Peter, Stephen and Henry Wells, George Shute, Harvey Perry, Hiram Russell, Mahlon Dow were successful in getting deer this season.

Winnie Going while working in the mill had his hand so badly crushed in a planer that he was obliged to have one finger amputated last week.

Mr. Woodbury from St. Johnsbury, who has been cleaning and repairing R. M. Cowles' and Dr. Goddard's automobiles the past week, has returned home.

From weekly reports sent by the teachers to the superintendent of schools, it appears that the average per cent of attendance of all schools in the town of Albany for the fall term is 92 per cent. The banner school for high per cent of attendance is District No. 4 taught by Mrs. Inez Gilmour, where the average per cent for the term was 97 per cent. Two schools had 84 and 86 per cent respectively. While 92 is a fair average of attendance, a considerable increase should be possible. A 92 per cent attendance means an average loss during the school year, of about two and one half weeks out of thirty weeks of school, to each pupil in the town of Albany. The superintendent respectfully urges a better co-operation of parents with teachers to eliminate this waste in school attendance. C. L. Cowles, superintendent of schools.

The alarm of fire was sounded here about ten o'clock Saturday forenoon, and for a short time it seemed that the residence of George Drown was doomed. The flames broke out around the chimney and had gained quite a headway before it was discovered by Mrs. Brown. A crowd gathered in a very few minutes after the first alarm was given, and good and effective work was done. The location was near enough the river for the engine to be used with good results, and the fire extinguishers played a very important part in saving the buildings. The inside of the house was badly damaged by water and smoke, the carpets and much of the furniture was about ruined and several holes were cut in the roof and partitions. There was a strong wind and it is a wonder that the fire was put out and that no more harm was done.

Coughing at Night

Means loss of sleep, which is bad for everyone. Foley's Honey and Tar Compound stops the cough at once, relieves the tickling and dryness in the throat and heals the inflamed membranes. Prevents a cold developing into bronchitis or pneumonia. Keep always in the house. Refuse substitutes. F. D. Pierce.

ANTISEPTIC FOR CATARRH

Kills All Catarrhal Germs and Quickly Cures.

Stomach dosing will not cure catarrh. To get relief and cure it is necessary to treat with a normal antiseptic the air passages of the nose, throat and lungs. This is done best with Mentholatum, a simple, herbal preparation that is applied at night and cures while you sleep. In addition to its antiseptic qualities that kill the germ of catarrh poison, it has healing properties that soothe the inflamed and irritated mucous membrane. Mentholatum costs only a trifle and you can get a liberal jar for 25 cents from your druggist with a guarantee to refund money if not satisfactory. It stops all sores and cures inflammation and pain, not only of catarrh, but any other troubles.

COLD'S VANISH

Quick, Sensible Method That Doesn't Upset the Stomach.

Have you heard of the overnight cold cure that is putting colds in the head and chest out of business between sunset and daybreak.

Here it is. Cut it out and save it if you don't need it now. If you have a cold, cough, throat soreness or acute catarrh, be sure and try it tonight just before going to bed. Pour a scant teaspoonful of HYOMEI (pronounce it high-o-me) into a bowl of boiling water, cover head and bowl with a towel and breathe for several minutes the vapor that arises, then go to sleep and awake with a clear head free from mucus.

HYOMEI is guaranteed for catarrh, colds, coughs, croup, asthma, sore throat and bronchitis, or money back. Bottle of Hyomei 50 cents at F. D. Pierce's and druggists' everywhere.

Sold and guaranteed in Orleans by F. J. Kinney.

SEEVER'S DYSPEPSIA TABLETS

Have you dyspepsia? If you have perhaps you want to get rid of it. You can by taking SEEVER'S DYSPEPSIA TABLETS. We do not print any pictures of before and after taking. You get them by standing before the looking glass. If you don't believe this try the tablets and you will. We have proved that SEEVER'S DYSPEPSIA TABLETS will cure dyspepsia over and over again. We are ready to demonstrate it in your case, and we will tell you how. Go to the store of the E. W. Barron Company, Barton, or Kinney's Pharmacy, Orleans, and get a package. Take it according to directions. If it cures you step in and tell the druggist so. If it doesn't step in just the same, and tell him that, and he will hand you right back the ducats you paid him. Do you suppose this offer would be made if we had any doubts about what the tablets will do for you? Do you see any way that you can lose any money out of it? But if you really enjoy dyspepsia, and want to retain it permanently, let SEEVER'S DYSPEPSIA TABLETS alone, for the tablets won't let dyspepsia alone.
