# THE COMING DENVER

OF THE PACIFIC SLOPE.

# GATE CITY

Is situated twenty-two miles southwest of Olympia at the junction of the Northern Pacific railroads from Olympia and Centralia to Gray's Harbor, on Black River, near its confluence with the Chehalis. It is in the heart of a magnificent agricultural, timber, mineral and grazing region, and its success as a great center for trading and manufacturing is assured beyond a doubt.

Fifteen buildings will be in course of construction just as soon as the sawmill (now building) is completed. Coal is known to exist within 1,000 feet of the townsite.

The city is located on a beautiful small prairie, on the banks of the Black River, and is one of the loveliest, healthiest townsites in the State.

If our negotiations, now pending, for the establishment of large manufacturing plants are successful, the price of lots will advance three hundred per cent. within sixty days.
