**Twelve Reasons
Why the Trade give to the Excelsior Dairy the
preference over all others.**

1st. It is printed on the best tint paper.
2d. The same quality of paper is used through-
out the entire issue, giving just as good paper in a
cheap book as in a high priced one.
3d. It is the best finished Dairy in the
market.
4th. We give you 25 different styles to select
from.
5th. Quills a number of the best selling pat-
terns are made by no other house.
6th. The pocket-book styles are all arranged to
suit the business man.
7th. Retailers want a Dairy that is neat, at-
tractive and substantial.
8th. You will find fewer of them among the
old stock of dealers, as they sell better than
any other Dairy.
9th. The sale of the Excelsior has increased
more than 50 per cent. in the last four years,
which fact shows that the retailer appreciates
them.
10th. We give attractive show cards and pos-
ters, and plenty of them.
11th. They cost no more, and no less, than
other Dairies—all lists and discounts being
uniform.
12th. The Excelsior is the best retailing
Dairy offered to the trade.
We intend to visit all dealers in Dairies early
in the season. If there are any, however, that
we do not reach, we shall be pleased to send
them, on application, a line of samples to ex-
amine in comparison with other goods.
Early orders are always filled complete, while
late orders are apt to find the assortment
broken, and require the best selling styles
used up. It is a good plan to put in orders early
as pay-day comes no sooner than with late or-
ders. We can deliver goods any time after 1st
of October.

BARDWELL HOUSE.
WEDNESDAY, AUGUST 27, 1873.
(For the GLOBE.)
Friendship, Love and Truth.
There's a beautiful love with a snowy white
wing,
That sings in the winter as well as in spring;
That warbles at midnight as well as at noon,
Enlivening the darkness and sweetening the
glow;
Whose soul-stirring music is over the same,
And Friendship, Sweet Friendship, it opens for
its name.

There's a beautiful star with a hope-giving ray,
That modestly shines from the glories of day;
When shadows of evening are dim and drear,
It comes in its brightness our sadness to cheer;
Ne'er leaving the zenith to wax or to wane,
'Tis never inconstant for Love is its name.

There's a beautiful stream that, with murmuring
low,
O'er mountains and through the sweet meadows
doth flow;
Though torrents may roar at the tempest's be-
hest,
Unruffled its bosom undisturbed its breast;
The ice king of winter may bind it in vain,
It flows on unheeded for Truth is its name.

There's a beautiful stream that, with murmuring
low,
O'er mountains and through the sweet meadows
doth flow;
Though torrents may roar at the tempest's be-
hest,
Unruffled its bosom undisturbed its
