**GETS SAFE CONDUCT TO GO TO ITALY TO CLAIM ART REWARD**

New York, Sept. 29.—The Italian government has consented after much delay and negotiation to guarantee safe conduct and residence in Rome during the remainder of the war to Carl P. Jennewein, a naturalized American who was born in Stuttgart,

Germany. Jennewein was a member of the Seventh regiment of the New York National Guard. Before he went to the Mexican border with his regiment he received notice that he had won a \$3,000 scholarship from the American Academy in Rome for a piece of sculpture in a competition at the national academy of design in this city. Jennewein was unable to obtain a passport owing to his German nationality. His friends here interposed in

his behalf and were aided by Secretary of State Lansing. He will leave here for Italy next Saturday.

**Prisoner, Carmody Learns He's a Papa**

Just as he was about to be arraigned on a charge of burglary, word was brought to Arthur Carmody of this city in the police court at New Haven yesterday morning, to the effect that

his wife had given birth to a son in a Bridgeport hospital, a few hours before.

Carmody's request that he be allowed to go and see the new arrival was denied, but his case was continued until October 14, and it is likely that in the meanwhile he may get his release on bail. He is accused of having robbed a rooming house in Henry street, New Haven, about a year ago.
