LET THE EVENING FARMER DO THINGS FOR YOU

When this newspaper has given to you the last word about the events of the day—when it has acted as a sort of Central Office in "connecting" you with "all of Creation"—it has done much for you, of course.

But it can do more than that. It can help you run your store, your office, your factory or your house.

It can carry your "little worries" for you—and never turn a hair. You do not fully use your newspaper if you simply read it. You don't really KNOW your newspaper until you have used its want advertising columns. It can dispose of things for you—it can secure things for you.

It can find lost things for you, find any kind of help you need, find buyers for your house, your lot, your horse, your furniture, your shop or store, leasehold of interest or equality. In short, any day, every day, this newspaper stands ready and able to DO THINGS FOR YOU!
