

# Pavlova Dances to Columbia Records

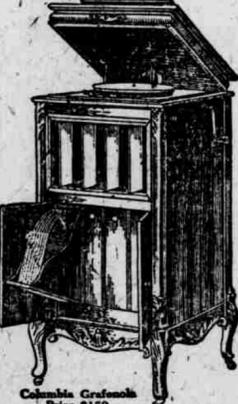

"PAVLOVA the Incomparable," the world's premier danseuse, star of the new Hippodrome production, says "... Columbia dance records over all others have my unqualified endorsement."

Columbia Records are the choice of great dancers for brilliance, tempo, and the inimitable snap, sparkle and vim that make their music ideal for the dance. Just hear these records—and you'll applaud their choice:

- A5788** ALONE AT LAST. Waltz. Prince's Orchestra. 12-inch \$1.00
- A5797** BROWN SKIN. Fox Trot. Prince's Band. 12-inch \$1.00
- A5816** BABES IN THE WOOD. From "Very Good Eddy." Fox Trot. Prince's Band. 12-inch \$1.00

You've missed something if you never had an impromptu dance with Columbia music. Columbia Records for the dance are recorded under the supervision of G. Hepburn Wilson, M.B., and every record must be perfect in time, perfect in tone and in rhythm before it leaves the Columbia laboratories.

Get dance-records with the "music-note" trademark if you want your house-dance to be a success. Columbia Records in all Foreign Languages. New Columbia Records on sale the 20th of every month. This advertisement dictated to the Dictaphone.

## DEMOCRATS IN COUNCIL WON'T MAKE RUN AGAIN

### Veterans Ready to Retire and Will Not Oppose Other Candidates.

Not one of the five Democrats, who are members of the Common Council is seeking renomination. Alderman William P. Corr of the Second district announced to his friends some time ago that he could not devote the time to the work and he would not seek re-election to the council. Thus far John J. Ford is the only candidate for the nomination in the district and it is likely he will receive it.

In the Fourth district, Alderman Frank J. Clancy likewise announced some time ago that he would not seek renomination. Alderman Clancy's business interests have increased materially in the last year and he wishes to devote more time to them. Joseph P. Onkey is likely to receive the nomination in the Fourth district.

Alderman William J. Moran who is completing his third term in the board of aldermen believes that he should now step aside to give some one else a chance, although some of his friends desired that he run again. John F. Clancy will receive the nomination in the Sixth district.

In the Seventh district John F. Toole retires after serving one term. He did not seek renomination and will be succeeded by Attorney Daniel E. Brennan.

Alderman Daniel P. Harrigan, Democratic leader of the council who represents the Eighth district, is also withdrawing after having served one term. Alderman Harrigan's friends are supporting him for the nomination for senator for the 22nd district. Attorney John A. Cornell, Jr., will be nominated and undoubtedly elected to represent the Eighth district in the council.

The retirement of these aldermen means that all Democrats who have first hand knowledge of council proceedings will leave that body in November. The twelve hold-over aldermen are all Republicans.

## ANOTHER HEARING FOR BRASS CO. PETITION

Because of the opposition of Zimmerman Brothers to other East Side bridgeport property owners, the common council streets and sidewalks committee has decided to hold another public hearing on the petition of the Bridgeport Brass Co. for an industrial spur track in Crescent Avenue from its present terminal near Hallett street to the East Side plant of the company. The petition came before the council at a public hearing Sept. 5. No one appeared in opposition then and only Guy P. Miller of the company appeared in favor of it.

After the council meeting a number of East Side property owners appeared and said they were opposed to the granting of the petition, because of the danger to many children living in the neighborhood.

A public hearing will be held Monday evening, Oct. 2. The committee considered the following resolutions and petitions last night:

Resolution for the repair of East Washington Avenue from William street to Main street. Referred to director of public works with power to act.

Resolution for repair of sidewalks on Harrison street. Referred to director of public works with power to act.

Petition of James W. Weil and others for establishment of an eight-foot sidewalk on Palmer street from Stables street to North avenue. Public hearing ordered.

Max Stein and others for the establishment of a grade on Taft Avenue. Public hearing ordered.

Stanley Greenwood and others for establishment of grade on Wells street. Public hearing ordered.

Alderman William MagFadden that Golden Hill street be widened by setting back curb on north side between Main street and Lyon terrace. Public hearing ordered.

Petition of P. J. Reilly for establishment of eight-foot building line on both sides of Pixley street. Public hearing ordered.

Petition of Wheeler & Howes Co., Salt's Textile Mfg. Co. and Archibald McNeil Son Co., for closing of Noble Avenue, south of Burroughs street. Referred to the city attorney.

## MANY BRIDGEPORTERS ARRANGING AT MOTOR HEARINGS AT CAPITOL

(Special to The Farmer.)  
Hartford, Sept. 14.—Harry M. Ford of Bridgeport was released by Secretary of State Burnes without penalty after a hearing because he had lent his license to C. A. Miller of Bridgeport. Miller was not punished for accepting the license. Daniel Winnfield of Bridgeport, charged with reckless driving in New Haven, procured a continuance of his case. William L. Egan of Bridgeport, who was the driver of a car that was in a fatal accident, was given back his license. William A. Campbell of Bridgeport, who failed to heed traffic policemen's signals in Derby, was given another chance.

The license of Earnest Freamo of Bantam, who was driving without an operator's license and failed to give a policeman requested information, will lose his license for 10 days. Gus Schmitt of Stamford, for the same offense, will suffer the same penalty. George White of East Norwich arrested for reckless driving and not carrying a license, won't be allowed to drive for 30 days.

Secretary Burnes criticized autoists who fail to stop after an accident in which they were involved, and those who obey motor laws in the city but violate them in the country.

## GERMANS FINE BELGIAN TOWN FOR PATRIOTISM

The Hague, Netherlands, Sept. 14.—The Belgian town of Liere has been fined \$5,000 for its patriotic attitude on the occasion of the recent national fête, some of its inhabitants had hoisted a big Belgian tricolor on the top of an oak tree. In order to defend the tree against German assaults, they had surrounded it with barbed wire.

Gasoline was reduced one cent a gallon at Cheyenne, Wyo., to 22 cents.

## Traffic Policemen To Be Sent To Park During Big Masque

Special traffic regulations have been made by Lieutenant Charles A. Wheeler of the traffic department for handling the crowds that are expected at the Shakespearean masque to be given at Beardsley park. The entire traffic squad of 19 men including the five motorcycle policemen will have charge of all vehicular and pedestrian traffic while other policemen will be stationed in the park to keep order. Yesterday Lieut. Wheeler announced that as many automobiles are expected to be at the park, they will all be directed to enter the park by going north on Noble Avenue and turning to the left through the main drive of the park. In front of the spot where the performance will be given, there is room for about 50 automobiles and these will be placed at angle of about 50 degrees so that the occupants may witness the play.

After this space is occupied, all other automobiles will have to proceed further into the park and can park on the other roads. But as the masque is scheduled to start at 8 o'clock, no machines will be allowed to enter the park after that time and from then on the parking space will be on Noble Avenue.

So that there will be no great congestion on Noble Avenue and to eliminate the possibility of accident as much as possible, the machines in leaving the park will have to go north through the park and down East Main street, avoiding Noble Avenue entirely.

## DANISH MAIL SEIZED

Berlin, Sept. 14.—The Danish mail from the Norwegian liner Kristianiafjord from New York to Bergen, was confiscated by the British authorities at Kirkwall, according to a report of the postmaster general of Denmark, the Overseas News agency announced today.

## LOSS OF APPETITE, LOSS OF WEIGHT, SLEEPLESSNESS, ETC.

are all overcome by Recupertabs, they are made after the formula of Dr. Albert Robin, the famous French physician, and are being used very largely in Paris and other European capitals. When taken for a short while they will give positive relief in all cases of nervous exhaustion, mental depression, lack of vitality, general debility, anemia, etc.

The Glycerophosphates of which Recupertabs are composed, contain the element necessary to overcome these conditions. They are now being prescribed and recommended by many physicians in this and foreign countries as the best, quickest and surest nerve and blood tonic that they know of.

Recupertabs are for sale at all drug stores at 50c and \$1.00 per package or will be sent direct upon receipt of price.

Curtis Chemical Co., No. 414 West 23rd St., New York. Distributed in Bridgeport and vicinity by J. D. Hartigan, No. 81 Fairfield Avenue.—Adv. R1 \*14

## "Business Indigestion" is New Ailment That Arouses Excitement In Bridgeport.

Business Indigestion is a new ailment that is afflicting many Bridgeport folk. This disease is caused by the modern rush of living. It plays no favorites. It everywhere besets the man at the desk and the man in the shop. The social malron too is often a victim of its influence. If we lived as the cave-man lived our health would take care of itself. It's the terrific pace of the 20th century that racks the nerves, weakens the stomach and runs the system down, so that it is easily susceptible to any disease germ that happens along. The cave-man ate coarse food and lived a strenuous life in the open. His digestive apparatus was suited to that kind of an existence. We inherit from the cave-man the same internal make-up, but we eat different food and lead a different kind of life. Hence the almost universal prevalence of stomach fermentation and intestinal indigestion and their constant menace to health. Our problem then, is to adjust that "cave-man" internal mechanism of ours to the sedentary, indoor life and concentrated food of civilized man.

Hundreds of local people who have been gradually driving themselves into a condition of nervous weakness and physical prostration through their lust for making money, have found that this new medicine known as "Wilderbs" (full extract), and originated by Dr. Pierce of Favorite Prescription fame, has put them on their feet. T. S. Jackson, Dr. Pierce's Health Expert, is making his headquarters at Hindle's Main and State streets store, every day from 9 in the morning until 9 at night. He said: "Wilderbs (full extract) accomplishes this adjustment of the organs of digestion to every day life by treating the underlying cause rather than any particular symptoms. Rheumatism, catarrh, indigestion, constipation, dyspepsia, nervous prostration, kidney, bladder and blood troubles are all a result of some broken down organ that isn't working right. "Wilderbs (full extract) is not a laxative; it is primarily a stomach remedy. This medicine was designed to relieve bad conditions of the digestive and intestinal tract. By doing this we overcome 95 per cent. of the root cause of all ill-health, including rheumatism, and so-called liver and kidney complaint. "Wilderbs (full extract) purifies the blood. Any physician will tell you that with pure blood you need fear no disease. The blood is the body's drainage system. Impure affections of the blood and the germs of disease vanish from the body of a man whose blood is purified. That is the secret of our tremendous success with "Wilderbs' Super-Tonic. We go right to the root of the trouble and treat the cause of the disease. Therefore we have had extraordinary success. There are literally hundreds of local people who can testify as to the wonderful results secured from the use of this new medicine. I want all of these people to call on me and ask me any questions they wish about "Wilderbs."—Adv.

### GEO. W. CRAWFORD GRAND MASTER OF COLORED MASONS

The forty-third annual communication of the Grand Lodge of Colored Masons held at Odd Fellows' hall, Housatonic Avenue, last night, resulted in the election of the following officers:  
Grand master, George W. Crawford, New Haven; deputy grand master, Joshua R. Holland, New Haven; senior grand warden, John H. Williams,

Waterbury; junior grand warden, Joseph L. Brown, Hartford; grand treasurer, Arnold Munn, Waterbury; secretary, William L. Tribbett, New Haven, and grand Tyler, Frank J. Steadman, Mystic.  
The convention was attended by delegations from practically all of the cities and towns in the state.  
President W. G. Bealer, of the Central Railroad of New Jersey, has directed all of its freight agents to discontinue handling shipments of explosives to Jersey City.

### NEW VICE PRESIDENT FOR ENGINEERING CO.

Franklin Gilbert Hubbard, formerly chief engineer of the Western Electric Co.'s plant at Hawthorne, Ill., has resigned from that company and assumed the vice presidency of the H. E. Harris Engineering Co. here. The business of the Harris Engineering Co., which moved to this city in 1915, has rapidly increased.  
Fire destroyed five buildings on Glen Island at a loss of \$50,000.
