A number of prizes have been secured for the primers' picnic, to be given on the 19th, and are on exhibition at Fishel & Roberts' clothing establishment.

R. H. Thompson won the silver trumpet for the best time made in the foot-race in East Portland on the Fourth. After considerable squabbling, it was given to him.

Homeny will make his farewell appearance at New Market Theatre Saturday evening. It is to be hoped he will be met with as large an audience as his merit deserves.

The National Employment Bureau is at the cottage, 107 Morrison street, opposite the post office. Mrs. E. J. Jones superintends the ladies' department. J. Russell Jones, manager.

J. M. Baumgardner, convicted of forgery, spends his time in writing "missions." He will have other occupation at Salem. Too bad a man of his education and command of language should be so lacking in principle.

Nothing but first class work allowed to leave the gallery.

Among the passengers from Sitka, Alaska, to this city by the steamer California, was Miss Sallie Ball, who is probably the youngest Government official holding a commission in the United States. The little miss, though but twelve years of age, is the duly appointed postmistress of Sitka, and the manner in which every detail of her office is attended to is worthy of attention by more than one of the "Nasbys" of this State.

The changeable weather worries the local itinerant on one of the morning papers. Monday was cool, and he wrote, "still cool and cloudy," which appeared Tuesday, and Tuesday was "awfully warm." Tuesday he wrote, "This kind of weather will send people whirling to the seaside," which appeared Wednesday, and Wednesday was quite cool and cloudy. Morning, noon and night editions are required to enable him to describe the weather without having his veracity doubted.

The trustees of Willamette University almost unanimously accepted Professor Gabot's terms, after a stormy debate. He is now said to have power to employ his own assistants, and to assume the financial control of the institution as well as the educational. If he can cancel his engagement with the State University and assume charge of the Salem institution, we will see whether, in his control of the financial affairs of the school, he will deal justly with women, or treat them as the majority of masculine school directors are doing.

Although an earnest advocate of the permanence and indissolubility of the marriage tie, our old friend, M. H. Abbott, of the Dayton News, is unable to make individual application of his matrimonial market by divorce. They do say that he preaches by the year for marrying him, and lawyers in the same way for untying the knot.

RESOLUTIONS OF RESPECT Adopted by the Sabbath school of Forest Grove, Oregon, on the death of Miss Elvia H. Fearnside:

WHEREAS, It has pleased the Allwise God, our Father, whose thoughts are not our thoughts, whose ways are not our ways, and who saith not as man saith, to take from us our fellow-laborer, Elvia H. Fearnside;

Resolved, That in her death we feel that the family circle is deprived of a dutiful daughter and an affectionate sister, society a kind and constant sympathy of the Christ that made her life what it was; that though the youth and strength and beauty which has been so familiar to our sight is now taken away forever, yet we think our Father for what it has been to us, and we resolve that with His help we will develop in our lives those traits which we endeavored her to all, so that, in the end, we, her companions and scholars in the school, her friends and relatives, may realize that God doth all things well, and more than heal the deepest wounds of those hearts that fully trust Him.

Miss S. E. BOWLEY, Mrs. S. H. BOWLEY, Miss S. H. BOWLEY, S. T. WALKER, Committee.

Lost Seven Pounds in Three Weeks. Allan's Anti-Fat is a genuine medicine, and will reduce corpulence from two to five pounds per week; is purely vegetable and perfectly harmless, acting entirely upon the food in the stomach, preventing the formation of fat. It is also a positive remedy for dyspepsia and rheumatism.

Boston, Mass., February 11, 1878. DOBSON MEDICINE CO., BUFFALO, N. Y. GENTLEMEN:—The lady alluded to lost seven pounds in three weeks, by the use of Allan's Anti-Fat.

Yours truly, SMITH, BOOLITTLE & SMITH, Wholesale druggists.

Why submit to the discomfort and humiliation entailed by a local disease of the skin, when GLENN'S SULPHUR SOAP will rid you of it with certainty and dispatch? It is a remedy which never fails to relieve cutaneous disease, and as a means of banishing defects of the complexion it is equally reliable. The benefits arising from the use of sulphur baths, in cases of skin disease and of rheumatism and gout, are well known, but the cost is too heavy to be incurred by many persons who would otherwise take advantage of them. GLENN'S SULPHUR SOAP answers the same purpose, and is both inexpensive and convenient. No one need stir abroad in search of a sulphur bath who has this means of providing one in-doors. It is incomparably the best deodorizer and disinfectant of clothing and bed linen in use, and prevents diseases of an obnoxious nature caused by contact. Scars, ulcers, bruises, sores, eczema and sprains are promptly remedied by it; and its cleanly, healing and soothing properties constitute it a far more desirable remedy for scrofulic ailments than ointments of any description, since such greasy compounds soil the clothing, often aggravate, and very rarely indeed do any permanent good. Sold by druggists. Price, 25 cents per cake. One box (3 cakes), 75 cents, sent by mail, prepaid, on receipt of price. C. N. Crittendon, proprietor, 75th Avenue, New York City.

A CARD. To all who are suffering from the errors and indiscretions of youth, nervous weakness, early decay, loss of manhood, etc., I will send a recipe that will cure you, FREE OF CHARGE. This great remedy was discovered by a missionary in South America. Send a self-addressed envelope to the Rev. Joseph T. Heman, station D, New York City.
