RECORD OF GIANTS LIKELY TO STAND FOR LONG TIME

Austin Club Has Best Minor League Mark With 32 Victories.

New York, Sept. 25.—The record for consecutive games set by the New York Giants yesterday at 21 is likely to be more enduring than the one established by Providence 32 years ago.

The world's record of 32 straight games in 1914. In 1892 the Corsicana club of the Texas league ran off 27 games, while in the same year the Charlotte club of the Carolina league won 25 in a row.

GIANTS SET NEW RECORD BY GETTING 21 STRAIGHT WINS

New York, Sept. 25.—The New York Giants are proud holders of the major league record for the winning of consecutive games. They equaled the mark of 20 set by Providence of the National league 32 years ago in beating St. Louis by 1 to 0 in the opening game of a double-header at the Polo grounds yesterday; they established a new mark of 21 games, one right after another, by defeating St. Louis in the second game by a score of 4 to 2.

TWO CHANGES IN HARVARD'S ELEVEN ORDERED BY LEARY

Cambridge, Mass., Sept. 26.—All of the Harvard football players who took part in the Colby game were out on the field yesterday. There was no scrimmage, but a long session of position coaching followed an hour at the locker building blackboard, where the plays for the week were outlined and the faults of Saturday's contest discussed.

M'GRAW SAYS ZIMMERMAN IS ONE OF THE SNAPPIEST BALL PLAYERS IN THE GAME

New York, Sept. 23.—Manager John J. McGraw says Heinie Zimmerman is one of the snappiest ball players in the game. His playing and actions have greatly pleased me. The trouble Zimmerman has had in Chicago was not always his fault.

CICOTTE JINX HAS YANKS GOING AND THEY LOSE AGAIN

Chicago, Ill., Sept. 25.—The White Sox closed the season at home yesterday afternoon by defeating the New York Yankees, 5 to 1. Not an error marked the contest on either side, and it was baseball from the start until the man had been run out. Through it all Eddie Cicotte performed as seldom before. He allowed the Yankees only five hits. Three of these were two-baggers, but they did not help the visitors much.

VILLA NOVA ELEVEN WILL PLAY CHAIN CO. TEAM HERE

Local Players Start Practice Friday Night For Campaign—Other Sport Notes.

(By Wagner.) When the American Chain Co. football players assemble Friday night for practice at Newfield park Manager Healy believes he will have the best material that has been gathered in this city in recent years. Moose Miller, the New Haven baseball player and a member of the Washington Gleeclub of the Elm City, has asked for a place on the team. He has been sent a contract. O'Neil, an 185-pound center from Fordham University, has also asked for a position. He is ineligible to represent Fordham this year.

Frank Woodward, the New Haven pitcher, twirled a no-hit game last Saturday for Ridgefield. He fanned 19 members of the New Canaan team. Woodward was one of the best looking pitchers in the Eastern league and it is a wonder he wasn't drafted by the majors.

BASEBALL BITS

As the National league schedule in Brooklyn and Philadelphia does not end until a week from Thursday the New York Yankees are just 11 more games on the schedule—two with St. Louis, five with Boston and four with Brooklyn. A minor league record, however, can hardly be compared with the one set up by the Giants.

ALEXANDER WILL HURL TWO GAMES AGAINST BROOKLYN

New York, Sept. 25.—Manager Moran says he will work Alexander the Great twice in the Brooklyn series. Moran wanted to work Alexander every other day and probably would have done so if the Phillies had kept on even terms with the Dodgers. Alexander has always been effective against the Dodgers and Moran feels certain that he will be able to win two games and is more worried about the selection of his pitcher for the second game. Eppa Rixey is the logical choice as the giant left hander has had Brooklyn at his mercy. The Virginian has been off form in some of his recent games, however, and Moran is not certain that it would be wise to send him to the mound in such an important game.

BRIDGEPORT ONLY ONE POINT BEHIND IN GAELIC LEAGUE

The Bridgeport Gaelic football players are only one point behind the Young Mitchells of New Haven in the race for honors in the Gaelic league. By reason of their victory over the Sarsfields of New Haven the Young Emmets of this city are in triple tie with the Sarsfields and the Hartford team. The standing:

CHARLIE HENNING, PENN GUARD, LOST TO TEAM FOR REST OF SEASON

Philadelphia, Pa., Sept. 25.—Charlie Henning, one of the greatest guards ever to leave the imprints of his cleated shoes on the turf of Franklin Field, passed out of Pennsylvania football probably for the entire season when he was operated on in the University hospital for appendicitis yesterday. Henning is the fifth member of the Red and Blue Varsity out of the practices at present.

ANNIVERSARIES OF BING BATTLES

1894—Bob Fitzsimmons knocked out Dan Creedon in 2nd round at New Orleans. Both of the fighters in this contest for the middleweight crown, then held by Fitz, were Australians. A \$5,000 purse was hung up, \$4,000 to go to the winner and \$1,000 to the loser. Creedon had quite a following and Bob's enemies, who were rather numerous at that time, hoped that Dan would succeed where Jim Hall had failed. Bob announced before the contest that, regardless of the result he would go after the heavyweight title as soon as he had finished with Creedon. Fitzsimmons weighed 155 1/2 pounds ringside, while Creedon was within a few ounces of 158 pounds. It was early apparent that Creedon, game and clever fighter that he was, didn't stand a chance against the freckled Cornishman. The match was for 25 rounds, but Bob needed less than two of them to finish Creedon. When Fitz later went after the heavyweights, Dan laid claim to the middleweight honors, but he was defeated by Kid McCoy.

CRIMINAL DOCKET LARGE

New Haven, Conn., Sept. 26.—An unusually large number of cases awaited action when the criminal side of the superior court was opened today with Judge Joel H. Reed on the bench. One murder case was included in the list of 120 on the docket, that of Joseph Castell, Francisco Vetter, dead mutes, of New York, who are accused of having lured Mrs. Castell, wife of the first named man, to this city and here killed her.

CONDUCT MUST MERIT CONFIDENCE OF PEOPLE, PRESIDENT F.P. QUINN TELLS LIQUOR DEALERS OF STATE

Derby, Conn., Sept. 26.—The necessity for active work to secure for the business the treatment they believe it deserves, was voiced by President Frank P. Quinn, of New Haven, in his report to the annual convention of the Connecticut Liquor Dealers' Association, which opened a two days' session here today.

GIANTS' OWNER NOT WILLING TO ACCEPT \$100,000 FOR INFIELD

(Sporting News.) Right off the reel, McGraw's rebuilt inner works has been dubbed the new \$100,000 infield. The story comes from New York that President Hemphstead of the Giants was being consulted by a party of financiers on the getting together of such an aggregation. "That infield I figure to be worth at least \$100,000," said your outfield is easily worth \$75,000."

NO SERIES BETWEEN YANKS AND GIANTS THIS SEASON

New York, Sept. 26.—There will be no city series here between the Giants and the Yankees. Both Harry Hemphstead and John McGraw are unalterably opposed to such a series, and it can be said on the best of authority that there is no chance of its being staged. Hemphstead and McGraw vowed "never again" after the "series" last spring. While the Giants would benefit to some extent financially, the Yankees are very lukewarm about the proposition.

Hempstead and McGraw Refuse to Play Although Rivals Are Anxious.

did not favor playing such a series. "We have not heard anything lately from the Yankees in regard to such a series and I do not see the use of playing any. The subject was discussed some time ago, but very little interest was shown by the various parties concerned and we gave the series no more thought. "In fact, we have gone ahead and scheduled the Giants to play a lot of exhibition games in the Scranton coal regions at the expiration of the National league season. We could hardly play a series, having arranged for these games."

CHAIN CO. ROOTERS DON'T ENTHUSE OVER U. M. C. CLUB SPIRIT

Some of the rooters at the American Chain Co. are not willing to agree that Manager McCann of the U. M. C. team displayed such great sportsmanship in refusing to take the Industrial league pennant on a technicality. The Chain Co. boys say they only course open to McCann was to refuse to take the flag under those circumstances as the general public would not have been enthusiastic about a parlor pen-
