Methodist Episcopal Church Notes.

A reception was tendered our new pastor and his wife, Rev. and Mrs. W. E. Allen, at the church last evening and the occasion was a most enjoyable one. After all those present had met Mr. and Mrs. Allen a short program was rendered as follows: Prayer, Rev. W. A. Warner; address of welcome, E. R. Cook; response, Rev. W. E. Allen; song, Miss McLellan; reading, Miss Ferrin; song, C. B. Webster; song, Mrs. Blake; reading, Mrs. Zuer Hanson. After the program, light refreshments were served.

JUDGE THOMPSON'S CANDIDACY.

Barton, Vt., May 13, 1912.
Editor Monitor, Barton, Vt.

I desire through your paper to announce my candidacy for representative to Congress from the Second district. Four years ago Mr. Plumley was nominated and elected to Congress because it was believed that he would act independently of the reactionary element which then controlled legislation and would work along progressive lines.

A great many voters believe that he has not lived up to our expectations; that on many important questions between the standpaters and progressives he has voted with the element led by Cannon, Payne, Dalzell and others, or has failed to vote, and that in general he has taken no aggressive position on legislation, and it is by reason of their request and assurances of support that I have decided to become a candidate against Mr. Plumley. If nominated, and elected, I shall support those measures which are in the line of progress and which make for the betterment of social and political conditions throughout the country. I shall devote myself earnestly and aggressively to the welfare and interests of my constituents and to the moral upbuilding and material development of my state.

Yours truly,
Frank D. Thompson.

For Thompson Club.

There will be a meeting in the town clerk's office Friday evening for the purpose of forming a Thompson club, the object of the club being to boom Judge Frank D. Thompson for Congress from the Second district. The fact that Barton has a candidate endorsed by the strong backing of a state progressive league, is sufficient evidence that Barton should and will stand behind the candidate as a unit and the proposed club will do all that is within its power to place Mr. Thompson's candidacy before the people. Every voter in town is invited to be present.

Junior Play.

The Junior class of the high school will present "The Cricket on the Hearth," a dramatization of Dickens' well known story, at Seaver's hall on Tuesday evening, May 21 with the following cast of characters: John Perrybingle, Maynard Foster; Mr. Tackleton, Slayton Lang; Caleb Plummer, Tracy Cook; Old Gentleman, Ralph King; Porter, Harry Humphrey; Dot's Father, Robert Scott; Dot, Katherine Ansboro; Bertha Plummer, Ruth Corley; Mrs. Fielding, Mildred Chase; May Fielding, Alice Dexter; Tilly Slowboy, Hazel Cook; Dot's mother, Maud Hubbard. Tickets are on sale at Pierce's.

Concert and Ball.

The Schubert club assisted by additional talent both local and from out of town will give a concert at Seaver's opera hall, Friday evening, May 24th. Every effort is being made to make this the finest concert of the season. The music will be varied in character including high class vocal and instrumental selections. A May ball will immediately follow the concert, music for which will be furnished by an orchestra of ten pieces. This is a local organization and deserving of the patronage of the people. Watch for posters.

C. E. Convention at Derby.

The annual convention of the Orleans County Christian Endeavor Union will be held at Derby Saturday and Sunday beginning at 10:30 o'clock Saturday forenoon and closing Sunday noon. Saturday afternoon three model meetings will be held, a model prayer meeting, a model missionary meeting and a model business meeting and Miss Bates, state secretary, will talk upon "Efficiency" and explain the efficiency campaign. Saturday evening and Sunday morning, Rev. Virgil Johnson of Springfield, Mass., will address the convention upon social questions.

Orleans County Boy Honored at Panama.

The following appeared in the "Panama Morning Journal" of April 30, under a Gatun dispatch of April 29, and will be of interest to Monitor readers as Mr. Johnson was born and reared in Albany.

No higher tribute can be paid a man than that accorded at the Washington Hotel Saturday night to Nat M. Johnson, supervisor of locks and dams at Gatun, who is leaving the Isthmus for good on May 3rd. One hundred and twenty-five men, who have worked with Mr. Johnson some time or other during his long stay of eight years on the Isthmus, sat down to a banquet the like of which has not been given here since the resignation of Mr. Stevens. The banquet was a success, if attractive souvenir programs, elaborate decorations, a sumptuous menu and plenty of liquid refreshment, properly trapped, can make any banquet a success.

But it takes more than this to make a banquet and this affair had plenty of that without which a stag dinner is sure to fail; it was fortunate in its toast list. A galaxy of silver tongued orators, raconteurs and poets, performed unflinchingly before their fellows of the locks, the dams or the Atlantic Division offices. With Major Harding as toastmaster, the flow of wit and reason started off with a rush. On the toast list were Col. Sibert, who made the presentation speech; Major Jersey, "What He Has Done"; G. M. Wells, "Two Important Opportunities"; C. E. Langley; "The New Supervisor"; T. J. Donahue; "Something New in the Story Line";

WHO WILL GET THE GOLD

The Second Count in the Monitor Piano Contest Will Be Held on Tuesday Afternoon, May 28th, at 3:00 O'clock. Special Prizes Have No Bearing on Who Will Be the Winner at the Final Count.

Interest in the Monitor popular voting contest is now at fever heat, and their friends are hustling for new subscribers and renewals in a manner that is very interesting. They realize that the one who wins the beautiful piano will get a prize worthy of their efforts and they are doing all they can to see that their favorite candidate comes home ahead.

That capital prize is certainly worth a lot of hustling goes without saying. Don't wait. Keep right on hustling because, while you are laying off, some one else may be working, and getting the new subscribers that you might have had if you had kept going.

Ten dollars in gold to the contestant making the greatest gain since the first count; \$5.00 in gold to the contestant making second greatest gain. The ballot box closes at 3 o'clock.

At the same time don't forget the merchant's coupons. Every time you get forty of them you can get an extra bonus of 500. It does not make any difference whether the coupons all come from one merchant or not as long as you bring them in, in bunches of forty.

Nothing comes to him who waits and the ones who do the hustling are rewarded in the end.

Do not forget the prizes the merchants are giving. If not fortunate enough to secure the piano you may receive one of the merchant's prizes and they are well worth working for. For the next few days the following bonuses will be given and may be withdrawn at any time. Remember these are positively the largest bonuses that will be given for these subscriptions during the contest, so get busy and get subscriptions while the bonuses are big and your work will count for the most. Here are the bonuses:

For every seven new subscribers we will give 10,000 extra votes, making a total of 14,200.

For every seven renewal subscriptions we will give 8,000 extra votes, making a total of 11,500.

Subscriptions turned in for the first count will not count for these bonuses. They will count just the same for the piano at the final count, but these bonuses are good only on subscriptions brought in from now until the offer is withdrawn.

For every 40 merchant's coupons brought to this office and counted by the publisher or his assistants, a bonus of 500 extra votes will be given, a total of 1,500 in all.

These coupons may be collected from any and all merchants who are in the contest.

Remember and have your friends trade with the merchants who are giving the coupons. They are reliable tradespeople.

The following are the enterprising merchants who give coupons.

PROBLEMS OF THE VT. FARMER.

(The following article was written by A. B. Pike, Jr., of Washington, D. C., a native of Orleans county. The editor urges its careful reading by every farmer.)

For many years past dairying has been the chief mainstay of the New England farmer, and if it did not always yield large profits it at least afforded a livelihood. But in recent years conditions have changed and the profits do not appear to materialize as easily as in former days.

The West and South are rapidly coming to the front in the production of dairy products.

Grain raising was the early type of agriculture practiced in these sections and it was not for a long time that any thought or attention was given to soil fertility. The land yielded its harvests bountifully for years. But there is a limit to endurance and these lands "struck." The income of the people stopped. Happily the calamity was checked by the dairy cow and she has proven a blessing ever since. For example in Iowa and Wisconsin the number of dairy cows have increased 75 per cent in the past ten years. Large increases have been made in other states outside of New

Missisquoi Valley Railroad Meetings.

The automobile trip of those interested in promoting the proposed railroad from North Troy to Waterbury, which was to have taken place yesterday has been postponed until Friday. The trip calls for halts at all the villages along the route with short speeches and a banquet at North Troy after their arrival there. The autos will start from Waterbury.

Barton's New Veterinary.

W. D. Lamberton, the new veterinary surgeon and dentist who has located in Barton with headquarters at Brown & Sawyer's livery stable, is a native of Montpelier. He is a graduate of the Ontario Veterinary college and recently took a post graduate course in McKillip's college in Chicago. He has had six years' experience and comes to Barton well recommended and pays special attention to domestic animals. Mr. Lamberton expects his family here soon.

Hiram Simpson.

Hiram Simpson of Sheffield, aged 78 years, died at the home of his granddaughter, Mrs. H. V. Drown, on Elm street, Wednesday, May 8. Mr. Simpson was a veteran of the Civil war, having enlisted in the 15th Vermont, and was a member of Quimby Post, G. A. R. He had always lived in Sheffield until within a few weeks when he came to Barton in order that he might have better medical attendance. He is survived by a widow and four children, Chester Simpson of Lyndonville, Walter Simpson of Beebe Junction, Mrs. Amy Tanner of Sheffield and Mrs. Helen Brooks of Barton, also an adopted son, William Simpson of Orleans. The funeral services were held from the Drown residence on Friday afternoon, Rev. W. A. Warner officiating. The interment was at Glover. A large number of relatives and friends from Sheffield were present. The relatives wish to thank the members of Quimby Post and other friends for the beautiful flowers sent.

County Medical to Meet.

The next regular meeting of the Orleans County Medical society will be held in North Troy, May 25th, and will be open to the public. This is a new and somewhat radical departure and should inspire a response on the part of everyone, both of the medical profession and laity. The object of the meeting is to bring people into a better understanding of the efforts of modern medicine, to encourage co-operation and educate, enlighten and entertain. Representatives of the best talent of our state and Montreal will address meeting together with local men. Frank L. Greene, editor of the St. Albans Messenger, Hon. Mason Stone, superintendent of education, Prof. McCrae of Montreal McGill University of Medicine will be among the many prominent speakers. Following the usual program a banquet will be served at the Frontier House.

More About the Telephone Deal.

Since the Monitor reported last week the sale of the Citizens' telephone line to the Passumpsic (Bell) the same company has completed negotiations for the purchase of the McGuire lines with headquarters in Hardwick. This gives the Bell system through its subsidiary lines practical control of the telephone business in this section of the state as well as in Vermont. The break in the strong chain of independent Vermont companies began with the selling of the Buchanan's company in this county by the Barton Telephone Exchange Company, a purely local and mutual organization is the only remaining independent company in Northeastern Vermont so far as is known. The purchase price of the Citizens' lines is not known. It is understood the new owners will spend \$30,000 or \$40,000 in improvements.

Gets Automobile for \$1.

T. W. Hartley of Bradford was the lucky man and A-327 was the lucky number of the dollar tickets sold for the \$1,350 five-passenger Mitchell car by the Passumpsic Lodge, No. 27, F. and A. M., to raise funds for the new Masonic temple in St. Johnsbury. Several local men had purchased tickets on this car.

P. A. Notes.

The order of exercises for commencement week is as follows. Sunday evening, May 26, Baccalaureate sermon by Rev. W. A. Warner at the Congregational church. Monday evening, May 27, Junior reception at Odd Fellows' Hall. Tuesday, May 28, at 2 p. m., grammar school exercises in High school room, academy building. Thursday, May 30, 3 p. m., commencement exercises, Seaver's opera hall. Friday evening, May 31, Alumni Banquet, Hotel Barton.

Prin H. J. Stannard received notice Saturday from Prof. Nathaniel F. Davis, secretary of the New England college entrance board, stating that the application of Barton academy to be placed upon the list of schools which might send students to the colleges represented on that board without examination, had been granted that privilege for the year beginning Jan. 1, 1912. Several of the members of this year's graduating class will enter college in the fall, and this will allow them to enter upon certificate of the principal.

At St. Johnsbury Saturday the B. A. team met defeat in a fast game at the hands of St. Johnsbury academy team by the score of 5 to 3. The details of the game follow:
