

A glorious Wind-up

For this fine 23d Mill End sale.

Never since the Mill End sale was inaugurated, has there been such a one as this twenty-third. Never has there been during all those years, a Wind-up such as we have planned for this twenty-third sale.

A marvelous sale deserves an inspiring Wind-up. It shall have it. We are making ready for it as this is written. It will be a record Wind-up, as this has been a record sale all through.

Every section of the store offers special things for two days for the Wind-up. Those special things are either new to the sale and of great merit, or are Mill End lots with a new and even-lower price put upon them.

We are just going to make things hum. Read a few of these Wind-up lots and you will join the throng of Wind-up shoppers that will be here Friday and Saturday.
