Pray for us. he reduced. The Democracy boasts of reform in entting down expenses only. Real reform includes reduction of expenditures On the death of A. N. Arnold, late a and lowering taxes. These must go to- member of Albany Lodge, No. 4, I.O.O.F., gether. The Democracy has not reduced who died under circumstances most afflicttaxes one mill, and hence their boasting is ing to his friends, Sept. 30th, 1876. vain. The people do not want to cover money into the Treasury which ought to The destroyer has overtaken a brother be expended upon the public works. What and he has fallen. That which was mortal of A. N. Arnold is now crumbling away

> This the Democracy has not done. few days, thus showing the three hundred million loan of the 4½ per cent. bonds is the many virtues and the warm and generous impulses of the nature with the athast being disposed of. This establishes tachment to our noble order, commands beyond cavil the soundness of our National that we forget thy weakness, and that we credit, and silences forever all that loud- embalm the memory in the sanctuary of mouthed insolence of the Democracy about brotherly affection ury, tried his hand with a five million loan at 12 per cent., and failed.

> Secretary Morrill places on the market a three hundred million loan at 41% per cent, and it is taken. Now it will be seen that placed the credit of the nation on a solid

basis. It cannot be shaken.

The last Quarterly Report of the Chief of the Bursan of Statistics gives many interesting facts in connection with foreign immigration. The total number of immigrants show Jam. 1, 1876, is 169,986; of these, 111,785 are males and 58,200 females.

These impligrants are from the principal

There is one significant fact in connection with the influx of these strangers into hostility to the habitual use of intoxicating this country. None of them, or to say the least, comparatively few of them go South Resolved, Finally, that our Secretary be ostracised in the South-especially are men ostracised there for opinion's sake. Λ friend of mine, a Democrat, has just returned from Texas. He says he is almost ready to avow himself a Republican, and for this reason, that, though known to be a Democrat, he was looked upon everywhere, from the Virginia line all the way to Texas, with distayor and sometimes with con-

tempt because he was a Northern man; he is a native of Washington. Were this spirit of ostracism to cease the South would find a flow of immigration into all its borders. Soil, climate, undereioped wealth, a thousand things make it a in a fair way to become very profitable to desirable country in which to settle, but no

and that the laborer and mechanic are both publication, and that they be made a matter of record in this Lodge.

JOS. WEBBER,

T. J. STITES. N. W. GARRETSON. ALDEN FRUIT PRESERVING COMPANY,-One of the most prominent and important industries that has grown up in our midst during the last few months, is the Albany man who is a man will consent to live the stockholders, besides creating a market where he must conceal his opinion.

"Perhaps there is a meaner thief than the Period fellow who stole a quilt from his paralytic mother's bed," says the Journal of the want of such market. Unless you refer to the American It all the stock in the Company was taken, thus enabling the management to increase their facilities for preserving truits, a still swearing through a false income return, we greater demand would be created for the ean't name the man.

"The average Democractic editorial," says the N. Y. Tribune, "looks as if it couraging the production of greater variety for the use of the Company. There seems Horse Ellis, after the Hell Gate explosion, and gathering up the tragment, presume to offer them at "ten cents an inch." city were able to secure and preserve all the surplus fruits, etc., raised in Lan counone of the happlest results of the Centennial will be to learn the four great sections of this country, the power and wonderful results of the remunerative rates. It by investthere will be a measurement, and a much more full appreciation of the grand abilities of the people and the continent than could have been received under any circumstances. If Mr. "Sin Nott's" letter, which it required tarty-days to bring out, is the best that can be said as a rebuttal to the charges of the N. Y. Times, we agree with the people see to it that all the stock in the Fruit Preserving Company is taken that there yet remains the fatal question: "Did Mr. Tilden acquire millions between 1861 and 1871, on which he did not pay tax?"

LIFE.

Industry that will be able to preserve all the surglus fruits and vegetables raised in the county, paying the producer a fair price therefor in cash, is it not the part of good economy and business sense to make such investment? If these are facts, will not our people see to it that all the stock in the Fruit Preserving Company is taken at an early day?

The Royal Marionettes at Portained for the San Francisco register throws out some 4,000 mames, including many old and promitative.

The Royal Marionettes at Portained for the same full producer a fair price therefor in cash, is it not the part of good economy and business sense to make such investment? If these are facts, will not our people see to it that all the stock in the Fruit Preserving Company is taken at an early day?
