

Slip a few Prince Albert smokes into your system!

You've heard many an earful about the Prince Albert patented process that cuts out bite and parch and lets you smoke your fill without a comeback! Stake your bank roll that it proves out every hour of the day. Prince Albert has always been sold without coupons or premiums. We prefer to give quality!

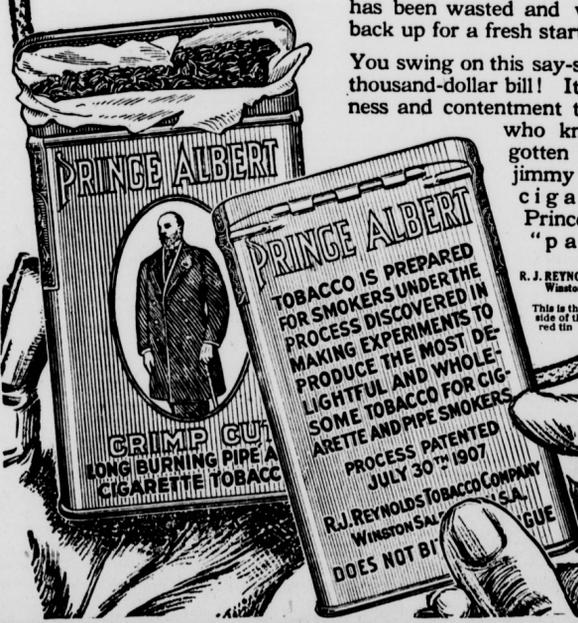

There's sport smoking a pipe or rolling your own, but you know that you've got to have the right tobacco! We tell you Prince Albert will bang the doors wide open for you to come in on a good time firing up every little so often, without a regret!

You'll feel like your smoke past has been wasted and will be sorry you cannot back up for a fresh start.

You swing on this say-so like it was a tip to a thousand-dollar bill! It's worth that in happiness and contentment to you, to every man who knows what can be gotten out of a chummy jimmy pipe or a makin's cigarette with Prince Albert for "packing"!

PRINCE ALBERT

the national joy smoke

R. J. REYNOLDS TOBACCO CO. Winston-Salem, N. C.

This is the reverse side of the tidy red tin

THE Prince Albert tidy red tin, and in fact, every Prince Albert package, has a real message-to-you on its reverse side. You'll read: "Process Patented July 30th, 1907." That means that the United States Government has granted a patent on the process by which Prince Albert is made. And by which tongue bite and throat parch are cut out! Everywhere tobacco is sold you'll find Prince Albert awaiting you in tippy red bags, 5c; tidy red tins, 10c; handsome pound and half-pound tin humidors and in that clever crystal-glass humidior, with sponge-moistener top, that keeps the tobacco in such fine condition—always!

EIGHT NEW FORDS SOLD—ANOTHER CARLOAD EN ROUTE

Another carload of the new model Fords is expected the latter part of this week by St. John & Titus, the local representatives, who during the past week delivered eight cars from the shipment received last week.

The new Ford owners reported by Manager Mansfield are George Westover, P. H. Oatman, P. A. Michael, Mrs. H. C. Clarke, Dr. G. P. Pool, G. W. Martell, Knox Auto Service and Clara A. Shuman.

The company is installing a new gasoline service tank of 1,000 gallons capacity at its garage on East Fourth street.

Masons Go to North Yakima.

Several Olympia Masons went to North Yakima this week to attend the meetings of the grand chapter Royal Arch Masons Monday and Tuesday, the grand council Royal Select Masters Wednesday, and the grand commandery Knights Templar Thursday and Friday. Among those who went are N. S. Porter, past grand high priest of the Royal Arch, W. T. Drips, present grand sentinel, Al Helander, high priest of the local chapter, and C. E. Beach, master of the local council of Royal Select Masters.

Practically all of the dairymen report a slight increase in prices for milk, beginning the first of next month.

"WE DON'T PLEASE EVERYBODY—BUT WE TRY"

The Measure of Shoe Service

Most people think of Service as being just one minor part of store-keeping—the art of being nice. But to us, real shoe service means something deeper and more significant.

Service here means everything that will make for complete satisfaction, from the time you come in to select and try-on, until the day you lay aside the shoes you buy, convinced that your money had bought full, genuine value

With Such Ideas of Service— It's Wisdom and Economy to Buy Your Shoes Here.

A NEW BOOT—No. 5648. Women's black kid, nine-inch lace boot\$4.50

Ekrem Shoe Company

423 MAIN STREET

Like Roads in This Section. of the state, where the sand is heavy.

Quite a number of tourists have been passing through Olympia this week, homeward bound from the Pendleton Round-Up, and W. E. Bronson of the Bronson & La Gue Auto company says they report the roads of Western Washington better as a whole than those of the eastern part

State Highway Commissioner James Allen drove over to Bellingham Wednesday to inspect state highways in that vicinity.

Miss Elizabeth McDowell, sister of Mrs. F. W. Bateson, recently purchased a Maxwell touring car.

A. L. Bell of Shelton is driving a new Dodge Brothers touring car, delivered to him this week by the Rose-Nepple Auto company of this city.

To Exhibit at Three Big Shows.

C. W. Shumate of Tumwater, who has been taking prizes right and left at the district fairs in this state this season and also recorded some fine winnings at the State Fair with his Poland-China, Duroc-Jersey and Berkshire hogs, plans to exhibit them also at the Cascade International Livestock show at North Yakima, the big livestock exhibit at Lewiston, Idaho, and the Pacific International Livestock exposition at Portland.

New Overland Owner.

W. E. Bronson of the Bronson & La Gue Auto company went to Seattle Saturday and drove back a new Model 75B Overland touring car, which was later delivered to Mrs. Martha Darnall of the Westside. The company received another of these cars by boat Wednesday.

New Maxwell on Display.

E. C. Tew, local agent for Maxwell and Hudson Super-Six cars, made a business trip to Seattle Tuesday. Mr. Tew has on his sales floor one of the latest model Maxwells, the new features of which are the longer and larger springs, roomier seats and various handy contrivances on the dash for the driver.

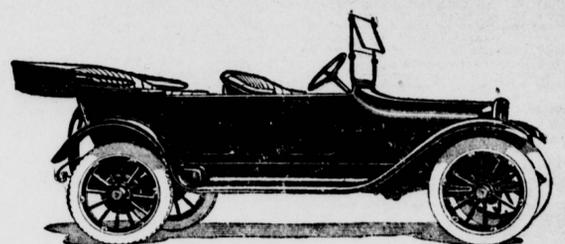

DODGE BROTHERS MOTOR CAR

Dealers say that the disposition to discuss the price of the car is so rare as to be unusual.

Apparently the first, and the almost universal, thought is of the goodness of the car.

It will pay you to visit us and examine this car

The gasoline consumption is unusually low. The tire mileage is unusually high. The price of the Touring Car or Roadster complete is \$880 (f. o. b. Olympia)
