The beautiful custom of the Commandery of Knights Templar in meeting on Christmas day to drink a toast to the most eminent grand commander was never happier observed than on Tuesday by Auvergne Commandery of this city. The toasts were many, including the head of the order, the local commander, the ladies, the dead, the loved sentinel who was lying so near death's door; there was also a very happy presentation of a magnificent ring to Eminent Commander Guibrie of Auvergne, by Sir Knight Dillon on behalf of the class who had taken the degree the past year, and also taken to John E. Stanford, the high priest of the Keystone Chapter, for his work during the past year, which presentation was made by Grand Secretary Thompson, and to which Mr. Stanford made an excellent response. The usual offering was taken and the whole affair was full of the best of fraternal feeling, making it an event long to be remembered by all present.

The following is copied from the Holyoke (Mass.) Transcript: "In the death of Mrs. H. F. Willey, which occurred Christmas night, Holyoke lost one of its most beloved and respected women.
