M. W. A. Adopts large Class

Wednesday evening of last week was the banner event for the local Modern Woodman Camp of this city, as the lodge convened in the Masonic hall where, with a large number of visiting brothers present, 71 candidates for the local lodge and 21 from Inavale were initiated into the mysteries of this order. E. E. Kester, State Deputy, was present and filled the Venerable Counsel's chair during the initiation and also exemplified the work with a motion picture machine.

C. E. Hamet of Beatrice also assisted in the initiation and much credit is due him as he secured this large class for the local camp. Visiting brothers from Guide Rock and Bostwick also assisted in the initiation.

After lodge was over the members congregated at the I. O. O. F. hall, where the Royal Neighbors served a dainty luncheon.

The Royal Neighbors lodge also took in a class of twelve the same evening.

Boy Scout Council Meets

The Red Cloud Council of Boy Scouts held a meeting Tuesday evening at the Commercial Club rooms, President Cowden presiding.

Secretary Hutchinson stated that National Scout Master Piper would be able to come to Red Cloud in the near future.

Chairman Holtzen of the constitution and by-laws committees read the constitution and it was adopted as amended.

The committee on quarters made their report and stated that they would probably be able to secure the rooms over the Cotting drug store and they were instructed to get a lease for one year on the same.

Dr. McBride informed the meeting that he had \$25 from the old organization on hand and they decided to buy gymnasium paraphernalia with the same.

It was decided to hold a regular meeting on the third Tuesday evening of each month at the Boy Scouts quarters. They will hold another meeting at the club rooms next Wednesday evening, at which time a few more committees will be appointed to complete the organization.

Angel of Death Takes Mother and Daughter

Mrs. Wm. Haskins

After an illness of about one week, Mrs. Wm. Haskins gave up the struggle and surrendered her spirit to its maker at about ten o'clock, Thanksgiving Day, November 28th.

The deceased, Molly Stevens, was born in Hamilton County, Indiana, July 17, 1875. She with her parents, Mr. and Mrs. Clark Stevens, came to Nebraska in the year of 1894. She was united in marriage with Wm. Haskins, August 27, 1896, and to this union were born three children, Mrs. James Jansen of Inavale and Pearl and Wilbur, at home.

She leaves to mourn her early demise, her husband and three children, four brothers, E. W. Stevens of this city, Bert of Smith Center, Kansas, Otto of Benkleman, Roy of Hastings and three sisters, Mesdames Clare Pope and Glen Fearn of Lebanon, Kansas, also her father, Clark Stevens of this city.

Funeral services were conducted at the Methodist church, Saturday afternoon, Rev. Cope in charge and interment was made in the city cemetery.

Miss Pearl Haskins

Death again cast its shadow over the Wm. Haskins home, as on Wednesday Miss Pearl, aged 22 years, passed to her eternal reward. At the time of her mother's demise she was seriously ill with typhoid-pneumonia but hopes for her recovery were entertained at that time. This leaves but three members of this once happy family, the father, one daughter and one son.

Funeral services will be conducted from the Methodist church Saturday afternoon at 2 o'clock.

COMMISSIONERS PROCEEDINGS

Red Cloud, Nebraska
The County Board of Commissioners met as per adjournment at 1 o'clock p. m. with all members present.

A petition asking for the appointment of Henry Margarin as Road Overseer of District 8 1/2 was approved by the Board.

L. H. Blackledge, District Judge-elect, appeared before the Board relative to securing office rooms in the court house. After the Board had viewed the rooms desired a motion was made by Waldo and seconded by Shidler that the two rooms east of the court room be furnished and arranged for the Judge. Motion carried.

The following claims were audited and allowed and County Clerk instructed to draw warrants on the proper funds in payment of same:

Boy Injured by an old Gun

Thanksgiving Day Charles, the little son of Mrs. Henry Hansen, was playing with an obsolete rifle, when he placed a loaded cartridge in the muzzle of the barrel and pounded the same on the sidewalk causing the cartridge to explode and the bullet to lodge in his plucal cavity. He is doing nicely at this writing.

The Actuelle

Greater than the Phonograph
Different in construction
Superior in tone
Actual in reproduction

THE ACTUELLE—a Pathe Freres invention—marks the first really radical advance in the science of sound reproduction since sound recording was invented.

The result achieved is a natural purity of one which would have been beyond belief less than twelve months ago.

Now comes the real revolutionary advance—and again it is the Pathe organization that has won out—with the Actuelle.

Exit Sound Box, Tone Arm, Horn

The problem of the phonograph maker is to take out of the way of the tone obiticals which affect the reproduction in a lesser way. The tone box, the tone arm, the tone chamber and horn are in the way. The ACTUELLE discards all the obstacles. A taunt wire carries the tone direct from the record to a parchment cone which amplifies and reproduces the tone in its natural, vivid vigor, with a full fidelity that no phonograph could ever equal.

Come in and hear this wonderful instrument play your favorite records. We will be pleased to have you call.
