the State for an enterprising man with some capital who wishes to connect with the business of farming and tavern keeping other branches such as mercantile, mechanical or manufacturing business, for further particulars enquire of the subseriber on the premises.— Possession will be given the first of June or

FIFTY THOUSAND DOLLARS Paid for the Original Recipe of the CELEBRATED LINIMENT

THIS most wonderful remedy of the late St. JOHN LONG, of England, for the external application to many diseases, is now for the first time introduced into the United States.

The great fame of this most important medisine has preceded it, as will be seen by the following extract taken from the Medical In-And the best remedy known to man but following extract taken from the Medical In-Bronchitis, Influence Cooghs, Colds, Bleed-ing of the Lungs. Shortness of Breath. pains and weakness in the side, breast, &c. held, not onlyby the people of England at large, but also by the Medical Faculty there.

"Dr. Macreight called the attention of the A very important disease over which this Medical Society to the composition of the Balsam exerts a powerful influence, is that Liniment employed by the celebrated St. of a DISEASED LIVER. John Long, which at one time, excited, no In this complaint it has undoubtedly proved small controversy with respect to its imputed more efficacions than any remedy hitherio virtues. It was known to most of the mememployed, and in numerous instances when bers, that at the death of that person, the sepatients had endured long and severe suffer- cret of the composition was sold for the enorng from the disease, without receiving the mous sum of £10,000 (50,000.) He had least lenefit from various remedies, and when employed the Lintment pretty extensively Mercury has been resorted to in vain, the during the last year, and found the results ose of this Balsam has restored the Liver to consequent on its application, perfectly as fected PERMANENT CURES, after every the use of it are such as will astonish the be boider, and are often deemed miraculous by those who employ the remedy, and paradoxi cal by many of the profession. They were

1. The appearance of a greater degree of This certifies that I have recommended redness on one part of the skin than another use of Wistar's Balsam of Wild Cherry when uniformly rubbed-this peculiar red for diseases of the Lungs, for two years past, spot being always directly in the neighbormood, and over the part where the disease is ocated

face, varying in color, the cuticle remaining

unbroken.

3. The healing of the disease under the continued action of the Lamment." Such is the unanawerable testimony in favor of this most important external remedy. Its all-healing virtues are displayed in many of the ing mony cases after the skill of the best umphantly so, in all those internal obscure the excitement of a new action in the exhalent vessels of the part affected, induced by the application of this Lantment, that the cure is affected and the disease removed The continued application will, if persevered TAR'S BALSAM OF WILD CHERRY. None gen-uine unles signed by I BUTTS. Address rectly over the part offected, thus pointing out all orders to SETH W. FOWLE, Boston, with uncerning certainty the primary seat of with unerring certainty the primary seat of disease, and by continuing the rubbing, the disease, and restoring the part affected to its

> The following complaints are those in which the Liniment of St. John Long act most conspicuously:

> Rheumatism. This most distressing dis ease, which is so universally prevalent, is easily curee in a short time by rubbing in a few bottles of the liniment.

Palsy, Of the legs, arms, hands, or face will be speedily restored to action by thoroughly rubbing with the limment one hour at

Tic Doloreux. This most painful malady may be totally eradicated by applying St. John Long's Liniment.

Licer Complaint, So tedious and protracted in its nature, wearing out the patient by a long gradual scene of suffering and sorrow, is soon alleviated by the use of the liniment and when persevered in its continued application is ultimately cured.

White Swellings. These painful affections ere cured by this remedy without any of those disastrons and unseemly distortions which always attend these affections, so long a reproach to the science of medicine.

Stiff Joints, Are rendered supple and lim ber by thoroughly rubbing in the limment four or five times a day. Abscesser. Of all kinds, are speedily brot

to a bead, and if taken in season are entirely prevented. Dropsy in the Chest or Heart. So effectually cured by daily and constant application

to the chest of this invaluable remedy. all dropsical diseases its effects are most astonishing. Pains in the Side, Back or Breast. These troublesome affections, so tedious to be borne. are totally dissipated by the use of a single

Asthma. This hitherto most inveterate emplaint, is greatly relieved by daily rubbing with the liniment, and if of long standing, is ultimately cured with constant rubing, and wearing next to the chest a flance!

cloth wet in the inniment. Bruises and Sprains, However severe are mmodiately relieved, and all soreness and stiffness removed.

Nervous Complaints, Are immediately snothed and quieted by the virtues of this remedy, and their tendency to return greatly lessened—and all Internal Swellings, of every nature are banished like a charm, with

the operation of this Liniment.

F. BROWN'S. SARSAPARILLA AND TOMATO BIT TERS.

The above is a correct likeness of a person that has been cured of a had humor standing, by using BROWN'S SARSAPA RILLA and TOMATO BITTERs. Who will or can have the least doubt but the above medicine is the best article now in use for the following complaints, [after reading the following certificates ] Bad humors, dispensia, laundice, costiveness is cured by them in a short time, after all other med cines have failed. Give them a trial and satisly voorselves of the truth of the above. As-

Be sure and always ask for Brown's, as there are imitations and counterfeits sold, which is no more like the genuine which is prepared by Frederick Brown than cold was THE VEGETABLE PULMONARY ST

These excellent bitters will be found a certain cure in all cases of indigestion or dispepsia, jaundice, loss of appetite, general debility, faintness and sinking of the atomach, lowness of spirits, costiveness, determination of blood to the head, pain in the side and limbs, diarrhe, weakness, dizziness, cutaneous eruptions on the face and neck, hectic fever, night sweats, nervous and sick headache, acidity of stomach, billious affection piles, and in all diseases caused by impurities of the blood, the debility of the system, or the unhealthy state of the stomach and bowels.

They are also exceedingly efficacious in restoring constitutions broken down by sedentary employments and have been extensive. ly used by clergymen, editors, clerks, seamstresses, and numerous others whose health has been injured by confinement and close application, with the happiest results. They restore the action of the stomach, increase its superiority to those who have the the quantity of blood, and impart to the wan and to the numerous certificates of gas and emaciated system of the invalid the vigor and glow of true health.

These bitters are warranted to be a purely vegetable compound-and mark this, they can never do the least injury in any case whatever.

They are kept by many persons as a family medicine, and have been given to the youngest children, on account of the mildness of their operation, with excellent ef-
