Thompson Club Organization.

A well attended meeting was held at the town clerk's office Friday evening when "The Thompson Club" was organized with E. W. Barron, president. The other officers elected were: W. H. Gilpin, vice president; C. S. Webster, secretary and treasurer. F. H. Pillsbury, W. W. Reiden, W. M. Wright, J. G. Turnbull, J. Colby Stearns and Dr. E. M. Cleasby, the three last named of Orleans, were made executive committee. The following was adopted as the object of the club: "Organized by the voters of the town of Barton to further by all honorable means the candidacy of Judge Frank D. Thompson for Congress from the Second Congressional district." Considerable interest was manifested and it is expected the club will soon get into active service for Mr. Thompson.

DECORATION DAY PROGRAM.

Thursday, May 30th, will be observed by Capt. Geo. W. Quimby Post of Barton as Memorial Day. The Barton Cornet Band will be in attendance and furnish music for the occasion. The procession will form at the usual place under the direction of Dr. J. A. Pearson, marshal of the day. It is expected the Knight Templars, Modern Woodmen of America and schools will take part in these exercises. We especially invite the children to gather flowers for soldiers' graves. All soldiers, sons of veterans and associates of Quimby Post and others are welcome to fall in line. The procession will form at one o'clock sharp, march to the village cemetery, where the children will decorate the graves of comrades with flags and flowers. On returning they will assemble in Seaver's hall, where the address will be delivered by Wallace H. Gilpin.

Junior Class Play.

The members of the Junior class of the academy gave their annual class play at Seaver's opera hall last evening and it was a decided success in every way. The production this year was a dramatization of Dickens' "Cricket on the Hearth" and it proved a very pleasing one. The parts were all well rendered. The costumes were made to correspond to those of the period of the play, some of them being procured from Boston, and others being loaned by friends. Potter's orchestra furnished excellent music. The gross receipts were about \$100, and a portion of the proceeds will be used for the expenses of the Junior reception which is to be given at Odd Fellows' Hall Monday evening. The entire performance reflects much credit not only upon the Juniors but upon Miss Ferrin, who had charge of the drill and staging. The cast was as follows: John Perrybingle, Maynard Foster; Mr. Tackleton, Clayton Lang; Caleb Plummer, Tracy Cook; Old Gentleman, Ralph King; Porter, Harry Humphrey; Dots' Father, Robert Scott; Dot, Katherine Ansbore; Bertha Plummer, Ruth Corley; Mrs. Fielding, Mildred Chase; May Fielding, Alice Dexter; Tilly Slowbov, Hazel Cook; Dot's Mother, Maud Hubbard.

The following clipping from an Atleboro, Mass., daily of May 14 will be of interest to friends of Miss Marion Redfield, who is studying music in that city. "A rarely delightful musical evening was enjoyed by those present at the home of Miss Grace Appleby, last evening. Miss Marion Redfield, soprano, Miss Appleby, pianist and Miss Ella Beatrice Ball of Providence, violinist, in an unusually charming program, displayed such sympathetic interpretation of the different numbers, and rendered them in such an artistic and musicianly way that their audience was altogether pleased and enthusiastic. Miss Redfield's singing was beautiful. In all her solos, from the aria, 'With Verdure Clad,' which was exceptionally well done and traditionally correct, to the sprightly 'Cuckoo' and the pathetic 'Remembrance,' she abandoned herself so entirely and showed such appreciation of each that her audience was captivated."

SECOND COUNT TUESDAY, MAY 28

It Then Will Be Determined Who Will Be Entitled to the Gold for Making the Greatest Gain.

This Count for the Special Prize Will Have No Bearing upon the Question as to Who Will Win at the Final Count.

On Tuesday, next, (May 28) at 3 o'clock p. m., the second count in the Monitor voting contest will be made, and \$10 in gold will be awarded to the contestant having made the greatest gain since the last count as shown below, and \$5 to the contestant having made the second greatest gain. No matter what your standing may have been at the conclusion of the first count, if you make a greater gain over that count than any other candidate you will get the \$10. For instance if you had 25 votes then and you make a larger gain than the leader, you may get the money. Your standing then makes little difference. Its the gain you have made which counts now, so get busy and bring in all the votes possible before 3 o'clock Tuesday.

The elegant Obermeyer & Sons' Piano has been shipped and we expect it will arrive any day. Upon its arrival it will be displayed at the Monitor office and we hope to have some of the pianists of the town play the instrument.

Whatever number of votes you may have in the second count will be placed to your credit in the final count which will be made in June, but if you make the greatest gain NOW you will land the gold which is offered as a special prize at the count Tuesday. And all votes cast during the entire contest will determine who is to get the piano—these special counts cutting no figure in the grand final roundup. There is nobody so far ahead, according to the first count, but what a little hustling on the part of the other contestants would place them right up among the leaders. New subscribers are what count the most in this contest, because for every new subscriber brought in the person bringing it in is entitled to 500 votes and 500 votes are given for each renewal. Bear in mind that the ballot box will be closed at 3:00 o'clock Tuesday afternoon. Be sure and have all your votes in by that time so you will have had a fair chance to show what your standing is. As soon as the ballot box is closed the count will be made and the result announced as quickly as it is known.

B. A. Notes.

Prin and Mrs. H. J. Stannard will entertain the graduating class at their home tomorrow evening.

The faculty and students are invited to attend a reception given by the Orleans High school this evening.

Howard Bickford, who has been attending school the past year in Manchester, N. H., and who has recently recovered from pneumonia, is home for the summer vacation.

Arrangements are being made to have a baseball game on Friday afternoon, May 31, between the regular academy team and a team picked from the alumni. It is hoped that a large number of the alumni will plan to come out for this game.

Barton academy defeated Orleans High Wednesday, May 15, in a rather loose game in a score of 13 to 2. Orleans played Barton here this afternoon.

Roosevelt Carries Ohio.

Reports give Roosevelt nearly two-thirds of the delegates elected yesterday in the Ohio primaries.

ENDEAVORERS AT DERBY.

The 24th annual convention of the Orleans County C. E. union was held with the Congregational and Baptist societies at Derby Saturday and Sunday, opening Saturday forenoon with a business session in the Baptist church. The secretary, Miss Clemma Seaver of Barton, reported that every society in the union, 19 in number, had sent reports and her records showed the union to be in a very prosperous condition, nine of the societies having taken up the efficiency campaign.

During Saturday afternoon three model meetings were held, a model prayer meeting, a model missionary meeting and a model business meeting. Valuable points were brought out in each and delegates found much food for thought on work the various committees may do by the various model committee reports. Miss Bates, state secretary, gave a talk on efficiency in Vermont, suggesting many valuable points for the campaign. Rev. Mr. Rankin of Newport spoke on the problems of the boy and spoke of the absence of boys from the convention and from the program. Mr. Rankin has had much experience with boys and is very successful with the boy scout movement, which he advocated.

In the evening Rev. Virgil Johnson of Springfield, Mass., recently connected with the mighty men and religion movement, spoke upon the social problems confronting the country and urged Endeavorers to acquaint themselves with the needs of the time. Mr. Johnson also spoke Sunday morning to a crowded house in the Congregational church upon the further need of social reform and believes it will be brought about by placing emphasis upon the spiritual side of mankind.

"Sunday morning at 6:30 o'clock a 'sunrise service' was held at the soldiers' monument, at which Rev. C. E. Gordon presided. Over 60 persons, mostly visiting Endeavorers took advantage of attending this very inspiring service.

The efficiency banner was won by the Greensboro society. The East Charleston and Westfield societies stood next in order according to the efficiency standards. Rev. L. A. Edwards of Newport assisted in the song services and Rev. Mr. Puffer of Derby had charge of the devotional periods, inviting Revs. Anderson of Derby and Gordon of Craftsbury to assist him.

The nomination committee consisting of Rev. A. B. Ross, Miss Patterson of East Craftsbury and Miss Willey of Orleans, reported the following officers for the union the ensuing year and they were elected: President, Miss A. Clemma Seaver, Barton; vice president, Rev. M. W. Hale, Coventry; secretary and treasurer, Miss Grace Bryant of Coventry; junior superintendent, Miss Clara Dwinell of Orleans. The resolution committee, Miss Burgess of Coventry, Miss Witt of North Craftsbury and Mrs. Buck of Charleston, reported resolutions urging the efficiency campaign in every society and thanking the people of Derby for their royal and hearty welcome.

The convention was largely attended, about seventy visitors and delegates being present, and all declared the convention a great success and the entertainment of the Derby people the height of C. E. good fellowship.
