FREE ADVICE TO SICK WOMEN

Thousands Have Been Helped By Common Sense Suggestions.

Women suffering from any form of female ills are invited to communicate promptly with the woman's private correspondence department of the Lydia E. Pinkham Medicine Co., Lynn, Mass.

Out of the vast volume of experience which they have to draw from, it is more than possible that they possess the very knowledge needed in your case.

Every woman ought to have Lydia E. Pinkham's 80-page Text Book. It is not a book for general distribution, as it is too expensive. It is free and only obtainable by mail.

A STITCH IN TIME

Barton People Should Not Neglect Their Kidneys

No kidney ailment is unimportant. Don't overlook the slightest back-ache or urinary irregularity. Nature may be warning you of approaching dropsy, or fatal Bright's disease.

Van B. Hitchcock, Main St., Barton, Vt., says: "I consider Doan's Kidney Pills a valuable backache and kidney remedy."

NEWPORT

Hon. C. A. Prouty has been in town for several days.

Supt. E. A. Hamilton has a new Ford automobile.

Col. C. S. Emery was in Boston the first of last week.

H. N. Davis of Glover was a visitor in town Wednesday.

Col. Z. M. Mansur returned from Burlington Saturday.

Russell Hight is at home from McGill college, Montreal.

Mrs. Lizzie Flint has painters at work on her residence.

Ira Laplant of Westfield was a visitor in town last week.

Edson Hope has been in New York the past week on business.

Mrs. A. H. Grout has returned from a visit in Boston and vicinity.

Benj. Hinman was in North Troy the first of last week on business.

G. H. Newland is building a small addition to his block on Coventry street.

Mrs. E. M. Clarke is having steel ceilings placed in her residence on Coventry road.

The Gladys Clarke Company played three nights last week at Lane's to crowded houses.

A little child of Julius Glodgett of Batesville has been seriously ill with pneumonia the past week.

Wm. Hight has completed his grading begun last fall and now has an ample approach to his garage.

Mrs. C. A. Burrows and Mrs. F. R. Hastings of Barton were visitors in town the first of last week.

Dr. O. B. Gould has returned from New York and has resumed his practice. He is much improved in health.

Newport High and Derby academy played ball at Derby Saturday, the score being 27 to 6 in Newport's favor.

Attorney Harry A. Black has gone to Chicago and other points in the Middle West on a two weeks' business trip.

Mr. and Mrs. H. W. Cook of Stoneham, Mass., occupied their cottage on Farrant extension several days last week.

Mrs. U. A. Harris spent several days recently visiting her parents, Mr. and Mrs. Henry Smith at the Center.

Alphonse Paradis has moved from the Blair tenement on Third street to one of Arthur Scott's houses on Scott avenue.

The Royal English Hand Bellingers appear at Lane's Wednesday evening, May 15, under the auspices of the Ladies Social Union.

W. W. Blodgett has purchased the house and lot on Third street owned by the late Peter Porter. The reported price is \$4800.

J. W. Redmond and R. W. Spear were in White River Junction last week Wednesday on business connected with the public service commission.

Miss Claudia Spaulding has returned and will spend the summer here. She will fill the position of assistant librarian at the Goodrich Library.

Mr. and Mrs. James Silver and Mr. and Mrs. Loren Silver were in Lowell recently to attend the funeral of A. C. Austin, a brother of Mrs. James Silver.

Mrs. Mary J. Hardy is visiting at the home of her son, Olin Hardy, for a few days, after which she will go to Everett, Mass., to spend the summer with a daughter.

The senior class of the High school gave a box party and small dance to the other classes of the school on Friday evening, May 5, inviting also the pupils of the eighth grade.

C. J. Oben and Company have sold for Geo. D. Walworth his residence on Central Street, formerly owned by Carl R. Storrs, to Fred Kennison, who takes immediate possession.

The rain of Monday was very welcome as streets and lawns were in need of water. Forest fires were raging on Owl's Head mountain Sunday, to which the timely rain put an end.

Wm. Chase had the misfortune to injure one thumb quite badly Friday while at work in the Prouty and Miller lower mill. Mr. Chase was laid by several weeks last fall by a similar accident.

Judge H. B. Cushman has gone to Biddeford, Me., where it is reported he will receive surgical treatment at the hospital of his brother-in-law, Dr. Trull. He expects to be absent about a month.

The steamer Oscar C, Capt. Thomas Norton, came in from Sargent's Bay Wednesday, May 1, with a raft of logs for Prouty and Miller. This is several days earlier than traffic was begun on the lake last season.

The Mendelsohn club is to give a grand concert Friday evening, May 1, at Lane's. Miss Robinson, the reader, Harry Edwards, baritone, and Mrs. Wilson, soprano, will assist the members of the club in this entertainment.

The music pupils of Mrs. A. A. Bishop give recitals at School hall on Wednesday and Friday evenings of this week, the younger pupils on Wednesday and those more advanced on Friday. The recital is free and the invitation is general.

The friends of Ben Mosher, formerly with the Loveland Company here, will be sorry to learn of his accident in St. Johnsbury recently. He was thrown from his express wagon and received a broken leg. He was taken to the hospital for treatment.

C. M. Bailey and a party of his associates in the custom house journeyed by automobile Wednesday to the last remaining snowbank in Derby, where an old fashioned sugaring off was held. O. C. Miller, Walter Avery and Jack Storrs furnished the transportation.

The May day dinner served by the ladies of the Social Union in the dining rooms at the Congregational church was a pronounced success from a gastronomical standpoint and was very well patronized. The rooms and tables were very prettily decorated in May day style.

Members of the local camp of Boy Scouts of America indulged in a hike Saturday, tramping to Maxfield's light on the international boundary, a distance of about seven miles and return. The expedition was in charge of Rev. H. B. Rankin, who is something of a scout himself.

Schools in the first five grades and kindergarten resumed their sessions last week Monday after an intermission of one week on account of scarlet fever which was feared might become epidemic. No new cases have developed. There are several cases of measles in town, however.

E. J. Prouty has commenced operations looking toward the remodeling of his property on the corner of Second and Prospect streets. He contemplates the removing of the barn to the back sides of the lot, moving the house to face Prospect street nearer to Wm. Hight's which will give room for a more convenient and modern residence on the property.

The business of the railroads in this vicinity continues to increase, as shipments of freight are heavy. Five shifting engines are now employed and the freight handlers on the transfer sheds are working hard and unable to keep up. Many extra freight trains are being run on this division, probably more than are handled on any other single track line in New England.

The Ladies' Reading Circle held their annual meeting on Wednesday of last week. Mrs. J. H. Gaines opening her home to the society for the occasion. A bounteous supper was served and new officers were elected for the coming year. Mrs. Cunningham being elected president. The society will hold its meetings every fortnight instead of each week as has been its custom in the past.

The meeting of the Vermont Forward Movement to be held in the assembly room of the Goodrich Library on Friday afternoon, May 17, should be of interest to all who desire the progress of our state. The speakers on this occasion are Albert E. Roberts of New York, Jas. B. Estee of Montpelier and Mason S. Stone. They go from here to St. Johnsbury for a similar meeting in the evening.

Many little hearts were made happy on the evening of May first through the giving and receiving of May baskets, a custom which is generally observed here each year. The tinkle of door bells and the skurrying of little feet make the early evening quite exciting for all interested. Many of the baskets are really works of art and their contents most delectable, but the humble ones are just as welcome and carry, we believe, just as much joy, if received in the spirit in which given.

Henry Majors, the well-known barber, who recently returned from the South, where he spent the winter, mysteriously disappeared, and from his conversation of late it was in-

ferred that he might have committed suicide by drowning. He was not in the best of health and was out of a job, and had seemed melancholy and somewhat morose. He was last seen on Wednesday evening, May 1, and the body was recovered Sunday morning by parties who were dragging the lake near the steamer wharf from which the deceased had evidently thrown himself shortly after his disappearance Wednesday evening. The body was taken in charge by Undertaker B. S. Curtis and the funeral was held Monday afternoon at 2 o'clock at the Methodist church.

Louis A. Frasier, 4 Market St., Norwich Conn., had been subject to backache due to kidney trouble for some time. He says, "Hearing of Foley Kidney Pills, I took them and they gave me relief at once. I recommend them as a prompt and effective medicine for kidney and bladder trouble."

F. D. Pierce.

Deafness Cured

When Caused by Catarrh

If you have ringing noises in your ears, catarrh germs are making their way from the nose to the ears through the tubes.

Many cases of deafness caused by catarrh have been cured by breathing HYOMEI. It reaches the inflamed membrane, heals the soreness and banishes catarrh, which is the cause of most deafness.

F. C. Vanaman, railroad conductor of Binghamton, N. Y., writes that he was cured of deafness after specialists had failed.

HYOMEI (pronounce it High-o-me) is guaranteed to cure catarrh, coughs, colds, asthma, croup and sore throat, or money back. Complete outfit with inhaler \$1.00. Extra bottles 50 cents. Sold by F. D. Pierce, the enterprising pharmacist, and druggists everywhere.

Sold and guaranteed in Orleans by F. J. Kinney.

Lovely Hair For Boys and Girls

The man who is bald at 30 can usually blame his mother.

It is a mother's duty to look after her children's hair; to be sure that a dressing is used that will destroy the microbes of disease, will banish dandruff and promote a growth of hair.

Mothers who use PARISIAN SAGE need never worry about having bald-headed sons at 30 or girls with faded coarse looking hair at any age.

For F. D. Pierce knows PARISIAN SAGE so well that he guarantees it to abolish dandruff; to stop itching scalp and falling hair, or money back.

And children as well as their parents love to use PARISIAN SAGE, for it is so refined and pleasant and makes the head feel fine instantly.

50 cents.

Advertisement for E. M. F. '30' and Flanders '20' cars. cars will give you satisfaction. Includes an image of a car. The E-M-F is not the only good car in the world—there are many. E-M-F and Flanders cars, however, far overshadow all others for the same money. To the E-M-F company is due the honor of revolutionizing the automobile prices of the world. Before the E-M-F was created cars in its class were selling from \$2500. to \$3000. The E-M-F started at \$1250; it has existed four and one half years, and is selling today in the front rank at \$1100., factory equipment. It has one of the largest, if not the largest, factory force in the world, with unlimited millions of capital. The E-M-F since its creation, has been the bone of contention which has worried all competition. The E-M-F has adopted changes in body construction to keep pace with conventional ideas, BUT NOTE THIS IN YOUR MEMORY, THAT THE MOTOR MADE TODAY IS PRECISELY LIKE THE ONE IN THE FIRST E-M-F CAR MADE, and is the oldest motor in the world in its original form. Needless to say, it was made right. It has been tried out. If you buy an E-M-F "30" or a Flanders "20" you buy a certainty. The Flanders "20" is a Baby E-M-F, and a baby that needs no coddling. Every car has an ironclad certificate of guaranty for one year which means something. E-M-F and Flanders cars are powerful, economical to maintain, and perfectly simple to operate. Note our prices and what we give for equipment: All oil and gas lamps, with \$25.00 Presto tank; tools; foot and robe rails; mohair top with slip cover; glass windshield; speedometer; clock; tool box; Weed tire chains; one extra inner tube; freight paid and delivered at your door. E-M-F, all models, \$1250.00. Flanders touring car \$935.00. Flanders roadster \$885.00. Demountable rims on all E-M-F models. All we ask is a chance to show our cars—they do the rest. GEO. H. DAVIS, BARTON, VT. General Agent. Bugbee & Lambert, Newport. W. L. Dow, Hardwick. Foss & Co., Island Pond. H. D. Graves, St. Johnsbury
