PALEMBROCK.—In November, 1878, Sol King, Sheriff of this county, received a telegram directing him to look out for and arrest a man charged with larceny in a dwelling house in Folk county, giving a particular description of the man. Mr. King gave the telegram to W. T. Huffman, who was then the City Marshal of this city. A short time afterwards Mr. Huffman found a man filling the description and arrested him and put him in jail, keeping him there from Saturday until Monday, when the Folk county officer came up and informed Mr. H. that he had the wrong man. The person arrested was John Mahar, who was at that time and ever since has been a resident of this county. About two years after this occurred Mr. Mahar concluded that he had been considerably damaged by this incarceration, and that Sheriff King was somewhat to blame in the matter, having as Mahar claimed, told Huffman to look him up, and an action was commenced against King and Huffman for damages, fixing at \$2000. The case against King was tried at the last term of court and the jury disagreed. It was re-tried this week resulting in a verdict for the plaintiff for one dollar. This verdict being less than \$50, the plaintiff will have to pay the cost of the proceeding.

TEMPERANCE SOCIETY.—Amongst the Union Temperance Society was held at the Evangelical Church last Monday evening. After an address by Rev. J. B. Bowers, on the subject of Temperance, a committee report was read by Dr. Johnston recommending the election of the following officers for the ensuing year, which was adopted and the following declared elected: Pres. Rev. S. A. Starr; Vice Pres. Rev. Bowers, Dunning, McFarland, Hanna, and Davidson; Sec. E. Woodward; Am. Sec. J. W. Williams; Executive Com.—E. Allen, W. Nash and L. A. H. Starr, V. Broek; Treas. Mrs. H. E. Johnston. It was also on motion agreed that for the present the meetings should be held at the Evangelical church every two weeks. It is also desired of the Executive Com. to meet at Dr. Johnston's office next Saturday, April 2nd at 2 o'clock P. M. to arrange for programme of Exercises for the next meeting which will be held Monday evening, April 11th.

ENOUGH.—The satirical drama entitled "The Spirit of '36" was performed at the Opera House last Wednesday evening by an amateur company consisting of Dr. F. A. Vincent and wife, F. H. Sawtell and wife, Mrs. F. M. Johnson and Miss Becca Vincent. Space forbids the lengthy comments we would like to give of the performance and will only say all did well. Yet we cannot forbear mentioning that Mrs. Johnson singing was excellent and called forth some very complimentary mention in our neighborhood, while Miss Becca Vincent sustained her part so perfectly in every respect as to merit more than a passing notice.

REAL ESTATE FOR SALE.—In another column appears a long list of Real Property for sale by Capt. J. M. Ayles who has recently established a Real Estate agency in this county with correspondence in England. Capt. Ayles has in his list almost every kind of real property that a purchaser could desire and intending purchasers would do well to give him a call before looking further as he can suit anyone. It will also be to the interest of persons having Real Property to sell to place the same in his hands as in most of every case find a purchaser.

FLAX PULLING INVENTION.—A new invention for pulling flax, which will pull from ten to twenty acres per day of lint or oil flax without wasting the seed or injuring the lint, has been made, and patent applied for by S. W. Gaines of Saco, Linn county. The adaptability of our soil for raising flax, and the necessity of some such invention to cheapen its price, and do away with Chinese labor has been long felt, and we hope, in Mr. Gaines' invention, has been found the needed improvement.

The beautiful sunny weather now prevailing in this valley has a very beneficial effect upon the health of the people. The many cases of bad cold, with which this community has been afflicted for a long time, are gradually diminishing under the influence of the balmy spring weather.

The mania of walking on stilts, so much indulged in of late by the youth of Corvallis, is threatened to be superseded by that of base ball. Already we hear of sprained thumbs, bruised shins and sore heads, the result of this vigorous pastime. A few broken legs, arms and skulls, with a knocked out eye or two thrown in, will perhaps satisfy our youthful athletes.

NOTICE.—This celebrated concert company gave an excellent entertainment at the Opera House in this city last Saturday night in a well filled house. We are sorry that a sudden and severe illness prevented the appearance of Miss Jennie Landman at that occasion, but the artists who did appear seemed to make a special effort to make up for her absence. Miss Gerrieh was received very kindly by the audience and encored after each song; this was of course the highest compliment they could pay. Sig. Espinosa and Mr. Zech executed some of the finest piano music to which a Corvallis audience has listened for a long time, while the violin music of Mr. Schmidt was simply excellent. The company was under the business management of Eugene Hult.

NOTICE.—The case of Chas. F. Hogan vs. E. A. Swan, U. S. Indian Agt., at Siletz was tried before a jury in the Circuit court last Wednesday this case had already been tried in the county court sometime since but owing to the absence of Mr. Swan and his witnesses judgment was given against him, from which he appealed to this court where a new trial was had and a verdict given in favor of the defendant's attorney. This is the second time that Cotty has been shot in the same hand and in the same way, the first being near five years ago.

It is a fact well established by unquestionable testimony that Hall's Hair Renewer restores to its original color and lustre, faded gray or discolored hair, cheaply, quickly, and safely. The poorest people prefer to buy it and use it, rather than to proclaim in a manner more forcible than words can delineate, through bleached locks or grizzled hair, that they are aged and ceasing to decay. A very short trial will convince the most skeptical that it does eradicate the scalp diseases which rob the hair of its color and life.—Fort Scott (Kan.) Daily Monitor.

THE AMERICAN PEOPLE.—No people in the world suffer as much with Dyspepsia as the American. Although years of experience in medicine had failed to accomplish a certain and sure remedy for this disease and its effects, such as Sour Stomach, Biliousness, Water-brash, Sick Headache, Costiveness, Palpitation of the Heart, Liver Complaint, coming up of the food, low spirits, general debility, etc., yet since the introduction of GREEN'S AUGUR Pepsin we believe there is no case of Dyspepsia that cannot be immediately relieved. 30,000 doses sold last year without one case of failure reported. Go to your Druggist and get a Sample Bottle for 10 cents and try it. Two doses will relieve you. Regular size 75 cents.

Do You Believe It.—That in this town there are scores of persons passing our store every day whose lives are made miserable by Indigestion, Dyspepsia, Sour and distended Stomach, Liver Complaint, Constipation, when for 75 cents we will sell them Shiloh's Vitalizer, guaranteed to cure them. Sold by Allen & Woodward, Druggists.

Deceased was born in Crawford county Pennsylvania where he resided until 1847, he came to Oregon in 1847 and settled on the farm adjoining the present city of Corvallis where he died, he was one of our oldest settlers and a most respectable citizen. We all know him and none have ought to say against him. Most of his family had lived at years of maturity and with his wife survive him. The funeral will be held on Friday morning, April 1st, at 10 o'clock, at the residence of the deceased. The funeral services will be held at the residence of the deceased.

Sad Harve is Created.—Among the tenants of the mouth by allowing impurities to collect upon their surfaces or in their interstices, SOZODONT removes every vestige of tartar from the teeth, and renders their premature decay and whitening and vigor, but communicates hardness and rosin to the gums. The result acquires a most acceptable fragrance from its use; it is a purely botanic liquid, and it may be relied on to accomplish its beautifying effects without injuring the enamel like a gritty tooth paste.

We Challenge the World.—When we say we believe, we have evidence to prove that Shiloh's Consumption Cure is decidedly the best Lung Medicine made, in as much as it will cure a common or Chronic Cough in one half the time and relieve Asthma, Bronchitis, Whooping Cough, Croup, and show more cases of Croup cured than all others. It will cure where they fail, it is pleasant to take, harmless to the system, and we guarantee what we say. Price, 10c. and \$1.00. If your Lungs are sore, Chest or Back lame, use Shiloh's Porous Plaster. Sold by Allen & Woodward, Druggists.
