Truth is Mighty. As the little heaven hid in the measure of meal made all heaven, so truth gradually overcomes all doubt and disbelief. When Dr. Pierce, of Buffalo, N. Y., announced that his Favorite Prescription would cure the many diseases and weaknesses peculiar to women, some doubted, and continued to employ the harsh and caustic local treatment. But the mighty truth gradually became acknowledged. Thousands of ladies who had uselessly undergone untold tortures at the hands of different physicians employed the Favorite Prescription, and were speedily cured. Many physicians now prescribe it in their practice. So sanguine is Dr. Pierce of its power to cure, that he now sells it through druggists under a positive guarantee.

Through countless little openings in the skin, invisible except through a microscope, the poisons, in a state of health, exude, hour by hour, night and day. The total obstruction of these minute outlets would produce death; and when they become partially blocked, the skin grows dry, yellow and finally diseased, and the general health is seriously affected. GLENN'S SULPHUR SOAP, by opening the pores, removes eruptions and unhealthy granulations on the skin, and imparts to it a beautiful humidity, clearness and smoothness, banishing from the face of beauty all complexion blemishes, whether attributable to impurities in the capillary circulation, or to undue exposure to the sun and wind. For obstinate scrofulous complaints, like the Itch, salt rheum and erysipelas, it is a sovereign remedy, being quite as effective as sulphur baths for such maladies, as well as rheumatism and gout. It is wonderfully healing and soothing in its action, relieving the itching where broken by external injuries, relieving the swelling and inflammation attendant upon sprains, scalds and bruises, and curing the most obstinate sores and ulcers. The medical profession sanction it, and from all classes of society voluntary evidence in its favor is continually emanating. Ladies of fashion prefer it to any similar accessory of the toilet and the bath, since it promotes not only health but personal attractiveness. As a disinfectant of disease-contaminated clothing it has no peer. After they have been washed with GLENN'S SULPHUR SOAP, garments and linen from the sickroom may be handled with perfect impunity. Sold by druggists. Price, 25 cents per cake. One box (3 cakes), 75 cents, sent by mail, prepaid, on receipt of price. C. N. Crittenden, proprietor, 7516th avenue, New York City.

"Why should not all women be beautiful?" They would be if they would use Pinner's Oregon Blood Purifier to eradicate all pimples and discolorations from the skin, leaving it soft and white.

The National Gold Medal was awarded to Bradley & Ralston for the best Photographs in the United States, and the Venus Medal for the best in the world. 429 Montgomery street, San Francisco.
