POP FOSTER HAS BEEN DEPOSED

Former Orator Receives Shabby Treatment From Reading Club Management.

Clarence (Pop) Foster, former orator and big leaguer has been deposed as manager of the Reading club of the Tri-State league, Harry Barton, catcher and captain of the club last season has been made manager by Owen Wetzell, who states that he will be compelled to dispose of Foster to keep within the salary limit. Foster issues a statement in which he makes attention to the fact that he finished the Reading team second in last season's race and did not ask for an advance in salary, being content to remain for what he was getting. He declares that there is no reason which would prohibit Wetzell from paying additional money to a manager. Foster thinks he deserved better treatment on the head of the team's great finish in last season's race. What will become of Foster is not known. Wetzell has several good offers for him, but all above the \$300 mark last year. Foster is now physical director at the Reading Y. M. C. A. living in that town with his family.

YALE'S PRESIDENT UPHOLDS FOOTBALL

SAYS FEW INJURIES IS SMALL PRICE TO PAY FOR GAME THAT DIVERTS ROWDY ENERGIES.

New Haven, Dec. 31.—Arthur T. Hadley, President of Yale University, who has been consistently quiet regarding the football question ever since the close of the season, is quoted in the Yale alumni weekly today as follows: "The football game at Yale during the present season has worked very well. We have had a number of sprained ankles, but only two or three cases of more serious injury. Considering the number of boys that play football, I doubt whether this is a much worse record than baseball would show. At any rate it is a small price to pay for a game which diverts the energies of one kind of boys from rowdianism and another kind from drinking."

Larned Leads All Tenn's Champions

The annual ranking of the lawn tennis players in the United States for the past season was issued yesterday. William A. Larned, the national champion, again stands at the top, in a class by himself.

In the remainder of the list the work of the Ranking committee—Dr. P. S. Hawk, University of Illinois, Urbana, Ill., chairman; E. B. Wright, Boston, and C. F. Watson, Jr., Orange, N. J.—came as a surprise, although, in its main features, the singles list, always the most important, is regarded as the best that has ever been tabulated.

The unexpected happened when Wallace F. Johnson, University of Pennsylvania, found himself in third place. That he richly deserved his station was the opinion of the experts, yet the two Calumet players, E. McLaughlin and M. H. Long, because of the positions on the Davis International Cup team, were regarded as being sure of a ranking within the first five. Instead, N. W. Niles, Harvard, and R. D. Little complete the small but honored group at the top. McLaughlin and Little, it is said, have had accomplished sufficient work to entitle them to higher ranking.

H. H. Hackett and F. B. Alexander, national champions, lead the doubles. As challengers, M. E. McLaughlin and G. J. Janes follow with the Harvard pair, Niles and Dabney, next. In some quarters there is a feeling that this arrangement has worked an injustice, inasmuch as many believed that T. R. Pell and W. C. Grant had won sufficient points to lift them into third place.

The Southern New England Telephone Company has issued an order withdrawing the rebate given to public officials who hire telephones for which they pay from their private pockets. It is expected that a number of officials whose telephones are rebated in price simply because they are public officers. The rule does not apply to officials who have telephones maintained at the expense of the municipality at the rate agreed upon with the city.

The Sacred Heart T. A. & L. Society have announced their thirteenth annual New Year's dance which will be held tomorrow evening at Eagles' Hall on Madison avenue. The Sacred Hearts have for more than a score of years held a dance annually on New Year's evening, being occasions of more than ordinary importance. This year will prove no exception.

MILLER HUGGINS NOW ON THE AUCTION BLOCK

Cincinnati, Dec. 31.—Manager Clarke Cincinnati yesterday asked for waivers on Miller Huggins, general utility infielder of the Reds. Huggins is the man for whom President Ebbetts of Brooklyn made a large offer. The Philadelphia National League Baseball Grounds. The deed and lease for the property were filed in City Hall yesterday afternoon and show that Mrs. Taft and not her husband has the title to the grounds. The Philadelphia National League Baseball Club is given a lease on the grounds for ninety-nine years, with the privilege of buying the plot at the expiration of twenty years.

MAYOR WILL HEAD INDUSTRIAL LEAGUE FOR FOURTH TIME

Persuasive Committee Would Not Take No for an Answer.

Surprise His Honor at His Home, Inform Him of Their Decision, and Persist Until They Receive His Acceptance.

Mayor E. T. Buckingham has yielded to the wishes of the directors of the Industrial league, and will again lead the forces of that organization as its president for the fourth consecutive season, or since the league has been in existence. Mayor Buckingham when he was elected to the presidency of the league last January announced that the season would be his last as presiding officer; but he has reconsidered his statement, and will be with the boys at least another year, if not longer.

The directors held a special confab at the Y. M. C. A. last evening, talking over the matter which are to be brought up at the annual meeting to be held next Tuesday evening. A nominating committee consisting of Eugene A. Collins, manager of the Crane No. 2 team, Fred Westline, manager of the Singers, and Cassius Diets, manager of the Holmes & Edwards, was appointed to bring in the names of officers for the coming year at the meeting. The managers or the committee would not consider the names proposed for president than Mayor Buckingham.

The committee and a few of the managers worked the squeeze play on Mayor, when after calling his home on Tuesday, they informed him. Mayor Buckingham said that he was to confer with the mayor. His honor was taken by surprise when the directors swooped down upon him. They were received cordially, but were informed that whatever talk they might use, would be of no avail.

Mayor Buckingham stated that he fully appreciated the honor, but would find it almost impossible to carry on the duties of the office, because of the press of other business. The committee would not consider a negative answer, and after an hour's pulling and hauling, was rewarded by the Mayor consenting to become the leader of the league for another season.

The committee left elated with the result of their work, with the promise of the mayor that he would be present at the meeting Tuesday evening. As a reward for their faithful service to the league, the Secretary will be again at the annual meeting.

LYNCH HEADS NEW RULES COMMITTEE

Secretary Thomas J. Lynch, Secretary John A. Heydler and Manager Clark Griffith of the Cincinnati Reds will make up the new rules committee of the National League. This committee will confer with the American League rule makers, C. A. Comiskey of Chicago, T. C. Noyes of Washington and Connie Mack of the Philadelphia Athletics. Lynch said: "I have assurance that no important changes in the playing rules have been suggested and the belief is general that the joint rules committee will decide to let well enough alone, in spite of the agitation in some quarters against the use of spikes it is a sure thing that this practice will not be interfered with. The baseball men say that fast playing would be impossible without these devices."

COLLECTORS HAVE NO POWER TO CHANGE TERMS OF LAW IMPOSING FEDERAL TAX ON CORPORATE NET INCOME.

The internal revenue bureau is receiving many letters from corporations who desire to know if a report made for the second quarter period, not ending Dec. 31, the law is conclusive upon this point. The report must be for the calendar year, not for the fiscal year, and not continuous with the calendar year and their annual inventory is taken with reference to the former.

RETURNERS MUST BE FOR CALENDAR YEAR

The collector has no discretion in the matter. The law must be executed as it stands. If this fact is generally understood it will save much needless letter-writing concerning this particular question. Letter writers are in particular frame of mind, their timber yards are buried in snow, and their office clerks and bookkeepers do not like the idea of taking inventory under present conditions of temperature, etc.

AGGREGATION OF WEALTH.

(Special from United Press.) Washington, Dec. 31.—A great aggregation of wealth and power crowded the train that brought President Taft back to Washington today from New York, where he attended the wedding of his niece. On the first section of the train to which the Taft private car was attached, rode J. Pierpont Morgan, the railroad magnate and Postmaster General Hitchcock. On the second section were Vice-President and Mrs. Sherman. The train, despite its precious freight, reached Washington about an hour late.

NO HAPPY NEW YEAR FOR GRANITE CUTTERS.

(Special from United Press.) Barre, Vt., Dec. 31.—Hopes that the 5,000 granite cutters who have been on strike here for weeks would be able to resume work with the new year are dashed today following the refusal of the Granite Manufacturers' Association to consider terms of peace put forward by the men after conference with James Duncan, National secretary of the union. The 5,000 men, who have worked here and in Montpelier and Northfield shops, struck against using a pneumatic bush hammer, the dust from which they said was unbearable. The manufacturers, it is said, utterly refused to consider the cause of the strikers and the peace negotiations failed.

PITTSBURG CAN'T FIND AN OPPONENT FOR SAM LANGFORD

BOSTON TARBABY IS PINING AWAY IN SMOKY CITY FOR WANT OF FIGHT.

Gunboat Smith and Jack Burns In Draw Over Pacific Coast Heavyweight Championship—Hester's Club or None Says Battling Nelson of Scene of Wolgast Fight.

Pittsburg, Pa., Dec. 31.—"Wanted. Information that will lead to the engagement of some fighter who can be gotten into the ring with Sam Langford without the use of a team of horses." Good money for the fighter, who may be big or little, but the bigger the better."

The above advertisement was placed in the Pittsburg evening papers yesterday by a gentleman who is a resident of Pittsburg, which has for more than two weeks been trying to get some one to go into the ring with the Boston "Tarbaby."

Joe Jeanette was first approached, but he declares that he can "make more money in Boston." Al Kaufman was then approached with a proposition to close with Philadelphia Jack O'Brien; and just when the Pittsburg club thought it had Jim Barry landed, the latter informed that he would not fight the colored fellow under twenty rounds.

San Francisco, Dec. 31.—"Gunboat" Smith, sailor pugilist, who is scheduled to become Jack Johnson's chief trainer in San Francisco there will be into training for his fight with Jeffries, fought a twenty-round draw with Jack Burns, of Salinas, last night, the latter involving the heavy-weight championship of the Pacific coast.

Milwaukee, Wis., Dec. 31.—Battling Nelson, lightweight champion pugilist, said yesterday that if Wolgast will not fight him before Hester's Club in San Francisco there will be no fight. Taking issue with Wolgast's expressed fear that a forty-five round fight could not be held in San Francisco, Nelson said: "I have assurance from Hester that he has secured permission to hold a long battle in 'Frisco, and I'll take his word for it."

Second on the list is John Flanagan who threw the heavy weights far enough to capture 170 1-2 points. Dan Ahearn, the great jumper, followed Flanagan with 120.

Melvin Sheppard, who finished second to Sheridan last year, finished eighteenth. His total for the season was 54. This is 26 behind his last year's total.

Although running in his colors for only a few months, Emilio Lumgh, the Italian flier, tallied 60 points. Abel Kiviat, the Staten Island schoolboy, also made an excellent showing. He finished seventh on the list, with a total of 63.

Harry Porter of this city, Canadian and Olympic champion scored 60 points for his club. Porter finished ninth in the list.

Deaths and Funerals

Griffith Elias died at the Bridgeport Hospital yesterday after having two operations. He had been in this country only six weeks coming from Germany, where he had been a member of the German Reform church in this city, where the pastor, Rev. H. G. Weimer conducted the services. At the church the bearers rendered "Rock of Ages" and "It is Well With My Soul." After the services the members of Friendship Rehearsal Lodge No. 12, L. O. G. took charge of the remains escorting them to their last resting place in Mount Pleasant cemetery, where the impressive ritual of the order was amplified. The bearers were William Kam, Leo Schmitt, William Ankele, William Beckheim, John Schoenwalder and William Bernhard.

The funeral of James F. Heffernan was held yesterday morning from his home at 28 Lincoln street, at 8:30 o'clock and thence to St. Augustine's church where Rev. Patrick J. McCormick sang a high mass of requiem. At the offertory Mrs. F. J. Kelley sang "Pie Jesu" and after mass Miss Mae Flaherty rendered "Some Sweet Day." The bearers were Stephen Jackson, Christopher Kelly, Peter Flynn, Dennis Reardon, James Fay and Patrick Boland. Interment was in St. Michael's.
