

ORLEANS COUNTY MONITOR.

VOL. 31--No. 23.

BARTON, VERMONT, MONDAY, JUNE 9, 1902.

W. L. JACOBS.

ORLEANS COUNTY MONITOR.

PUBLISHED WEEKLY BY
W. L. JACOBS,
BARTON, VT.

TERMS:—When Paid Strictly in Advance
\$1.50 a Year.
In asking for a change of address, always
state where your paper is now sent.

The standing of the three gubernatorial candidates as near as we can determine is McCullough 320, Clement 219, Proctor 168. There are twenty-one delegates to be elected. In Orleans county Proctor has secured Albany, Barton, Brownington, Derby, Iraaburgh, Newport and Westmore, giving twenty-two delegates. McCullough has secured Charleston, Coventry, Craftsbury, Glover, Greensboro, Holland, Jay, Lowell, Morgan, Troy and Westfield, giving him twenty-six delegates.

Despite the fact that the railroads and other great corporations are refusing to employ men who are known to be users of intoxicating liquor the supporters of General McCullough would have the people believe that Fletcher D. Proctor not only employs such men but actually encourages them in drinking by allowing liquor to be sold on his premises contrary to law. This is a preposterous claim and one which will carry no weight with the voters of Vermont.

If the condition of the town of Proctor is as given by the Bennington Reformer and the Montpelier Journal why has the Rutland Herald, which is located only a few miles from Proctor, and whose owner, P. W. Clement, is doing all in his power to defeat Fletcher D. Proctor, never given the facts to the public? It has been left to the exponents of Tammany Hall methods of campaigning to bring out his mass of falsehoods against one of Vermont's leading citizens.

PEACE IN SOUTH AFRICA.

It was formally announced in Parliament Monday that terms of peace had been signed on Saturday between the British and Boer officials, and that the Boer war was ended. A great deal of enthusiasm marked the announcement, in London and elsewhere. The war had lasted two years and a half, had cost the British nearly a billion dollars and many thousands of lives, and had almost exterminated the Boer population and wiped out their property. The terms of peace are as follows:—The Boer Republics will become British colonies, acknowledging the complete sovereignty of the British crown. The Boer force is to lay down their arms and hand over all their rifles, guns and ammunition of war in their possession or under their control. All prisoners are to be brought back as soon as possible to South Africa, without loss of liberty or property. No actions are to be taken against the prisoners except where they are guilty of breaches of the laws of war. Dutch is to be taught in the schools if so desired by the parents and used in the courts if necessary. Rifles will be allowed for protection. Military occupation is to be withdrawn as soon as possible and self-government substituted. There is to be no tax on the Transvaal for the cost of the war. The sum of \$5,000,000 is to be provided for re-planting the Boer farms. The rebels are liable to trial according to the laws of the colony to which they belong. The rank and file will be franchised for life, but the death penalty will not be inflicted. The Cape Colony Dutch who are in rebellion remain to be dealt with. The news of the surrender was received in England with great enthusiasm. King Edward recommended at Parliament make an appropriation of \$250,000 for Lord Kitchener. The king will confer the title of viscount upon Kitchener.

CONGREGATIONAL CONFERENCE.

The conference of the Congregational churches of Orleans county, held at Barton Monday June 4th and 5th, was a success every way. The attendance was large the interest was well maintained from morning to end. The conference was opened by a devotional service, led by J. B. Lyman, the pastor of the entering church. The Rev. R. L. Sheaff of Troy was chosen moderator, and presided in a way most dignified and pleasing to all. The Rev. G. Ellery Read of Derby Line was chosen scribe. There was an unusually full attendance, almost every church in the county being represented. A most interesting address on the Lord's Day of 1620 and the Lord's Day of 1902" was read by Rev. R. J. Barton of Greensboro. It called out a helpful dis-

ussion and many reminiscences of early training respecting the keeping of the Lord's day. The report of "The Forward Movement," for the support of the Rev. Robert Thomson at Samokov, Bulgaria, was made by Rev. C. H. Morse of North Craftsbury, the chairman of the missionary committee of the conference. This report showed a gratifying success of the movement, in the fact that almost the whole amount of \$750 pledged has already been raised—a number of the churches having given more than the amount assigned to them. The conference voted to continue the support of the Rev. Mr. Thomson for another year, and also continued the missionary committee, giving into its charge the matter of contributions to the cause of home missions, in order that this part of our work shall also receive the careful and thoughtful attention of our churches. Addresses were then made by the Rev. James Ramage of North Troy, upon "Work of and for the Young People;" by Rev. B. S. Maben of West Charleston, on "The Falling Off in Sunday-school Membership—the Reason and the Remedy;" and by the Rev. William Vater of Albany, on "Present Day Evangelistic Methods." The addresses were full of helpful and suggestive thoughts, and it was regretted that the time did not permit that full discussion which each of the addresses would undoubtedly have called out. A most interesting and inspiring feature of the conference was the address on Wednesday evening by Miss Ellen M. Stone, who was captured by brigands in Macedonia. She came at a great sacrifice to speak to the conference, because of her relations to the mission field with which the conference is connected, and her deep interest in the welfare of the movement. So many desired to see and hear Miss Stone, that the evening session of the conference was held in the Methodist church. Every available place in the house was occupied, and an overflow meeting was held in the Congregational church, which filled that house. While Dr. C. H. Daniels, the secretary of the American board, gave a most clear, able and interesting presentation of the missionary enterprise and the "Forward Movement," Miss Stone spoke in the Congregational church of her experiences in captivity. She then spoke to the conference in the Methodist church, while Dr. Daniels addressed the overflow meeting. It would be impossible to repeat Miss Stone's narrative of her thrilling experiences. They are already familiar to the public in outline, and will become so in detail as they are republished in *McClure's Magazine*. But it was a rare privilege to come within touch of her personality, and to see one who had passed through such trials and dangers so unscathed. Interesting as her experiences were, the grace and sweetness, the charm and power of her beautiful Christian womanhood, outshone all that she had been through. She was greeted when she appeared by the Chastauqua salute, and at the close of the service an ovation was tendered her on the platform, and many had the pleasure of grasping her hand and hearing from her lips some kind word of sympathy and interest. The prayer service on Thursday morning was ably led by the Rev. Thomas Hall of Island Pond. Among the resolutions adopted was one of hearty thanks and appreciation to Miss Stone and to Dr. Daniels for the great benefit and pleasure they had given the conference by their presence; a resolution of thanks to the Rev. C. H. Morse, to whose faithful, untiring efforts the success of the "Forward Movement" has been largely due, and through whom we were able to secure Miss Stone's presence at the conference; also a resolution of hearty thanks to the pastor and trustees of the Methodist church for their generous hospitality to the conference in placing their house at its disposal. It was also unanimously resolved that the sentiment of the conference was in favor of supporting the present prohibitory law in every possible way. The Rev. S. L. Vincent of Glover gave a helpful address on the subject, "Is the Family Altar Declining?" The conference sermon was preached by the Rev. A. S. Bole of Coventry, and it was a most excellent discourse, full of sound, solid thought. The Rev. P. B. Fisk of St. Johnsbury Center presided with beautiful and impressive words at the communion service, assisted by the Rev. C. O. Gill of Westmore. The conference then adjourned, to meet next year with the church at North Craftsbury.

Philippines Bill Passes the Senate.

The Senate passed the Philippine government bill Tuesday, after a debate lasting several weeks, by a vote of 48 to 30. Three republicans, Hoar, Mason and Wellington, voted with the democrats against it, and one democrat, McLaurin, voted for it. This bill covers the whole framework of civil government for the Philippines.

Indians Resist Mexican Forces

Despatches from Tucson, Arizona, indicate that the trouble between the Mexican forces and the Yaqui Indians is assuming serious proportions. A detachment of 73 men from the force of Gen. Torres, who is pursuing the Yaquis in the Mazatan Mountains east of Hermosillo, was ambushed and 30 of the number killed. The trouble grew out of a quarrel in which three timekeepers at El Carmen ran away and were killed by Yaqui Indians, and the tribe took up arms to prevent their arrest.

something has been said here about our Clocks. This is one of the times when a few more words will be appropriate. Time is cheap, so to speak. We are offering a lot of excellent

CLOCKS

at very reasonable prices. Every kind of Clock is here—from the bustling little Alarm to the dignified and handsome Marbleized Iron Mantle Clock, with its musical cathedral gong. All these Clocks are made in the foremost factories and are accurate timekeepers. Give us a trial and see if we cannot give you satisfaction.

Watch and Jewelry Repairing

A SPECIALTY.....
LANG'S JEWELRY STORE.

OPTICAL WORK we make a special work, and our methods are accurate. Examinations are free.

GEO. C. LANG,

Graduate Watchmaker and Optician
Davis' Block, - Barton, Vt.

Hear It Tick!

A loud-ticking watch is not always the best time. Usually, the stronger the tick the greater the need of attention. The man who is always putting his watch to his ear to hear if it still ticks, is helping his "ticker" tick its life away.

Don't wait for your watch to stop ticking. Save time, money, worry and your watch, by prevention. "An ounce of prevention is worth a pound of cure" in watch care. Have it cleaned and oiled regularly every year. All work warranted.

FRANK D. CLEMENT
THE JEWELER AND OPTICIAN,
BARTON LANDING, VERMONT
