County Court Opens.
County court opened at Newport Wednesday with Judge Seneca Hazellon and Assistant Judges Robbins and Clark on the bench. No jury cases were ready for trial last week. The grand jury is in session and there is a prospect of a term of ordinary length.

St. Johnsbury District Meeting.
The 11th meeting of the St. Johnsbury district preachers' association will be held

in Newport, Monday and Tuesday, Sept. 17 and 18. The program of subjects and the names of the preachers handling them point to an exceptionally instructive and interesting meeting.

District Meeting of Epworth League.
The annual meeting of the St. Johnsbury district Epworth League convention is to be held in Newport Tuesday and Wednesday and Wednesday, Sept. 18 and 19. At one o'clock in the afternoon on Wednesday the League convention will take an excursion down Lake Memphremagog.

Delegate to National Convention.
The Vermont R. F. D. Carrier Association held their 2d annual meeting at Burlington on Labor day, September 31. A. R. Garvin, carrier for the North Castlesbury office was chosen as delegate to the National Association at Peoria, Ill., in October, 1906. Mr. Garvin was the first rural carrier in Orleans county and one of the first in the state to push forward the R. F. D. system.

County Sunday School Convention.
Remember the annual meeting of the Orleans County Sunday School Association, which is to be held at the M. E. church in Craftsbury Thursday and Friday, Sept. 27 and 28. The subjects to be discussed will be of interest to all and several of the speakers whose names appear on the program are clergymen who have lately come among us from other counties and some of them from other states and those who attend may expect to hear something new from them as well as from our own workers.

Every school in the county is entitled to representation by its pastor, superintendent and two delegates and it is hoped that there may be a large attendance at the convention.

Barton Ball Team Challenges State Champions.

At Stanstead, Sept. 1st, and at Hardwick Labor Day, the Barton team won two games, which in many respects were the most important of the season. These games fully demonstrated, what other games had indicated, that the team is not merely one of home ground players but that they play steady, plucky and winning baseball in the "enemy's country." In view of their excellent showing against Northern Vermont teams, there is a good deal of interest in the county to see how the team will compare with teams in the south part of the state which aspire to state championship honors, and to that end the following offer has been made and it has been published in several leading newspapers of that part of the state. The Barton baseball team has this season played 18 games with the strongest teams in northern Vermont, and has won 15 of them. The Woodstock baseball team claimed the state championship last season and I am told in 1904. This is notice that said Barton team offers to play a three game series for the state championship, with said "Woodstock" team, or with any other team that can show a claim superior to that of said Woodstock team both teams to play as constituted September 1, and first two games to be arranged as to place, date and proper guarantees, on or before September 15th next.

W. R. Aldrich,
Manager Barton Baseball Team.

Numbers were the only thing lacking at the Wentworth entertainment last Friday evening. Mr. Wentworth is an all-round reader and handles the heavy as well as the light readings. No doubt another engagement would be better patronized. His handling of the "Merchant of Venice" was a masterpiece of work and his original "The Popular Preacher" was the height of humor.

A man apparently mentally deranged was found wandering in the neighborhood of Eugene Rash's yesterday and was taken in hand by village authorities and held for safe keeping till more particulars could be learned.
