Thurston County Is a Tung-Lok County

More Tunk-Loks have been sold here this Spring than all other makes combined.

The reason for this is that the Tung-Lok is built on the right principle, is built to stand, and built for an ensilage container.

The farmer has realized that he does not have to have the silo that his father had and that silos are being improved just the same as automobiles. THE TUNG-LOK IS GUARANTEED, TOO.
