FAIRVIEW

All the community extend sympathy to Mr. C. V. Cooper in the second great sorrow he has suffered in the last two weeks in the death of his sister, Mrs. Seifke.

An interesting quarterly business meeting of the Improvement Club was held last Wednesday evening at the Luedecker home. It was decided by the members present to hold a dance on Saturday evening the 20th, at the home of Mr. and Mrs. Luedecker. All friends and neighbors are most cordially invited and supper will be served as it has been in the past.

Sergeant William Palms and bride, late of Minneapolis, Minnesota were Sunday visitors at the home of the former's parents, Mr. and Mrs. A. A. Palms. Sergeant Palms, formerly a military instructor in the University of Minnesota has been transferred to the University of Washington and will make his home in Seattle.

Mr. and Mrs. Luedecker and sons, Edwin and Harold attended a fancee at the home of Mr. and Mrs. Pitner at Plum Station last Saturday night. The dance was complimentary to the daughter of the host and hostess, Mrs. McClelland who shortly leaves for her home in New Mexico.

CLUB GIRL'S WORK RESULTS IN BUILDING FAMILY HOME

Three years ago Irene Garner, of Madison county, Ala., joined a girls' gardening and canning club. Each year since she has cleared a good profit on her work. She gave this to her parents on condition that they build themselves a new home as soon as possible. The time before they decided on the step seemed long to the little club girl, but meanwhile she kept industriously at the club work and followed her leader's instructions. Soon the results of her efforts became apparent in the home. Then she persuaded her father to take up newer lines of development on his farm, and last year he built the modern, attractive country home which had been promised her.

Irene learned from her club leader how to finish floors and woodwork and how to paper a wall. Then she and a small brother put the lessons into practice and the whole interior of the house was finished by their efforts.

Her own room she furnished with a quaint old suite of furniture which she made over. The rag rug on the floor she made herself as well as the curtains at the window. Little money was expended, but much taste and ingenuity were put into the room.

Besides being an expert gardener and canner, this Madison county girl can embroider and sew, can cook nicely, and serve a properly balanced meal. Last but not least, she finds time to be a leader of her community in all social affairs.

FEDERAL FOREST INSPECTORS ENTERTAINED BY FROMMES

Mr. and Mrs. R. L. Fromme of 129 Grant avenue entertained the first of the week with a delightful dinner complimenting Major Kelly and Roy Headley, inspectors for the federal forestry service, both of Washington. D. C., and H. O. Waha, of Portland, assistant district forester. The party were enroute to Lake Quinault where they will make examinations in preparation to building a road on the north side of the lake.

FAVOR OCEAN ROUTE FOR CROSSING GAP

Continued from Page One.

Thurston county, Phil J. Mourant, Grays Harbor county; and E. L. Gale, Kitsap county. All of the members of the executive committee were present at the meeting yesterday with the exception of the member from Kitsap county. The other officers of the association who are members of this committee are President Frank H. Lamb of Hoquiam, vice president Clifford L. Babcock, Port Angeles and secretary-treasurer H. B. Fultz, Olympia.

Follows South Bank Hoh River.

The resolution favoring the ocean beach route of the highway, rather than the hill route, commonly known as the Christmas Creek route, was introduced by Senator P. H. Carlyon, and met with unanimous approval. The approval of this route means that after crossing the Hoh that the highway would follow down the south bank of the river to the mouth and thence along the coast to the Queets river, thence up the Queets to a spot already located as the most suitable for a bridge, and then to a connection with the Quinault lake road. It was the sentiment of the meeting that this route was not only the only one that would be acceptable to the people of the state from a tourist standpoint, but that it would serve a larger amount of settlers along this course. The Christmas Creek survey runs higher up and farther back from the coast and would be impassable part of the year on account of snow.

A resolution by Clifford L. Babcock provided that the funds appropriated for the construction of the gap in the highway should be spent in approximately even amounts on the north and south ends of the road. This motion carried unanimously.

Meet Again Eve Inaugural Ball. Representative Mark E. Reed offered a motion asking that copies of all the resolutions at the meeting be certified and sent to the state highway board for their consideration. This motion carried and after deciding to meet in Olympia again on the afternoon preceding the inaugural ball sometime early in January, the meeting was adjourned.

The only other business taken up at the meeting was the question of a membership campaign which was briefly outlined by Secretary Fultz. The membership campaign will be undertaken at once and it is expected that several hundred members of the association will be present when the meeting is held here in January.

Pictures of the peninsula taken by Photographer Joseph Jeffers during the summer aroused great interest among the members present, with the result that the association will no doubt issue a highway booklet containing a great number of the views. Present at the meeting yesterday besides the members of the executive committee were:

Senators, P. H. Carlyon, Thurston; F. W. Loomis, Grays Harbor; William Bishop, Jefferson.

Representatives, L. H. Hubbard, Thurston; Howard Shattuck, Kitsap; Oliver S. Morris, Grays Harbor; H. B. Dollar, Grays Harbor; M. E. Reed, Mason; J. H. Davis, Pierce; W. R. Whitcomb, Pacific; Walter Lunn, King; Fred Mess, King; George O'Brien, Clallam; W. E. Saterlee, Jefferson.

Blankets for Chilly Nights

Fewer hours of sleep are required to "knit the raveled sleeve of care" out in the fresh air. You don't mind opening the windows, no matter how the North Wind raves, if you can snuggle down under warm bed clothes.

Few of us ever expected to see such blankets offered at these prices. Only because we have taken advantage of the market are we able to make this noteworthy inducement. Most unselfishly, we urge you to buy a good supply. Ten to one, after you give them a trial you will say: "These are the very best blankets I ever bought."

WARM BLANKETS

Woven of long fibre cotton, full of warmth and full size. White or plain colors and pretty stripes for borders. Unusual value for late fall buying.

Per Pair, \$4.33

WOOLNAP BLANKETS

Maximum warmth and minimum weight. A special process gives this curly wool-like finish. You'd never guess they were made entirely of cotton.

Per Pair, \$6.95; Special, \$5.95

WOOL BLANKETS

Baa-baa black sheep of Mother Goose fame must have produced the wool for these beautiful blankets, fit for a queen's bed. Most pleasing color combinations and bound edges.

Per Pair, \$13.50 to \$29.75

CRIB BLANKETS

For the little new one at your house, are soft, fleecy blankets (pink for boy and blue for a girl). Splendid washing and wearing qualities.

Each, \$1.00 to \$4.75

BED COMFORTS

Prettier than patchwork quilt are these durable comforts, covered with a fancy cloth filled with lofty cotton. You can't make their like for this price.

Each, \$2.95 to \$7.50

BEST COMFORTS

The ideal bed coverings—light, soft and yet really warm. Best filling and especially well made. Dainty coverings to match your bedroom wallpaper and decorations.

Each, \$7.50 to \$19.00

What woman would fail to find Christmas cheer in a pair of blankets or a pretty comfort rolled up and tied with a big red ribbon?

Even a man would be sure to enthuse over a smart new robe to hang over the rod in his auto. Single blankets in rich dark colors, useful for auto robes, couch covers or that extra cover to lay across the foot of the bed, are priced from—

"Where You Can Always Do Better"

Still the GREATEST MOTHER In the World

You know what the Red Cross did in war time because you were the Red Cross; you gave of your time and your money. But what of your Red Cross in Peace Time? Did you know that—

—ever since demobilization your Red Cross has kept in constant touch with the families of 800,000 soldiers and sailors and marines. This service has embraced almost everything from supplying first aid to seeing a man through to a better job than he ever had before.

—in an average month this year, your Red Cross aided 423,888 adults and 101,755 children in Europe; people who otherwise would be without even the simple necessities of life.

—last year in the United States, your Red Cross aided more than 30,000 victims of flood, fire, tornado or other unavoidable disaster in 150 stricken communities.

—last year 92,000 women and girls, under Red Cross instructions, completed courses in home care of the sick.
