

Mothers! Mothers!! Mothers!!!

Are you disturbed at night and broken of your rest by a sick child suffering and crying with the excruciating pain of cutting teeth? If so, go at once and get a bottle of Mrs. Winslow's SOOTHING SYRUP. It will relieve the poor little sufferer immediately—depend upon it; there is no mistake about it. There is not a mother on earth who has ever used it who will not tell you at once that it will regulate the bowels, and give rest to the mother and relief and health to the child, operating like magic. It is perfectly safe to use in all cases, and pleasant to the taste, and is the prescription of one of the oldest and best woman physicians and nurses in the United States. Sold everywhere. Twenty-five cents a bottle.

A Cough, Cold or Sore Throat

Should be stopped. Neglect frequently results in an Incurable Lung Disease or Consumption. BROWN'S BRONCHIAL TROCHES are certain to give relief in Asthma, Bronchitis, Coughs, Catarrh, Consumption and Throat Diseases. For thirty years the Troches have been recommended by physicians, and always give perfect satisfaction. They are not new or untried, but having been tested by wide and constant use for nearly an entire generation, they have attained well-merited rank among the few staple remedies of the age. Public speakers and singers use them to clear and strengthen the voice. Sold at twenty-five cents a box everywhere.

Chas. L. Rossiter, 105 Summit street, Toledo, Ohio, says: I would not take one thousand dollars for my Excelsior Kidney Pad, if I could not get another. I have gained in three months thirty pounds. See adv.

Wm. H. Pullen, Fowlerville, Mich., says: I have not rested better for months than I did last night. The "Only Lung Pad" has helped me wonderfully. See adv.
