**Closing Out Sale of Pianos Is Still in Progress**

The better weather conditions now make it possible for you to visit our store and see the unusual bargains we are offering in high-grade pianos, when you could not do so during the recent severe weather and heavy snow.

We want you to see these pianos—look them over carefully—play them and note their high tone quality—for then we know you will want them at the unusually low prices and easy terms at which they are offered, the biggest piano values the people of this section have ever known.

Think of it—there's a Kimball for \$135, a Wellington for \$186, a Richmond for \$178, a Singer for \$172, and such pianos as the Fischer, Emerson, Andrew Kohler, Kracht, Chase & Baker, and many other standard makes going at about a third of their value.
