

A Word to Doctors

We have the highest regard for the medical profession. Our preparations are not sold for the purpose of antagonizing them, but rather as an aid. We lay it down as an established truth that internal remedies are positively injurious to expectant mothers. The distress and discomforts experienced during the months preceding childbirth can be alleviated only by external treatment—by applying a liniment that softens and relaxes the over-strained muscles. We make and sell such a liniment, combining the ingredients in a manner hitherto unknown, and call it

Mother's Friend

We know that in thousands of cases it has proved more than a blessing to expectant mothers. It overcomes morning sickness. It relieves the sense of tightness. Headaches cease, and danger from swollen, hard and rising breasts is avoided. Labor itself is shortened and more of the pain. We know that many doctors recommend it, and we know that multitudes of women go to the drug stores and buy it because they are sure their physicians have no objections. We ask a trial—just a fair test. There is no possible chance of injury being the result, because Mother's Friend is scientifically compounded. It is sold at \$1 a bottle, and should be used during most of the period of gestation, although great relief is experienced if used only a short time before childbirth. Send for our illustrated book about Mother's Friend.

SLANDERS REDUCED

Citizens of Hastings Protest Against the Vile Slanders Circulated on their Fellow Townsman.

Charles H. Dietrich Endorsed by His Neighbors as a Man of Splendid Character.

Hastings, Neb., Oct. 30.—The people of this city, irrespective of politics, are incensed and indignant over the cruel falsehoods put in circulation by scandal mongers of the fusion party concerning the character of Charles H. Dietrich, Republican candidate for governor, and for more than 20 years a beloved and highly esteemed citizen of this town. There is not a reputable citizen here who does not pronounce the attacks on Mr. Dietrich false and monstrous. As a means of silencing the guttered lips of rascal and exposing the vicious slanders who have been imposing upon public credulity with vile and shameful stories about Mr. Dietrich, the following statement, signed by citizens of Hastings, is offered. Among those whose names appear as signers are many of the leading men and women of Hastings, many of whom are prominent in business and religious circles. Here are Mr. Dietrich's neighbors who have lived in the same town with him for many years. Here is what they say of him over their own signatures:

Whereas, Reports have been circulated for the purpose of influencing votes against our fellow townsman, Hon. C. H. Dietrich, candidate for governor, charging him with being addicted to the use of liquor, and also saying that his reputation is that of a licentious man, we, the undersigned citizens of Hastings, Nebraska, desire to make the following statement:

Mr. Dietrich has lived in Hastings for 22 years. We are thoroughly acquainted with him and his character, and we are not a frequent visitor of his home, and his reputation is not that of a licentious man.

Mr. Dietrich is a man of large business interests. He has been a potent factor, morally and financially, in the upbuilding of our city. As a business man his reputation is good, and we believe that if elected to the high office of governor, he would bring to the discharge of its duties such thorough business methods, capacity for unalloyed work, and devotion to its duties, as would give to the people a wise, safe, prudent, economical administration. As citizens of his town, we commend him to the people of the state.
