A gloom was cast over our community Saturday when the news went out that Solon G. Percival had passed away after an illness of only eleven days. Mr. Percival had been a great sufferer with kidney trouble and rheumatism for years. He was frugal and industrious, and was often urged to take things easier. It was often remarked that when Uncle Solon ceased to work he would soon cease to live, and so it proved, for after he took his bed the end was not long delayed. Mr. Percival was born in Glover and when only twelve years of age he was thrown on his own resources. With all his earthly possessions in a small salt-box, he went out in the world to gain a livelihood. He was one of nine children, only two sisters, Mrs. L. Kimball and Mrs. S. Butler, survive him. Fifty-four years ago he came to this town. Fifty years ago last August he married Mrs. Aisida Bean, and by that marriage one daughter, Mrs. Kate Hancock, was born. Twelve years ago under the pastorate of Rev. James Stevens he gave his heart to Christ, the entire family coming to Christ the same evening. He loved the church as he loved his own life and nothing but sickness could keep him from the services of the house of God. Oftentimes his efforts to be present would necessitate his going to the limit of his physical strength. In the prayer-meeting his testimony and songs were a great inspiration to all who listened. Through his sickness he was repeating passages of Scripture and hymns. He had a very retentive memory. He leaves a wife, who is in very poor health, and one daughter, who with her husband have given him the kindest of care. Not only the family mourn but the church and community are all mourners. Mr. Percival was eighty years and two months old. His funeral will be held Tuesday at 1:30 p. m., Rev. M. A. Turner officiating.
