TENINO.

"There's goin' to be a big time here on the Fourth"—that's the word that has been spread far and wide by enthusiastic residents of this city during the last few days and prospects are that Tenino will be alive with a lot of visitors Saturday. One feature of the program in which greatest interest is displayed and likewise around which there is considerable secrecy is "The Battle of Pea Soup," scheduled to start at 9 o'clock in the morning, according to the program, and along about midnight Field Marshal McArthur and his staff officers will, if they follow instructions, conduct a grand review of the survivors of "the battle." The program for the day is full of mighty interesting entertainment and Tenino expects a glorious day.

The upper floor, where partitions had not been set, was used as a ball room and the merry-makers had a jolly time.

TONO.

Miss Izma Gaines, who has been teaching school in Nahcotta, Wash., during the term just past, has been visiting with her parents, Mr. and Mrs. T. H. Gaines of Tono, the past two weeks. Miss Gaines has accepted a position in the Tono schools for the coming term and went to Seattle last week to attend summer school at the University of Washington.

A delightful Sunday School picnic was held in the Tono park last Saturday in honor of the children of the Union Sunday School here. All kinds of amusements were in order and the afternoon was gayly spent. Something like \$20 in prizes were given to the boys and girls who participated in the different races and contests and some of them were real interesting. After the sports were all over a bountiful luncheon was spread in a shady nook and every one went home gleaming with joy.

The Tono baseball team went to Aberdeen last Sunday and beat the fast team of that place 7 to 5. "Lefty" Criger pitched masterly ball and held them safe at all times. The Tono boys were well treated while there and had a nice pleasant trip.
