Best pill. C. L. Cotting. Rev. Warheld, D. D. of Omaha and Rev. H. Bross, D. McKeeby informs us that the report of his immediate removal to Guthrie is premature. He will remove from this city some time during this spring or summer but will probably not leave the state. Dr. Fred McKeeby will continue in business here as before. Last Wednesday while Ernest Moranville was exercising one of the doctor's fine horses in a sulky, the harness broke and the horse ran into a picket fence, throwing him out and breaking up the sulky, besides destroying a portion of the fence in front of J. A. Reids residence. Ernest was picked up unconscious and carried home and his bruises and cuts were dressed.

Fred Foe living near Cowles met with an accident on last Friday which although serious was not as bad as it might have been. He immediately came to town and Dr. Moranville dressed his wounds and picked the powder from his face. Some of the powder was blown into his eyes, but the doctor says that with careful treatment his eyesight will not be affected. An effort is being made to secure the services of Major Cole, the celebrated evangelist who is at present conducting a series of revivals at McCook, to hold a series of meetings in this city when he has finished at that place. From reports from places where Mr. Cole has conducted meetings throughout the state great good has been accomplished, and Red Cloud is a good field for such work. His work in Nebraska, although it has not been more than six months since he commenced, has resulted in 830 conversions at Hastings, 385 at Holdrege, and so far a little over 300 at McCook, and aside from this quite a number along the Hastings and Holdrege line in small towns in which he stopped for a day or two. This movement should be encouraged in every manner possible and it is to be hoped that our churches will act in unison and secure the services of this celebrated divine for a series of meetings in this city. It would no doubt greatly facilitate the good work which is being accomplished.
