

THE "JOE THOMAS" SUIT.—This suit is now attracting a great deal of attention. The former gives a very succinct account of the whole affair, which we copy: "The lawsuit now creating so much excitement in Portland, is brought by W. C. Johnson, F. O. McCown, George A. Pease, Owen Wade, and J. M. Moore, of Oregon City, claiming under Joseph Thomas, the alleged father of Finice Caruthers, to obtain property in Portland, now said to be worth \$400,000, and at present held by D. B. Hannah, C. M. Carter, A. B. Caruthers, B. Goldsmith, W. Lair Hill, and others, they holding by purchase from the collateral heirs of Finice Caruthers (or Thomas), son of the old man known as 'Wrestling Joe.' The defendants claim that Joe Thomas has been dead many years, and that the old man now claiming to be the original Joe, is an impostor, being really James W. Davidson, the father of Green C. Davidson, of Marion county; and to sustain this allegation, they have brought several witnesses from Illinois. Accordingly, a few days ago, 'Wrestling Joe' was arrested on a charge of perjury, and also Green C. Davidson. The preliminary trial in the case of the former is now going on before Judge Denny, Police Judge of Portland, and the proceedings are very slow, and it seems likely that the trial will continue several days yet. Only one witness has yet been examined, Nathaniel Smith, of St. Clair county, Illinois, who testified that he knew James W. Davidson in that county in 1819, and for several years thereafter, but has not seen him for forty-five years—that the defendant is the same man—knows him by a certain scar on his face; and by some other particulars." Owing to the sickness of the old man claiming to be Joe Thomas the trial before Judge Denny has been postponed for the present.

THANKSGIVING PROCLAMATION.—Gov. Grover has issued the following Thanksgiving Proclamation: Pursuant to long approved custom, and in thankfulness for the blessings of peace, general health, and abundant harvests, exemption from unusual disasters by fire and flood, and distresses of disease, which have characterized this State during the past year, I recommend that Thursday, the 30th day of November, 1871, be observed by the people of Oregon as a day of Thanksgiving and Praise to Almighty God for these manifold favors.

Given under my hand and seal of said State, at the Executive office, in Salem, this 8th day of November, A. D. 1871.

COLONEL CHAPMAN.—This gentleman has gone East to attend to business connected with a project of his own, to construct a line of railroad from the Columbia river to Salt Lake, and there to connect with the Union Pacific. He carries with him a memorial to Congress unanimously signed by our citizens in behalf of aid from the General Government to help the construction of the road. On his way he will carry a day or two at the chief towns of Eastern Oregon and Idaho which are in the line of stage travel, to receive further signatures.

UNK WEED REMEDY.—The Unk Weed Remedy, of which Dr. Loryea is the sole proprietor, is rapidly gaining a national reputation. There is no doubt of its being a very effective relief for all rheumatic complaints. Dr. Loryea has gone East to introduce his valuable medicine, and we doubt not will be abundantly successful.

GEOLOGICAL.—The Yale exploring party, says the Oregonian, consisting of six or seven young men attached to Yale College, who have been "doing" the Territories and Eastern Oregon in a geological and scientific sense, arrived in the city on Tuesday night, and are quartered at the St. Charles.

REAL ESTATE.—The Oregonian says that real estate is again in good demand in Portland. Recently, one firm of agents in this city sold over \$60,000 worth, including five farms in Washington county. Prices are firm and somewhat advanced from those of last spring and summer.

GRAIN SOWN.—The Dallas Republican says: A large amount of grain is being sown this fall. It is quite common to hear farmers remark that they have sown from fifty to one hundred and fifty acres, and are still sowing.

JUNCTION CITY.—At Junction City, 14 miles north of Eugene, forty buildings have been erected within the past few weeks. The town now has sixty or seventy houses. Two months ago it had not one.

SOLO.—Judge Thornton has sold his fine 700 hundred acre farm in Benton county, just across the river from Albany, to Dick Williams, Esq., of Salem, for the sum of \$8,000.

SCHOOL CHILDREN IN PORTLAND.—There are two thousand and seventy children in Portland on the school list, but only about one thousand attend.

THE PENITENTIARY.—Two million five hundred bricks have been laid in the walls of the new penitentiary.

BISHOP SCOTT SCHOOL.—There are at present 86 pupils in attendance at the Bishop Scott Grammar School.

THE RAILROAD.—The railroad has reached the new town of Cresswell, 12 miles south of Eugene City.

MAIL LINE.—An effort is being made to have a mail line established from Albany to Oeloso.

WILL APPEAR.—Mrs. C. Levy's advertisement will appear next week.

Woman Suffrage Convention.

FIRST DAY—MORNING SESSION.

OLYMPIA, Nov. 8, 1871. Pursuant to published notice, the advocates of Woman Suffrage assembled in Olympia Hall, at the hour of ten o'clock, A. M., whereupon

Mrs. S. B. Yesler, of Seattle, was called to the chair, and Mrs. J. B. Allen was appointed Secretary pro tem.

Miss Anthony briefly stated the objects of the meeting.

On motion, Rev. Geo. Greer, Mrs. G. A. Barnes, and Miss M. O. Brown were appointed a committee to suggest a plan of organization.

After consultation, the committee submitted the following report, which was adopted:

Mrs. CHAIRMAN—Your committee to whom was referred the subject of organization, recommend the following:

Permanent officers of the Convention: For President, Mrs. M. C. Allen; for Vice President, Mrs. Ellen Hewitt; for Secretary, Miss L. M. Ordway; for Treasurer, Mrs. E. T. Munson and the following executive committee: Executive, Mrs. J. W. Brazee, Mrs. A. R. Elder, Mr. D. E. Bigelow, Mrs. P. D. Moore and Mrs. E. French; Finance, Mrs. J. M. Murphy, Mrs. M. A. Barnes and Mrs. Olive B. Manning.

GEORGE GREER, Ch'n. The permanent officers hereupon assumed their respective positions.

On motion, Mr. J. W. Brazee, Mrs. M. A. Barnes and Mrs. Olive B. Manning were appointed a committee to invite Mrs. J. B. Frost to address the Convention at its evening session.

On motion, Convention adjourned to 2 o'clock.

AFTERNOON SESSION. Convention assembled pursuant to adjournment, Mrs. President in the chair.

Mrs. Allen addressed the Convention, and exhorted the ladies upon the auspicious beginning of their labors.

The report of the Executive Committee was received and adopted, which was as follows:

Mrs. PRESIDENT—Your Executive Committee beg leave to submit the following resolutions:

1st, That we organize a Territorial society, to secure and accomplish the enfranchisement of the woman, to her equality in the enjoyment of every right, moral, social and political, chief among which is her privilege to representation in a Government which subjects her property to taxation, and herself to the penalty of violation of law.

2d, That to carry out the intent of the foregoing resolution, a committee be appointed to draft a Constitution, to be presented to this Convention at the earliest possible moment for the signatures of those in attendance upon the Convention.

3d, That County societies would prove a valuable assistance in furtherance of this movement, and this Convention earnestly recommends the formation of such societies throughout the Territory.

4th, That the Executive Committee of this Convention be especially instructed to secure, or use their best endeavors to secure, such legislation at the present session of the Legislative Assembly of this Territory as will promote these objects, protect the property of women, married and single, and to obtain a thorough recognition of their existing rights as citizens, so that they may be protected in their full enjoyment and exercise.

Respectfully submitted, J. W. BRAZEE, Ch'n.

On motion, a committee consisting of Mr. Elwood Evans, Mrs. S. B. Yesler, Mrs. Hall, Mr. Bigelow and Miss Anthony, were appointed to draft a Constitution.

Committee retired for consultation.

During the absence of the committee several ladies and gentlemen addressed the Convention, pro and con, the object for which was assembled.

Committee appeared and submitted the following Constitution, which was adopted *seriatim*:

ART. 1.—The organization shall be called the Washington Territory Woman Suffrage Association.

ART. 2.—The object of this Association shall be to encourage the women of Washington Territory to claim and insist upon their right of suffrage as guaranteed by the Federal Constitution and amendments thereto, and especially conferred in the suffrage law of this Territory, and to use all proper efforts to secure the recognition of this privilege from judges of election, or the Courts of this Territory, and generally such objects as are calculated to promote the social and civil welfare of woman.

ART. 3.—All persons who believe in the equality of woman, her claim to equal protection of the laws, her equal rights with men to the privileges of the American citizen, and especially the recognition of the right of suffrage, shall subscribe their names to this Constitution and be members of this Association, and to vote and share in its deliberations.

ART. 4.—The officers of this Association shall be a President, a Vice President from each of the three Judicial Districts, a Recording and Corresponding Secretary, Treasurer, and an Executive Committee of not less than five nor more than nine persons, to be elected at each annual meeting.

ART. 5.—The President of this Convention, shall be *ex officio* a member of the Executive Committee of Territorial Association.

ART. 6.—This society shall hold an annual meeting at such time and place as shall be designated in a call of the Executive Committee.

ART. 7.—The Executive Committee shall meet on the call of its chairman any three of whom shall be a quorum. All questions of finance, including raising and disbursing necessary funds to promote the objects of this society, shall be within their control.

ART. 8.—This Constitution may be amended at any annual meeting of this society, by a majority vote of the enrolled members of the society, present at such meeting.

Miss Ordway, from the committee to invite Mrs. J. B. Frost, submitted a report, stating that that lady declined to address the Convention.

Report received and committee discharged from further consideration of the subject.

On motion, Convention adjourned to 2 P. M.

EVENING SESSION. Convention assembled pursuant to adjournment, Vice President, Mrs. Hewitt, in the chair.

The following communication was read by Mrs. Duniway:

"better half," whose love of justice and virtue are elements sadly needed in the management of our public affairs. The evidence is overwhelming that "it is not good for man to be alone." I rejoice, however, that the womanly and unworldly, who have been in the past, are now being educated by the dawn of the morning, and public sentiment is fast being educated to the plane of justice and equality.

Instinctively and logically, those who framed and adopted the 14th and 15th Amendments to the Constitution, accorded citizenship and political privileges alike to both sexes, and the statutes of this Territory clearly secure to women the right to vote as fully and as really as to men; but in order to relieve some unjust or prejudiced officers of election, the Legislature now in session, should pass a declaratory or mandatory act, requiring all officers of election to receive the votes of women, otherwise qualified, who are entitled to vote.

I trust the members will unhesitatingly show their regard for the golden rule and the law of justice, as well as confidence in their wives, mothers and sisters, by securing to the womanly and unworldly, the rights and privileges beyond evil.

I honor those men who firmly and nobly espouse the cause of the wronged and maintain the right without consulting the popularity of the movement with which they identify themselves. It evinces a faith in, and devotion to, those American principles, the outgrowth of the American idea, and which, ere long, will be crowned with victory.

It is highly gratifying, after more than twenty years' labor in an unpopular but righteous cause, to witness distinguished men falling into line, and literary and religious institutions recognizing the claims of woman, and especially to see the great and powerful Methodist Church, in this Territory, so earnestly and so bravely in support of this question. Persistent work and earnest devotion in the cause in which you are engaged will hasten the "better day" for America, and in the prayer for the realization of which I heartily join you and your co-workers.

Sincerely yours, P. D. MOORE.

On motion of Rev. Mr. Kimball, Mrs. Duniway was requested to read the article in the New Northwest, November 1st, which Mrs. Frost had taken exceptions, for the information of the Convention.

Article read amidst applause.

Discussion of the subject of women suffrage being invited, Messrs. Huntington, Greer, Miss Anthony, Mr. Laster, Father Denny, and others, addressed the Convention, at considerable length.

The Finance Committee reported the amount collected to be \$22.

On motion, Convention adjourned to 10 o'clock to-morrow morning.

SECOND DAY—MORNING SESSION. OLYMPIA, Nov. 9, 1871.

Convention met pursuant to adjournment. The President and Vice President being absent, Mrs. Yesler was called to preside.

Minutes of yesterday were read and approved.

Executive Committee submitted the following report which was adopted:

Mrs. PRESIDENT: Your Committee to whom was referred the subject of suggesting officers for a Territorial Woman Suffrage Association, would respectfully recommend the following named ladies for officers: President, Mrs. M. C. Allen; Vice President, Mrs. Annie Mix, of Walla Walla, First Judicial District; Mrs. L. Ellen Hewitt, of Olympia, Second Judicial District; Mrs. S. B. Yesler, of Seattle, Third Judicial District; Recording Secretary, Mrs. Amelia Giddings, of Olympia; Corresponding Secretary, Miss L. M. Ordway, of Port Madison; Treasurer, Mrs. M. A. Barnes, of Olympia; Executive Committee—Mrs. Melitabel H. Elder, Mrs. Elizabeth Bigelow, Mrs. Mary Saunders, Mrs. Phoebe Moore, Mrs. Clara Sylvester, of Olympia; Mrs. Mary O. Brown, Mrs. Sarah L. Theobalds, of Seattle; Mrs. Caroline H. Willis, of White River; Mrs. Mary E. Meigs, of Port Madison.

Respectfully submitted, J. W. BRAZEE, Ch'n.

The following resolutions of the Grand Lodge of Good Templars were presented and read:

WHEREAS, Designing politicians have in the past attempted to prostitute the Order of Good Templars for their own selfish purposes, bringing the Order and the Whisky interest into damaging alliance, and

WHEREAS, We believe they are attempting the same in the near future; therefore be it

Resolved, That the only remedy for existing evils is the immediate formation of a political temperance reform party, in which all women and temperance men are invited to join.

Resolved, That in order to succeed Woman Suffrage must obtain.

Resolved, That no person can be at the same time on terms of fraternity with the temperance party and the whisky interest.

Resolved, That the Grand Worthy Secretary is hereby instructed to issue a call to all Woman Suffrage women and temperance men to convene to a convention to be held at Seattle, W. T., not more than two months hence, for the purpose of permanently organizing in such Territory.

[This is substantially thought not critically correct.] J. E. BURNS.

On motion, adjourned to 2 P. M.

AFTERNOON SESSION. Association met pursuant to adjournment, President in the chair.

Miss Anthony submitted the following whereas and resolution:

WHEREAS, By the Fourteenth Amendment to the Federal Constitution "All persons, born or naturalized in the United States and subject to the jurisdiction thereof, are citizens," and by the Statutes of 1867 of Washington Territory "All American citizens above the age of twenty-one years who shall have resided six months in the Territory and thirty days in the county," etc., "are entitled to hold office or vote in the Territory," therefore

Resolved, That we respectfully ask the Legislature of this Territory, now in session, to pass an act declaring it the duty of Judges of Elections to receive and count the votes of all women citizens possessing the requisite qualifications, the same as they do those of men. Unanimously adopted.

A communication was received from Mrs. Allen resigning the office of President, stating that her short residence in the Territory and consequence limited acquaintance with the people, rendered her acceptance of the trust undesirable.

On motion, the resignation of Mrs. Allen was accepted.

On motion, Mrs. Giddings was unanimously elected to fill the vacancy.

Mrs. Giddings resigned the position of Recording Secretary.

Mrs. Giddings in the chair.

On motion, Mrs. Munson was elected Recording Secretary.

On motion, Mrs. Elder and Mrs. Barnes were appointed a committee to wait upon the Legislative Assembly, and urge legislation in behalf of woman's right to a voice in matters of National and local politics.

On motion, Mrs. Laura DeFoe Gordon was chosen to represent Washington Territory as Delegate from the Pacific Coast in the National Woman Suffrage Convention, to be held in Wash-

ington, D. C., on the second Monday of January.

On motion, Mrs. Elder was appointed a committee to solicit funds to defray expenses of said Delegate.

On motion, the President was empowered to appoint committees in the several counties to solicit funds for that object, and Mrs. Moore was appointed a committee to draft by-laws for the government of the Association.

Rev. Mr. Kimball presented the following resolution, which was adopted:

Resolved, That the women of the Territory, and especially those who are members of this Association, ought to make themselves familiar with parliamentary rules and the manner of drawing up resolutions, presenting and conducting business, and the duties and practice of the various offices in public meetings, and hold themselves in readiness, even at the sacrifice of personal feeling, for the performance of the same.

On motion, the Corresponding Secretary was requested to correspond with the Judges of Election appointed at the next election, with reference to the rights of women to vote.

On motion, adjourned to 7 P. M.

EVENING SESSION. Association met pursuant to adjournment—Mrs. President in the chair.

Miss Anthony presented the following resolutions which were adopted:

Resolved, That the thanks of this Association are hereby tendered to the Grand Lodge of Good Templars of this Territory for the passage of the resolution at their recent session in Olympia, endorsing WOMAN SUFFRAGE.

Resolved, That it is the duty of the women of this Territory to give their influence and votes to no political party or nominee, unless fully pledged to the rights of the woman citizen, and to vote and hold office as woman citizens to vote and hold office.

A resolution affirming that whereas Miss Susan B. Anthony has labored earnestly and faithfully in inaugurating the cause of Woman Suffrage in this Territory, and has become acquainted with many of the citizens and is consequently well informed as to their wants, therefore the vote by which she is elected to the National Convention be rescinded and Miss Anthony elected Delegate, and that the sum of one hundred dollars be appropriated out of the Association's funds to defray her expenses attending said Convention, was unanimously passed.

Miss Anthony submitted the following resolutions, which were adopted:

Resolved, That we urge the friends of Woman Suffrage in every voting precinct of the Territory to organize associations, hold regular meetings for lectures and discussions, circulate tracts, speeches and newspapers, enroll the names of women who will vote at the next election, and report proceedings and list of officers to the Secretary of this Territorial Association.

Rev. Mr. Kimball presented the following resolution, which after discussion, was adopted:

Resolved, That as members of this Association we believe that in advocating the equality of the rights of women with those of men, we are carrying out the spirit and principles of the Gospel of Jesus Christ.

The following resolution was submitted and unanimously adopted:

Resolved, That the members of this Association tender their thanks to Miss Anthony for her zeal in the work of the enfranchisement of women and especially for her labors in this Territory.

The following resolution was also unanimously adopted:

Resolved, That the thanks of this Association are hereby tendered to Mrs. A. J. Duniway for her able services in the cause of Woman Suffrage in the publication of her New Northwest; also, that the best method of expressing their thanks is for each member to subscribe for the paper and circulate it thoroughly among their neighbors and friends.

On motion, Association adjourned, sine die. AMELIA GIDDINGS, Pres't. LIZZIE M. ORDWAY, Sec'y.

A COLORED BARBER AND HIS AFFINITY.—Mr. Dixon, a colored barber at Olympia, recently related to us circumstances which prove that some of the officials who have publicly professed the doctrine of universal equality, do not practice what they preach. For more than a year past Dixon has been living with a white girl, as his wife, who he says, "the love better than his own life."

Finding that she was about to become a mother, he applied to the County Auditor for a license to marry her, being desirous of "living like a Christian man."

But the contrary to a public Auditor solely on the ground of color. He is permitted to live in unlawful intercourse with a white girl, and raise a family by her, but is deemed by the officials of this Territory to be unworthy to permit him to enter into lawful marriage with the mother of his children, the only bar being difference of race.

Is the Civil Rights act of no binding force upon our country, to public liberty to disregard the provisions which positively forbid all discriminations on account of "race, color, or previous condition of rights, contracted to every American citizen? We are no advocate of universal equality or amalgamation of races, but we do insist that the rights of negro, guaranteed to him by the amended Constitution and the laws of the country, are as sacred as our own, and we will as earnestly defend them. If the laws are wrong the fault is not ours.—Beriah Brown.

INGENUITY OF THE WASP.—On the authority of two persons of veracity, a correspondent of the Albany Journal tells:

"I saw a wasp riding on a green worm one and a half inches long. How far he had ridden they did not know; but after they saw him they watched him until he had ridden all of twenty-five feet. Occasionally the worm would stop, he motionless as though he was dead, when the wasp, after a while, would spur him up, and then the worm would go on. The wasp would keep the worm in as direct a course as he could. After a while the worm stopped, and the wasp dismounted and quickly ran and moved a little stone or piece of ground about six inches from where the worm lay, and then seized the worm by the tail, drew him into the hole. Presently the wasp came out, put the gravel over the hole, covered the stone over, and seemed to be getting ready to fly, when they killed it, and then dug down about two inches and dug out the worm, which was dead."

A PRINTER'S OPINION OF HIMSELF.—The foreman of a printing office at West, who had been left in charge of a weekly paper, while the proprietor was enjoying a jaunt with his brethren of the press, thus summed up his opinion of the paper, the foreman being absent, accounts for the improved appearance of the paper, and the higher order of talent exhibited in its columns." It is needless to say that the printer was infuriated or the foreman discharged.

A little girl of thirteen out West has been presented by her father with a small patch of 7,000 acres in a corner of his back yard to play at gardening in.

Miss ANTHONY.—As viewed by a "Junkie about, chewing, smoking leper?" Miss Susan B. Anthony, the celebrated agitator, addressed very respectable audiences, at the Pavilion, on Wednesday and Thursday evenings of last week, on the question of Woman Suffrage and kindred topics. That this distinguished spinster is possessed of much more than ordinary ability is a fact too well established in the public mind to admit of controversy, and that she earnestly believes in the theories she advocates is manifest to all who listen to her impressive statement of facts and irrefragable logic. Hence many honest people embrace her doctrines simply because she cannot immediately controvert her arguments; they are subjugated by superior mental force, not convinced by their own experience, observation, and comparison of facts; the converts of their own volition are chiefly among those who have either outraged the present order of society or specially suffered from its mischiefs.

It is a mistake to call Miss Anthony a Reformer, or the movement in which she is engaged as a reform; she is a revolutionist, aiming at nothing less than the breaking up of the very foundations of society and the overthrow of every social institution organized for the protection of the sanctity of the altar, the family circle, and the legitimacy of our offspring, recognizing no religion but self-worship, no god but human reason, no motive to human action but lust.—Beriah Brown.

The Empress Eugenie at the time of the declaration of war was engaged in the formation of a society to supply work at home for women, especially for young girls, who had been obliged to work on account of reverses of fortune. This work, rendered more necessary than ever after the disasters of France, is about to be recommenced, and the Empress, though in exile, has willingly become patroness of the society.

Hand-made lace, of all the industries of France, has suffered least by the war, being chiefly carried on by women.
