When you awake in the morning feeling like the end of a misspent life, your mouth full of fur and your soul full of regrets, take Rocky Mountain Tea. Great medicine. C. L. Cotting.  
One of the chief pleasures of an unmarried man these warm days is to see the married men whose wives are away for the summer line up at the lunch counter and call for a block of raisin pie and a pint of coffee.—Clay Center (Kan.) Times.

Why should not this city have street lights of some kind? If we cannot have electric lights let us have lights of some kind so that it will not be necessary for our citizens to buy so many matches to light them on their way as we have seen done so often in the past few weeks.  
Rev. and Mrs. L. A. Husong of Ashland, Neb., were renewing old acquaintances here the last of last week. Mr. Husong delivered the lecture at the Masonic hall Friday evening and returned to Ashland Saturday morning. Mrs. Husong remained in the city for a short visit with friends.

The newly married couple left for the east on the early Thursday morning train.

Mrs. Lewetta N. Paget, wife of James Paget of this city, died Friday, June 27, from a combination of troubles, after a long sickness. Funeral services were conducted at the M. E. church by the Rev. Dixon last Sunday afternoon and the remains were laid to rest near this city. Mrs. Paget was born in St. Joseph, Mo., June 5, 1870, and had been a resident of this city for about a year. She leaves to mourn her death a husband, little child about two years old, two brothers, four sisters and father and mother. The bereaved relatives have the sympathy of the entire community.

The city council have received the water meters which they purchased and they are now ready for delivery. All users of city water will be required to use meters hence forth. While no definite price has been fixed there will in all probability be a minimum rate of about 45c per month for the first 2,500 gallons and in excess of this amount of water the rate will be about 20c per 1,000 gallons. The meters are all complete with couplings and will cost \$0.75 each, which may be paid in small monthly payments or at call. No definite rate of payment of meters has as yet been fixed, but will, we think, be about 75 cents per month.

F. N. Richardson and W. B. Roby were in Franklin last Friday attending the district encampment of the G. A. R. The district comprises seven counties in Kansas and eight counties in Nebraska. The reunion will be held sometime in August at Franklin, and preparations are already under way to make this one of the most notable district reunions held in years. Officers for the ensuing year were elected as follows: John Davidson of Franklin, district commander; W. B. Roby, senior vice commander; Judge Prather, of Bloomington, junior vice commander; F. N. Richardson, member council of administration. The next meeting of the encampment will be held in Red Cloud.

Robert Rownd, for many years a prominent farmer of Webster county,

Why experiment with a paint that is "just as good" when you can get the old reliable HEATH & MILLIGAN that has stood the test for half a century? I have a complete stock.  
H. E. GRICE.

died last Sunday at the home of his son, W. E. Rownd, in Grand Island, Neb. His remains were brought to this city Monday, and interment was in the Indian creek cemetery. Rev. D. D. Hamby, pastor of the Congregational church of this city, conducted the services. Robert Rownd was born in Maryland February 27, 1828, and was married to Matilda J. Moreland, in Indiana, about fifty years ago. In the spring of 1878, he came to Webster county and bought a farm on Indian creek, where he resided until the death of his wife about five years ago, after which he spent a year with his daughter, Mrs. Eunice Nelson, at Tingley, Ia., and for the past four years has lived with his son in Grand Island. Three children survive him, a daughter and two sons, Mrs. Eunice Nelson of Iowa, Will Rownd of San Francisco and Willis Euphrates ("Freight") Rownd of Grand Island. Mr. and Mrs. Nelson and Mr. and Mrs. W. E. Rownd attended the funeral. The friends and relatives have the sincere sympathy of the entire community.

Masonic Installation and Banquet.  
Last Friday evening Charity Lodge No. 53, A. F. & A. M., of this city, installed the officers who had been elected for the ensuing year. After the installation and adjournment of the lodge the doors were thrown open and a number of invited guests were admitted to the hall. The Rev. L. A. Husong, formerly of this city, but now located at Ashland, Neb., delivered a very interesting and instructive lecture, giving a short history of the order from its beginning to the present time, some of the trials through which it had gone, and dwelling most particularly on the good which it had done him self. He also stated it as his belief that one of the reasons that it was not appreciated more by persons outside of the order was that it was so little understood by them; that instead of being fought by the church, as it often has been in the past, it should be encouraged; that the better Christian a man was the better Mason he was. The lecture was in fact one of the most instructive and interesting to which we have ever listened and was highly appreciated by those who heard it. After the lecture the guests were treated to a most excellent supper, which was prepared and served by W. S. Bense, and which elicited much favorable comment on account of the good things to eat and the excellent manner in which they were served. In the intervals between tables the time was taken up by listening to recitations and songs. The recitations of Miss Harmon and the songs by Miss Pearl Mitchell were especially good.

Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.
